

## Point Of Power A Relationship With Your Soul

**Your Soul's Compass** Joan Z. Borysenko, Ph.D. 2008-10-01 In this time of global change and uncertainty, of spiritual indirection, Americans are asking these age-old questions with renewed curiosity. There's a thirst for meaning and purpose—a dawning realization that happiness isn't a commodity that can be bought with a gold card. Fulfillment and joy arise naturally from creative and compassionate action-- from the understanding that all life is interconnected and guided by a higher intelligence. Our personal choices make a difference, and when they are spiritually inspired even the smallest action serves a larger whole. Sacred texts ranging from the Torah to the New Testament, the Tao Te Ching to the Buddhist scriptures, the Vedantas to the Koran, speak of making life-enhancing choices where a force greater than the individual flows through us and informs our thoughts and actions. In this book we'll focus on the three classic aspects of living such a spiritually guided life: (1) alignment: maintaining a direct and personal connection to the Source of our Being; (2) discernment: distinguishing the movement of Spirit in our lives from our own wants, fears and social conditioning; and (3) action: making our best, most inspired contribution to the evolution of life.

*Manifesting Love* Eddie Coronado 2017-06-19 This book includes 250 affirmations for manifesting love AND it includes a number of visualization scripts and success stories that will empower you to manifest your soul mate! If you have read my other books you know that I am a firm believer in the fact that the Law of Attraction always responds to persistent, committed action. It does so because it is a spiritual law that responds to human belief in the same way that the laws of nature respond to all who use them. And being a spiritual law, it works for everyone in the same way no matter how young or old a person is, or how rich or poor. Daily, committed action is the single factor that will determine your success with the Law of Attraction, whether you choose to manifest financial abundance, a satisfying career, or the love of your life. In fact, the phrase "Law of Attraction" contains the word ACTION, which means that your success with this spiritual power requires you to take committed, daily action by aligning your thoughts, words and feelings to your intention. Once you have transformed your beliefs about what is possible, your desire will show up in your life. Unfortunately, many people on this spiritual path read book after book about the Law of Attraction, yet they fail to take the daily, committed action that will help them manifest their desires. My goal is that you succeed with your intention to manifest true and lasting love, so I wrote this book as a clear guide that will provide you with easy-to-use, practical tools that will help you manifest your soul mate. In fact, the information in this book has helped many people attract a soul mate, and it can work for you, too. **WHAT THIS BOOK CONTAINS** This is not another Law of Attraction book filled with fluff and filler. It's an instruction manual that gets right to the point by explaining exactly what you must do to manifest your soul mate with the Law of Attraction. Using proven metaphysical practices, spiritual insights, and success stories, I explain how you can create your intention and then manifest your soul mate by using the tools of manifestation correctly and consistently. By the time you finish reading this book, you will know exactly what you must do to manifest a loving relationship. PART 1 of this book discusses the creative power of feelings and how you can use them to create the things and conditions you desire. This section also explains how to get clear about what you want by creating an Intention Statement and a list of desirable qualities that reflect your specific desires. PART 2 discusses the dynamic power of the spoken word and explains how you can use your words to shape your destiny. It also contains a list of 250 spoken affirmations that will enable you to harness the power of the spoken word to manifest the love of your life. PART 3 explains how you can use visualization to manifest your soul mate. It also contains a number of detailed visualization scripts and success stories that will inspire you to use your imagination to create the life of your dreams. PART 4 includes a detailed question and answer section that addresses some of the most important questions that relate to manifesting love. And PART 5 explains how you can implement a Law of Attraction action plan for love and romance.

*Spice up Your Soul* Jenny Cailing Pugh 2020-04-08 The objective of this book is to inspire and to remind us of our true nature and value as human beings. The author, Jenny Cailing Pugh had spent decades and most of her life searching, researching, introspecting and studying the essence of being human and she had come to the conclusion that the soul is the link that catapult human lives from any misery that humans experience in the material world to the Higher Self and Purpose of life. The book shows the way to create miracles in your individual life when you feel like your situations become so difficult and beyond your control. Once in a while if not often most people would find themselves entangled in life's various problems in any areas such as financial difficulties, relationships in family and loved ones, failures in career and business and many more as you continue to journey in life. Many people just exist and drift by in life without direction because they are disconnected from the essence of their being, they forget, worse have no idea that they have a power within them that is all-knowing and that could create miracles in their lives if only they had learned to reach deep down within them, to the powerful essence of their existence. Read my book and be blessed.

