The Place You Love Is Gone: Progress Hits Home - Melissa Holbrook Pierson 2007-01-17
"Smart and defiant. Rich with characters and anecdote and heart. A great success." --Anthony Swofford, New York Times Book Review
Has the future ever more people with their houses, stores, roads, and sprawl been wrecking your past? Melissa Holbrook Pierson, with unalloyed insight, elucidates how it feels to lose that landscape of home. In the past twenty years, like countless towns it resembles, Akron, Ohio, has lost its singularity, and much of what native-daughter Pierson loves about it. She then moves to Hoboken, New Jersey, a forgotten appendage of New York until stockbrokers discover it. Finally, she speaks of rural areas, telling of the thousands of upstate New Yorkers displaced by city reservoirs. A unique book uniquely of our moment: This is what it feels like to lose the place you love.

Trauma and PTSD - Cathy Chapman
It is difficult not to be emotionally involved in this human realm since emotions are a critical part of this planet. You already know the best way not to experience trauma: Remain in your heart source. Trauma begins in your life when you come into your physical body before birth. Trauma is held in your body even before your soul enters it. Because trauma affects your energy bodies, typical psychological therapy "cognitive or behavioral" does not cure those effects. Trauma must be addressed in layers that

include all your bodies, energetic and physical. This is why resolving trauma takes much time. On the emotional level, you begin to doubt who you are. You might experience anxiety or depression and forget who you are. You worry about what is going to happen in life and whether things will ever get better. What does that do? It causes problems on the emotional and the spiritual levels because you forget the marvelousness of who you are. Your happiness and contentment come from within. It does not depend on your situation. After experiencing a trauma, everything has changed, and you have to find the new you. What you believe about yourself is going to assist your recovery. If you believe you are only useful if you can walk and now you can no longer walk, your life loses its meaning based on your beliefs. You need new beliefs. Focus on yourself during this healing process. You are the most important individual in this whole practice. When you do this for yourself, your healing affects others, increasing the light in the world.

When It Comes to Real Love - Sheremirah Jones 2012-02-01

"When It Comes to Real Love" is a collection of poems that offers a view of real-life experiences combining emotions and beauty with honesty. Author Sheremirah Jones captures the sheer happiness, sadness, and wistfulness of love; she offers an honest look at love-for better or worse. The poems evoke the gentle longing that comes from first love and the understanding that increases as love grows. She sees the hope of love of all types, from children, friends, as well as lovers. "When It Comes to Real Love" offers poems that speak to our very souls and take us on an emotional roller coaster of discovery of the way that we perceive and experience love. "I Need to Be I need to be where the beautiful things are. Where flowers flow and water ripples. Where old plan leaves catch the wind breeze. Where everything is quiet and at a stand still. I need to be there is meditation. I need to be where things feel alive. Where things talk but

don't actually have lips. But you can just vibe there conversation is happening. A place where love is so strong it's what you look like. This place is a feel good place. A restrain from all evil."

Love Is Not Afraid of What It Finds in the Dark - Alexandra Michelle 2018-11-14

"This is the tricky, exciting, sublime and terrifying form of life, in all its beauty..." This collection of poetry will lead you into the depths of human experience, from the mundane to the mystical. You are invited on this journey. Lush, romantic, life affirming, and full of wisdom; this book promises to deliver you to a place where all your questions finally feel like peace. *Love is Not Afraid of What it Finds in the Dark* is Alexandra Michelle's debut collection. She has been using the title phrase for years as a mantra, guiding her deeper and deeper into the heart. Excerpt from *Love is Not Afraid of What it Finds in the Dark*: About this book: "Everything you see here first appeared in my personal journals. Some poems I wrote as young as 17 years old, and some I wrote last week. Much of the poetry was written as an answer from my soul to the questions of my temporal human mind. You see, none of it was written my "me" in the strictest sense. These words came through me and demanded to be expressed. Earlier in my life I sought love as a remedy for abandonment, proof of worthiness. I sought love for the high of it and for romance, not knowing what love really is. Later in life, love revealed its true nature to me. Love is the essence of life-stuff and world-stuff. The reason electrons move around atoms. It is why we are here, even if the being-here of "we" is essentially a dream of eternity. Why would eternity bother to dream of us? Because of love. This book comes to you as an exercise of radical acceptance. It is the answer to the answer of my prayers. It is perfect in its imperfection. It holds the light of my mind. I hope it empowers you to look at everything, and love it!"

