Lulu is excited to meet all the rescue dogs when the pet-adoption fair comes to her local farmers' market. She wants to take all of them home--but she already has Bingo, and Mama says one dog is enough for their family. That doesn't mean Lulu can't help, though.

It's time for Ladybug Girl and the Bug Squad--her friends Grasshopper Girl and Bumblebee Boy--to step in! The Bug Squad can do all kinds of little but important things, like brush the dogs, play with them, and bring them water and food. And then Lulu comes up with the perfect plan to help the dogs find their forever homes. Her idea is such a success that the Bug Squad knows they'll be back again next week. Together, they can help every dog get adopted. This beloved series is celebrated for its gentle, authentic, and

imaginative exploration of kid-emotions and -truths.

Flora and the Penguin - Molly Idle 2014-11-04

From a Caldecott Honor winner—Learn about teamwork and friendship when Flora laces up her skates and hits the ice with her new penguin pal. Having mastered ballet in *Flora and the Flamingo*, Flora takes to the ice and forms an unexpected friendship with a penguin. Twirling, leaping, spinning, and gliding, on skates and flippers, the duo mirror each other's graceful dance above and below the ice. But when Flora gives the penguin the cold shoulder, the pair must figure out a way to work together for uplifting results. Artist Molly Idle creates an

innovative, wordless picture book with clever flaps that reveal Flora and the penguin coming together, spiraling apart, and coming back together as only true friends do. Plus, this is a fixed-format version of the book, which looks nearly identical to the print version. Praise for *Flora and the Penguin* "Every bit as graceful a performance for both Flora and her creator. . . . Once again, Idle's elegantly drafted scenes couldn't be more polished . . . A real triumph." —Publishers Weekly (starred review) "Funny and charming—a winning, worthy follow-up." —Kirkus Reviews *The Lost Dogs* - Jim Gorant 2011-09-06

An inspiring story of survival and our powerful bond with man's best friend, in the aftermath of the nation's most notorious case of animal cruelty. Animal lovers and sports fans were shocked when the story broke about NFL player Michael Vick's brutal dog fighting operation. But what became of the dozens of dogs who survived? As

Downloaded from

acclaimed writer Jim Gorant discovered, their story is the truly newsworthy aspect of this case. Expanding on Gorant's Sports Illustrated cover story, *The Lost Dogs* traces the effort to bring Vick to justice and turns the spotlight on these infamous pit bulls, which were saved from euthanasia by an outpouring of public appeals coupled with a court order that Vick pay nearly a million dollars in "restitution" to the dogs. As an ASPCA-led team evaluated each one, they found a few hardened fighters, but many more lovable, friendly creatures desperate for compassion. In *The Lost Dogs*, we meet these amazing animals, a number of which are now living in loving homes, while some even work in therapy programs: Johnny Justice participates in Paws for Tales, which lets kids get comfortable with reading aloud by reading to dogs; Leo spends three hours a week with cancer patients and troubled teens. At the heart of the stories are the rescue workers who transformed the pups from

victims of animal cruelty into healing caregivers themselves, unleashing priceless hope. Includes an 8-page photo insert. Watch a video [Before You Were Mine](#) - Maribeth Boelts 2007-09-20 Adopting a shelter dog comes with unconditional love, but also many questions. A little boy imagines what life was like for his new dog before he adopted him from a shelter. Maybe he had a boy who loved him, but the family had to move and couldn't keep him. Maybe he belonged to someone who didn't appreciate how mischievous puppies can be. Maybe he was treated badly. But the most important thing is that now, he can be shown all the love he's been missing. Because this dog is home. Winner of the Humane Society KIND Children's Picture Book Award and the ASPCA Henry Bergh Children's Book Award, this touching story celebrates all who support, care for, and adopt shelter dogs.