*Your Soul's Love* Robert Schwartz 2021-04-03 In his groundbreaking first book, *Your Soul's Plan: Discovering the Real Meaning of the Life You Planned Before You Were Born*, Robert Schwartz ([yoursoulsplan.com](http://yoursoulsplan.com)) brought the concept of pre-birth planning into the mainstream. In his second book, *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, he dove even deeper by examining the pre-birth planning of other common life challenges. Now, in his third book, *Your Soul's Love*, he explores the pre-birth planning of challenges related to romantic relationships or their absence: infidelity; impotence; raising children alone after the death of one's partner; being single; and celibate relationships. Working again with several gifted mediums and channels, and this time incorporating the Between Lives Soul Regressions he does as a skilled hypnotist, Schwartz brings forth great wisdom and love from "the other side" to explain why we plan such experiences before we are born. Through the stories in *Your Soul's Love* you can: -Cultivate greater love and respect for both your partner and yourself -Empathize more deeply with your partner -Forgive your partner and yourself for any pain caused, thus healing your relationship -See how your romantic relationship fosters your and your partner's evolution -Replace resistance and suffering with abiding joy and peace

*Soul Signs In Love* Diane Eichenbaum 2001-02-08 Do you believe that the key to finding your soul mate is only in your stars? That you and your partner must have compatible Sun signs if romance is going to thrive? Not so! The truth is that many couples who seem ideally matched astrologically don't sustain a loving relationship. While most astrology books may tell you that true love is a matter of fate, Diane Eichenbaum's *Soul Signs in Love* shows you that you have the freedom to create the relationship that's right for you. Eichenbaum reveals that relationships involve a combination of factors: destiny, an understanding of each partner's sign, and the willingness to work through the highs and lows of love's natural progression. Each of the twelve signs of the Zodiac corresponds to a phase of a romance, from passionate court-ship, represented by fiery Aries, to the commitment and soul bonding of watery Pisces. Each Sun sign has its gifts (the discernment of Virgo or the enthusiasm of Sagittarius, for example) and its corresponding challenges (the self-doubt of Taurus or the unpredictability of Aquarius) that it brings to a relationship. By understanding that the choice to love and grow with your partner is yours and yours alone, *Soul Signs in Love* shows you how to enjoy and revel in the unfolding process of discovery and revelation that underlies lasting love.

**Your Soul's Gift** Robert Schwartz 2012-04-11 In his groundbreaking first book, *Your Soul's Plan*, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel *Your Soul's Gift* delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from the other side to explain why such experiences are planned and the deep, soul-level healing they can create. *Soul Friends* Stephen Cope 2017-04-04 "Most of us will have many friends throughout our lifetimes—friends of all shapes, sizes, and callings. Many of these are wonderful, meaningful friendships. Some are difficult. But some magic few of these are connections that have gone right to our soul. These five or seven or ten friendships have been powerful keys to determining who we have become and who we will become. . . . These are the people I call Soul Friends." As the Senior Scholar-in-Residence for over 25 years at the renowned Kripalu Center, Stephen Cope has spent decades investigating—and writing about—the integration of body, mind, and spirit and the rich complexity of our relationships with others, and with ourselves. Perhaps the central truth that arises from his work is this: human beings are universally wired for one thing—vital connection with one another. *Soul Friends* invites us on a compelling journey into the connectivity of the human psyche, the study of which has fascinated scholars, philosophers, and thinkers for centuries. Cope seamlessly blends science, scholarship, and storytelling, drawing on his own life as well as the histories of famous figures—from Eleanor Roosevelt to Charles Darwin to Queen Victoria—whose formative relationships shed light on the nature of friendship itself. In his exploration, he distills human connection into six distinct yet interconnected mechanisms: containment, twinship, adversity, mirroring, identification, and conscious partnership. Then he invites us to reflect on how these forms of connection appear in our own lives, helping us work toward a fuller understanding of "who we have become and who we will become." Without a doubt, the journey to our most fulfilled selves requires us to look within. But in order to truly thrive, we must make the most of who we are in relation to one another as well. Unsparingly honest, deeply wise, and irresistibly readable, *Soul Friends* gives us a map to find our way.

*Loving from Your Soul* Shepherd Hoodwin 1995 People everywhere are looking for a higher perspective on love than the popular view of romance. *Loving from Your Soul - Creating Powerful Relationships*, an inspiring and unusual book by Shepherd Hoodwin, goes to the core of the issue by exploring the nature of love itself. It is a collection of discourses and counseling Hoodwin channeled from the Michael entity that views love as an eternal reality not dependent on other people or situations - it is something we can learn to access all the time through connecting directly with our soul. Michael is well-known to readers of metaphysical books. There are several Michael books in print, from the work of various channels, and most of them deal with a technical body of information called the Michael teachings. However, *Loving from Your Soul* is not a technical book. It deals with topics such as sexuality, anger, body image, loneliness, boundaries, listening, friendship, finding a mate, and alternative lifestyles. These subjects are framed within a larger context of explorations such as "Loving Yourself," "Being at Your Source," "Different Ways of Loving," "Oneness," "Communicating Your Whole Being," and "Expanding Love." According to *Loving from Your Soul*, "Love is a unified experience that does not cut off any portion of your reality. When you are loving yourself, you are loving others. When you are loving others, you are loving yourself. When you are having joy in what you are doing, you are giving joy to the world - there is no separation between you and the world." "What does it mean to love and to be loved? People everywhere are seeking a higher perspective than the popular view of romance. This outstanding book goes to the core of the issue by illuminating the nature of love itself as a reality that is always available. Topics include sexuality, anger, body image, loneliness, boundaries, listening, and finding a mate, framed within a larger context. With vibrant clarity, it will have a resounding impact on the way we look at love from now on." -Sheila Andersen, *Leading Edge Review* "This book positively radiates love. There is genuine wisdom here." -Key Carey, author of *The Starseed Transmissions* *Loving from Your Soul* is quite beautiful. Michael comes through loud and clear. I'm delighted that Michael is around." -Ram Dass, author of *How Can I Help?* and *Be Here Now* "This is channeling at its best. *Loving from Your Soul* is more than just excellent-it captures a lovely combination of compassion and intellectual