The Secret Place and Other Poems - Carolyn Fuller 2012

Come into that secret place, That secret place with me. Come into that secret place, My Spirit is waiting for thee. Where can we go from the love of God? Is there a place His love is not found, where His light won't go? There is no such shadowy corner. So why do we try? Carolyn

Fuller offers thankfulness and joy to the God who is never absent, bringing melody to His Majesty. In *The Secret Place and Other Poems: Songs of Praise and Restoration*, it becomes clear that we will only be found complete by the healing touch of God. We're restored through prayer, supplication, and love from Him and His people. *The Secret Place and Other Poems* shows us that there is no time or realm where His love does not exist, but that there is a place of refuge, a secret place for the soul.

The Playful and Powerful Warrior Within You! - G. J. Reynolds 2011

Reclaim your personal power and be the playful and powerful Warrior that God wants you to be. You are closer to realizing and having all of your goals, dreams, and aspirations than you realize. Find the love, peace, playfulness, and power inside of you to live a meaningful life on purpose with purpose. This book is a tool with the potential to evoke lasting life changes in the individual who reads it. This revelation had humble beginnings. Ten years ago, GJ Reynolds enjoyed great success as an entrepreneur. As a former soldier, he carried a tough exterior. Hidden underneath was a man suffering from deep depression and suicidal thoughts. He found healing through a commitment of his life to Christ, and choosing action rather than self-pity - a message he now shares with audiences around the country. Motivational speaker and author GJ Reynolds is redefining what it means to be a warrior. In his book, Reynolds encourages readers to find their own inner warrior by reclaiming their personal power and pursuing an authentic life in Christ. The book provides the tools Reynolds says that are necessary to live a meaningful life "on purpose, with purpose" which include: Put God First, Forgive Yourself, Live in the Now, Surround Yourself with the Right People, Be Playful and Find Your Purpose.

Love, Reason, and God's Story - David Cloutier 2008

Looking For Love In All the Wrong Places - Ida Greene, PhD 2014-07-01

We all crave and need love. We are starving for love, feel deprived and lonely without it. I will let you on the secret to fill your inner void for love. In this book I will give you a daily thought or

idea to awaken the love lying dormant inside you. As we walk around "feeling" like Earthlings... We notice that our feelings are stimulated by those wonderful romantic movies, and those juicy little novels, and even our fantasy-prone, fun loving and creative mind. We tend to forget that life, no matter what aspect of living we may be focused on 'is About Our Evolution, our evolution to find and give love.

International Handbook of Love - Claude-Hélène Mayer 2021-05-04

This handbook includes state-of-the-art research on love in classical, modern and postmodern perspectives. It expands on previous literature and explores topics around love from new cultural, intercultural and transcultural approaches and across disciplines. It provides insights into various love concepts, like romantic love, agape, and eros in their cultural embeddedness, and their changes and developments in specific cultural contexts. It also includes discussions on postmodern aspects with regard to love and love relationships, such as digitalisation, globalisation and the fourth industrial revolution. The handbook covers a vast range of topics in relation to love: aging, health, special needs, sexual preferences, spiritual practice, subcultures, family and other relationships, and so on. The chapters look at love not only in terms of the universal concept and in private, intimate relationships, but apply a broad concept of love which can also, for example, be referred to in postmodern workplaces. This volume is of interest to a wide readership, including researchers, practitioners and students of the social sciences, humanities and behavioural sciences. In the 1970s through the 90s, I was told that globalization was homogenizing cultures into a worldwide monoculture. This volume, as risky and profound as the many adventures of love across our multiplying cultures are, proves otherwise. The

authors' revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is. But that's what love does: It communicates what is; offers what can be; and pleads for what must be. I know you'll enjoy this wonderful book as much as I do! Jeffrey Ady, Associate Professor (retired), Public Administration Program, University of Hawaii at Manoa, Founding Fellow, International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium. It is a breath-taking attempt to synthesize our anthropological and sociological knowledge on love. It illuminates topics as diverse as Chinese love, one-night stands, teen romance or love of leaders and many more. This is a definitive reference in the field of love studies. Eva Illouz, author of *The End of Love: A sociology of Negative relationships*. Oxford University Press. "This is not a volume to be read in a single sitting (though I almost did, due to a protracted hospital stay), nor is it romantic or inspirational reading (though, in some cases, I had hoped for more narrative examples and case studies. Rather it is a highly diverse scholarly effort, a massive resource collection of research papers on love in a variety of contexts, personal and professional settings, and cultures. The work is well referenced providing a large number of resources for deeper exploration. We owe our thanks to the authors and editors of this "handbook" for work well done, though that word in the title should not lead readers to suspect that, enlightening as it is, this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives!" Love is... Simple - Jo March 2013-11
 You say you have only felt something close to this once before. I say the same. We sit on the

edge of the lock looking down into the water... We are about to get swept away in the fastest river with nothing to hold onto but each other. "Whatever happens," I ask you, "don't let go!" And you promise me to hold on. To hold on till the end. Overcome with love for one man, and devastated by the loss of another, Jo Wyatt finds herself on a journey: a journey of understanding and spiritual discovery; a journey to uncover the truth. Simultaneously tragic and hopeful, this is a romantic story about living, dying, and loving; but most importantly, about keeping the faith. *Love is Simple* tells what it really means to follow your heart.

