**Marriage That Works** - Chip Ingram 2019-02-05

When it comes to marriage these days, anything goes. No wonder you can find a book on marriage from every perspective--or no perspective. How can you experience a great marriage that lasts? What works? This book answers that question by

shining a light on the biblical design for marriage. In a world of sexual and relational confusion, isn't it time to consult the One who created marriage? Author and pastor Chip Ingram, with his characteristic compassion, transparency, and engaging storytelling, discusses - what marriage really is - the biblical model - a man's unique role in marriage - a woman's unique role in marriage - the bigger picture of why God created marriage A marriage that works, says Ingram, is more wonderful than you thought possible and harder than you imagined--but worth the work. Couples will learn the power of making a covenant with their spouse and fulfilling their design in an atmosphere of respect, resulting in the spiritual, psychological, emotional, and physical oneness they long to have with each other.

*Love between Equals* - Polly Young-Eisendrath, Ph.D.  
2019-01-15

Learn how to successfully negotiate conflicts and deepen our most intimate relationships in this practical and thoughtful guide by an experienced Buddhist teacher, psychotherapist, and couples counselor. A committed relationship, as most people see it today, is a partnership of equals who share values and goals, a team united by love and dedicated to each other's growth on every level. This contemporary model for coupledness requires real intention and work, and, more often than not, the traditional archetypes of relationships experienced by our parents and grandparents fail us or seem irrelevant. Utilizing the wisdom of her years of personal and professional practice, Young-Eisendrath dismantles our idealized projections about love, while revealing how mindfulness and

communication can help us identify and honor the differences with our partners and strengthen our bonds. These practical and time-tested guidelines are rooted in sound understanding of modern psychology and offer concrete ideas and the necessary tools to reinforce and reinvigorate our deepest relationships. *Renewing of Your Mind & Spirit for Marriage* - Marlena Flowers 2011-05

I would like to personally Thank you for accompanying me through my journey of being single! For the inside scoop on how "Renewing of Your Mind & Spirit for Marriage" manifested. It started out, as a collaboration of my thoughts, prayers, lessons learned and experiences in dating. I wrote my book from a different perspective, in that it was written as things unfolded. I did not know what was going to be next or what would happen at the end of the situation - which is just one of the things that makes this book so special! This book was not

written only for singles, or women, but was written for anyone who wants a relationship to work! It is for anyone who need Jesus Christ in their relationships, for anyone who is bound and afraid to love and to be loved, for anyone who had the tragic experience of divorce, as well as for those who are already married. My prayer for all readers is that as you take a glimpse into my experiences and lessons learned that Christ would speak to your situation. That He will lead you on your own incredible journey, teaching you how to be a husband or a wife. I pray that He will renew your relationships, marriages and heal your brokenness. Lastly, that He will renew your mind and spirit and free you to be loved and to give love because Christ is love. With Sincere Blessings, Marlena R. Flowers A.K.A Resse