clarity." -John Friedlander, author of *Psychic Psychology* "Loving from Your Soul is superb and brings great joy. It touches the profound depths of who we are. It is far and away the best book on love I have ever read, exploring how we can love from the deepest and strongest part of ourselves. I experienced tears of recognition as I read it." -Mayo Gray, author of *The Savage Season* "The truths emerge powerfully in this loving, compassionate material. A wonderful experience." -Catalyst

**Discover Your Soul Template** Marcus T. Anthony 2012-02-22 How to create the life you want in alignment with your soul's purpose • Reveal your soul aptitudes, limiting behaviors, and past-life karmic issues • Discover 14 easy-to-use spiritual tools to strengthen your intuition to profound levels and develop an inner source of guidance and wisdom for any situation • Learn why the Law of Attraction doesn't work for most people and how to make it work for you Like an enlightened spiritual teacher, you, too, can tap in to the infinite wisdom of the cosmos to create a life of deep meaning and purpose. The key is integrated intelligence--your innate capacity, often experienced as "intuition," to instantly draw upon knowledge beyond the confines of the five senses, from past, present, and future. Integrated intelligence enables not only a connection to the wisdom of the universe but also access to your soul template, revealing your self-limiting behaviors, karmic issues from past lives, and soul aptitudes--the abilities at which you excel. With knowledge of your soul template, you can successfully create the life you were meant to live in alignment with your soul's purpose. Providing 14 easy-to-use spiritual tools to activate your integrated intelligence, Marcus Anthony shows you how to tap in to the wisdom of your soul template, distinguish the voice of ego from the voice of your inner sage, and strengthen your intuition to profound levels, thereby developing a trusted inner source of guidance. Explaining how the mind is not a shallow pond but an ocean of competing voices and energies, he reveals why the Law of Attraction doesn't work for most people: any vision you attempt to manifest must be aligned with your soul template or the competing voices will act against it. Revealing how to bring the mind into presence to get "the secret" to work for you, Anthony shows how to use integrated intelligence to identify and live your true calling and create the life you want while fulfilling the deeper needs of your spirit.

**Nature and the Human Soul** Bill Plotkin 2010-10-04 Addressing the pervasive longing for meaning and fulfillment in this time of crisis, Nature and the Human Soul introduces a visionary ecopsychology of human development that reveals how fully and creatively we can mature when soul and wild nature guide us. Depth psychologist and wilderness guide Bill Plotkin presents a model for a human life span rooted in the cycles and qualities of the natural world, a blueprint for individual development that ultimately yields a strategy for cultural transformation. If it is true, as Plotkin and others observe, that we live in a culture dominated by adolescent habits and desires, then the enduring societal changes we so desperately need won't happen until we individually and collectively evolve into an engaged, authentic adulthood. With evocative language and personal stories, including those of elders Thomas Berry and Joanna Macy, this book defines eight stages of human life — Innocent, Explorer, Thespian, Wanderer, Soul Apprentice, Artisan, Master, and Sage — and describes the challenges and benefits of each. Plotkin offers a way of progressing from our current egocentric, aggressively competitive, consumer society to an ecocentric, soul-based one that is sustainable, cooperative, and compassionate. At once a primer on human development and a manifesto for change, Nature and the Human Soul fashions a template for a more mature, fulfilling, and purposeful life — and a better world.

**Prosper Your Soul, Beloved** Vicki Heymann 2020-12-03 Beloved I pray that you may prosper in all things and be in health, just as your soul prospers 3 John 2 (NKJV) It has been a dream of mine to prosper financially using biblical principles. I prayed about it, and then one morning, the Lord told me that it was time and that He would teach me. He instructed me to wait on Him every morning and to write down the things He taught me. I followed His instructions, guidance, and wisdom, writing it all down for a full year. This book is the result of our time together. To my surprise, this became a book of many books! The Lord would guide me to a specific book, teach me from it, and then move on to the next book. It was totally supernatural! As I followed the leading of the Lord, it became clear to me that God was taking me on a year-long journey of prospering my soul, which in turn would influence my financial situation. I learnt that I could not prosper in any given area unless my soul prospered in that area too, hence the book's title. This book takes many twists and turns, and even has a few surprises. Did I reach my goal of financial prosperity? You have to read it to find out!