Love is a Rose - Pamela S Thibodeaux

2020-04-30

Music is the magical entry into the spirit world; the golden gate into the Kingdom of God. But we mustn't be of the mindset that God only uses Christian music to reach out and touch our mind, heart and spirit. God uses any and every means available to speak to His children. Our job is to be open and receptive. In this devotional, Pamela S Thibodeaux shares how God opened her spirit to a deeper understanding of the abundance of His grace and mercy through the words of the song, *The Rose* sung by Country & Western artist Conway Twitty. Pamela offers *Seeds to Ponder* and a prayer as she parallels the love of God and the Christian life to each verse of the song.

Drop the Drama! - Guerin Moorman 2013-06-05

We all experience drama in one form or another. Whether it's relational conflicts, financial stress, addiction, anger, overeating, or any number of problems; drama is not something that happens to us, but something that happens within us. In whatever form we experience it, drama is ultimately the internal dialogue of wrestling against 'what is'. *Drop the Drama!* From *Drama Addiction to Simply Inspired Living* asserts that we become drama addicts, emotionally reacting to life, recreating life stories based on a limited understanding of who we really are. In an approach that transcends all spiritual paths, *Drop the Drama!* takes an alternative view of the ancient story of Adam and Eve challenging our traditional ways of viewing God, self, the nature

of reality, and ultimately revealing a new way of Simply Inspired Living for all humanity. Explore the root cause of suffering; The Drama Mind. Expose the symptoms of the Drama Mind and how it cloaks itself from our awareness. Drop the cycles of Shame, Blame, and The Drama Game. Discover 'The Quest', questions found in the story of Adam and Eve leading us out of drama and back to Simply Inspired Living. Drop the Drama! is not about providing more factual knowledge for the mind, or getting motivated to achieve certain results in life. It is about uncovering the stories we create, the discovery of who we really are, and unleashing a life that is simply inspiring. Are you ready to Drop the Drama?

Love is a Fire - Llewellyn Vaughan-Lee
2001-07-15

Based on live talks and meetings with Llewellyn Vaughan-Lee, this is an introduction to the passion and wisdom of the Sufi path of love. The call of the heart and how it draws us back to divine union is one of mankind's greatest secrets, and for the Sufi, this love is a fire that burns away all traces of separation. Vaughan-Lee teaches how to live this burning and describes stages of the path of love on the soul's journey home. Love Is a Fire includes descriptions of the "friends of God," early Sufi saints who burned with the fire of divine love, including Rumi, Ibn 'Arabi, and Rabi'a. It also introduces elements of the path and important tools that purify the wayfarer: tauba, the moment of the turning of the heart when the soul remembers its divine origin; dhikr, the central Sufi practice of remembrance of God through repetition of the name of God or a sacred phrase; meditation, a way of drowning thoughts in the fire of love; and dreamwork, a way of listening and attuning to the mystery of what is hidden within us—the stories of our deeper selves. This book is also available as an audio recording, Love is a Fire and I am Wood, published by Sounds True. "... forged in the fire of the heart, this is a book for all those who are looking for the direct way to connection with the Eternal Now. Simply to read this fine expression of a lifetime's longing is to feel aligned with the Divine Ground." —Anne Baring, coauthor, The Divine Feminine "... a gift to all seekers,

whatever path they are on." —Andrew Harvey, author, Light Upon Light: A Celebration of Rumi
Love Is a Story - Robert J. Sternberg
1999-06-03

In this groundbreaking work, Robert Sternberg opens the book of love and shows you how to discover your own story--and how to read your relationships in a whole new light. What draws us so strongly to some people and repels us from others? What makes some relationships work so smoothly and others burst into flames? Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us. Drawing on extensive research and fascinating examples of real couples, Sternberg identifies 26 types of love story--including the fantasy story, the business story, the collector story, the horror story, and many others--each with its distinctive advantages and pitfalls, and many of which are clashingly incompatible. These are the largely unconscious preconceptions that guide our romantic choices, and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships. As long as we remain oblivious to the role our stories play, we are likely to repeat the same mistakes again and again. But the enlivening good news this book brings us is that though our stories drive us, we can revise them and learn to choose partners whose stories are more compatible with our own. Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner. Are you a traveler, a gardener, a teacher, or something else entirely? Love is a Story shows you how to find out.
