"I was amazed by the ending...a must read book... it will not disappoint." - Happy Amazon Reader The Thrilling Conclusion to the Ruthlessly Obsessed Duet! Since our divorce, my ex-husband has become one of the most powerful crime bosses on the eastern seaboard. He's not someone you want to cross, and I did a good job of avoiding him for five long years. But then I lied to him. When he caught me in that lie, I admitted it. Finally told him the truth. And he immediately made me his prisoner. Because Luca Ferraro doesn't forgive and he doesn't forget. And as far as he's concerned, revenge is best served twice. But I'm going to get out of his prison. I am determined to escape. I just don't know if I'll be able to get away with my heart intact. Or my soul. Yeah, I think it's pretty safe to say... Worst Divorce Ever. **READER WARNING:** This is a second chance romance gone dark. **DO NOT** finish this tale of ruthless love and obsession unless you are fully prepared for a hero who will stop at nothing to get his ex-wife back. Bring some tissue and some cuss words, and don't ever say we didn't warn you. *Love Reckless Life's Ruthless* - Ashley Hausen 2021-05-06

There are painful moments or experiences in life that we all have to endure. Almost impossible to accept and hard to move on from. You can forget

everything and run or face everything and rise. Grief breaks and changes someone, and love heals them. But nothing is ever the same. This is my journey through life's hard lessons through poetry.

I'm the girl nobody sees.That is, until I move next door to Parker High's most eligible bastard, Tristan Blackwood.He's gorgeous. Eyes as cold as moonlight. Lips made for cruel kisses. The entire town knows it, too. Apparently being able to throw a football elevates you to god status around here.He could have anything he wanted. Anyone.But somehow, all he wanted was to torment me.Me, trapped in my mom's protective bubble: homeschooled and invisible, stuck in a wheelchair and saddled with more medical issues than I could count. Normal? I might as well wish to be a fairytale princess.There aren't any princesses or knights in my fairytale. Just the dark prince who lives next door. Parker High royalty in the flesh. My very own devil in a letterman jacket. His life should be a dream, but the only thing he cares about is becoming my nightmare.And when my pride isn't enough for him, he decides he wants my body.He wants my heart.He wants every last inch of me to himself.

RUTHAt 19, I thought I would be the attending college, living in a dorm, pledging to a sorority and making googily eyes over the hot professor of my criminal law class.Not becoming the heir to one of the biggest mob organizations in America. My name is Ruth. And I am now the Queen of the Alpha Omega Cartel. Dad didn't exactly tell me that our successful family business was the front of the Alpha Omega Cartel. I thought we were a mom-and-pop family food business that did so well, we diversified into other areas... not the Cartel!RIFTThe Godfather had fallen, and now it was time to do

some restructuring, but we have a problem. The reign had fallen into the hands of his daughter, Ruth, the host pretty blonde princess who never got her manicured fingernails dirty being a part of her daddy's dirty business. When I first laid eyes on her at her 16th birthday party, and I was 18, she took my breath away. That was before I learned the truth, and now I want revenge.

Ruthless Love, Part II - Yuwanda Black 2019-04-25

PREFACE Charity was finally starting to feel secure in the love she and Jag shared -- until his brother dropped a bombshell that shook the foundation of what they shared. She started to question all over again why Jag would be interested in her, when his first wife was so different? Shaylene was white and skinny? She was curvy and black? And he'd obviously loved this woman; had grieved her for years. So why had he clung to her so quickly? Was he tired of being alone? She'd seen the devastation in his eyes as he recounted what his brother had revealed, in essence bringing his dead wife, Shaylene, back to life to impact their

relationship as if she'd been a living, breathing entity walking the earth. Had Jag every really gotten over her? Would he ever? Would Charity always be second in his heart to his first wife? Charity realized that until she knew the answer to these questions, she'd never be able to fully commit to him. Then she buried her face in her hands at the irony of it all. He'd just told her that he didn't even know if he ever wanted to get married again ... and here she was trying to decide if she could ever commit to him. How much had changed in just 24 hours. ### Jag thought he'd cut his family out of his life for good when he married Shaylene all those years ago. And now, he had a second chance at love. He'd found the kind of happiness with Charity that no man deserves twice in a lifetime. ... And twice in a lifetime his family threatened to destroy it. *** "Trust me Jag, you never quite know the woman you're sleeping with." "You vindictive bastard! After years of not laying eyes on you, what makes you think you have a prayer in hell of me believing anything that comes out of your lying, scheming mouth?" "Because I can prove it," his brother said, "... every word of it." Jag felt his blood streaming through his veins like a comet streaking through the sky. Even though he hadn't seen his older brother in years, he knew him well enough to know when he was lying, and something told him he wasn't lying about this. But it couldn't be true. It just couldn't. If it was ... sweet creator of the heavens, help him if it was! Jace saw the look in his brother's deep-set, grey-green eyes. Even though he was older by almost six years, Jag had always been the more studious, more serious, more focused one. It was why their father had pegged him to be the controlling heir to the Hollander fortune - that is, before Jag had married Shaylene. Jace saw the war raging in his

brother. Jag didn't want to believe what he was saying, but some part of him knew that he had to; that he had too much riding on it not to. "You'd better be able to prove every word, or you're a dead man," Jag threatened. ### Charity sprinted to the front door, blood on her hands and the lavender cotton night top she wore. She tried to open the door, her bloody hands slipping on the knob. She quickly ran them down the side of her matching lavender night shorts to dry them so she could grip the door better. Finally, it opened. She pointed at Jag. "His head," was all she said before two firemen rushed passed her. Within seconds, they were working on Jag. In the meantime, police officers pelted her with questions. What happened? How long ago? Jag's name? Age? How much did he have to drink? Over how many hours? The rapid-fire questions kept coming. She knew Jag had gone to see is father earlier and all she could think was, "What the hell had gone on?" ### Will Jag's powerful family destroy his and Charity's newfound happiness before it has a chance to fully bloom? The secret his brother reveals guts everything Jag has believed in for the last 17 years, and puts his relationship with Charity in a line of fire neither one of them is sure it can survive.

Ruthless Love - David Sutcliffe 2019-07-01

These poems explore loss through one man's experience. His honesty will encourage readers to reflect on the losses they may have faced, and the vivid celebration of life will inspire us to cherish the people we say we love. The collection neither delineates the stages of grief nor is it a map by which we may discover our own precise location in the spiraling path of sorrow. Rather, it is an eyewitness account of many of the bizarre locations reached in the strange wilderness of bereavement.
