The Sexual Addiction - Patrick Carnes 1983

Your Sexually Addicted Spouse - Barbara Steffens 2021-06-07

Sexual addiction and compulsive sexual behavior often steal a person's ability to achieve emotional or sexual intimacy. Both addicts and their partners may suffer in isolation, ashamed and afraid, not knowing where to turn for help. *Your Sexually Addicted Spouse* shatters that stigma and shame and provides understanding and empathy for the addict and his or her spouse. Barbara Steffens' groundbreaking research was the first to show that partners are not codependents but post-traumatic stress victims, while Marsha Means' personal experience provides insights, strategies, and critical steps to recognize, deal with, and heal partners of sexually addicted relationships. Firsthand accounts and stories reveal the impact of this addiction on survivors' lives. Chapters end with "On a Personal Note" questions and propose new paths that lead from trauma to empowerment, health, and hope. Useful appendices list health and mental health care providers and clergy. Barbara Steffens, PhD, LPCC, CCPS, CPC specializes in helping women recover from sexual betrayal and is a sought-after speaker and presenter on special issues related to partners of sexual addicts. She was the founding President of the Association for Partners of Sex Addicts Trauma Specialists, an organization that provides training and certification of Clinical Partner Specialists and Partner Trauma Coaches. She has counseled and coached betrayed spouses/partners for over twenty years and her research on trauma after betrayal has changed the field. Barbara also consults with other professionals and provides training for those who want to help partners heal. Marsha Means, MA, founder and director of A Circle of Joy Ministries, is trained as a Marriage and Family Therapist, and writes and

speaks on the topic of betrayal trauma and sex addiction. Her work is based on both her personal and professional experience. She has written several books on the topic. Marsha and her team of coaches offer individual and group support for partners of sex addicts. In addition, Marsha facilitates couple's groups to help them learn to heal the damage done by betrayal trauma.

[Getting Real about Sex Addiction](#) - Graeme Daniels 2022-02-15

This groundbreaking, engaging clinical resource for psychotherapists, sex therapists, and related clinicians is replete with rich and empathetic case material and offers a practical, powerful argument for using psychodynamic approaches when working with sex addicts and their partners to achieve long-lasting relational results.

Sexual Anorexia - Patrick J Carnes 2009-08-07

A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual behavior and recovery. A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual behavior and recovery. Author Dr. Patrick Carnes begins by defining sexual anorexia and demonstrating how it and its parallel disorder, sexual addiction and compulsivity, often arise from a background of childhood sexual trauma, neglect, and other forms of abuse, Carnes explores the numerous dimensions of sexual health, examining key issues which must be addressed and resolved for recovery to proceed. Utilizing extensive research and elucidating case studies, Carnes develops concrete tasks and plans for restoring nurturing and sensuality, building fulfilling relationships, exploring intimacy, and creating healthy sexuality. Woven throughout the book are stories of recovery which illustrate sexual healing principles, model new behavior, and support motivation for

change. Sexual Anorexia enables those suffering from this disorder to recognize that sex need not be a furtive enemy to be fought and defeated but, instead, a deeply sensual, passionate, fulfilling, and spiritual experience that all human beings are innately entitled to.

Sex Addiction 101 - Robert Weiss 2015-10-27

As technology and the internet have become more accessible, the number of affordable, easy links to pleasurable sexual content and activity has increased with it, and so too has the number of people struggling with sex, porn, and love addiction. Unfortunately, very few people possess a comprehensive understanding of this incredibly complicated disease. *Sex Addiction 101* covers everything from what sexual addiction is and how it can best be treated, to how it affects various subgroups of the population, such as women, gays, and teenagers, to how sex addicts can protect themselves from the online sexual onslaught. *Sex Addiction 101* is intended to enlighten the clinical population as well as actual sex addicts and their loved ones. Along with his mentor Patrick Carnes, Weiss has become the face of and driving force behind understanding and treating sexual addiction; this book should be a core title in every addiction collection.

The Myth of Sex Addiction - David J. Ley
2014-07-10

In this controversial book, David Ley debunks the myth of sex addiction, showing how labeling it a disorder has wrested responsibility away from philandering men and excused their bad behavior as being out of their control. He takes on those who would label it a disease and ch...

In the Shadows of the Net - Patrick J Carnes
2009-07-30

The much-anticipated second edition of the breakthrough book about recovering from online sexual addiction. As the Internet becomes a more powerful, imposing force in our lives, indeed becoming difficult to avoid, the potential for related problems also increases. This includes troubles of a sexual nature. When accessing porn no longer requires even a trip to the store, when we can view and participate in sexual activities anonymously, when younger and younger children are being exposed to sex online, when virtual interactions take over, limiting and even destroying real-time

relationships, we are in crisis. Compulsive online sexual behavior is a real and growing problem. Yet the situation is not without hope. For those who are seeing signs of significant online problems in themselves or a loved one, this updated second edition of *In the Shadows of the Net* provides answers, understanding, and tools for recovery. With the latest statistics, discussion of recent technologies and devices, and new thinking on developing a healthy relationship with the Internet and avoiding relapse, this book offers authoritative, professional advice for achieving lasting, healthy change and healing.

Compulsive Sexual Behaviours - Silva Neves
2021-05-10

Compulsive Sexual Behaviours offers a unique approach to the struggles people face with their out-of-control sexual behaviours. This comprehensive guide is deeply rooted in the science of sexology and psychotherapy, demonstrating why it is time to re-think the reductive concept of 'sex addiction' and move towards a more modern age of evidence-based, pluralistic and sex-positive psychotherapy. It is an important manual for ethical, safe and efficient treatment within a humanistic and relational philosophy. This book will be an important guide in helping clients stop their compulsive sexual behaviours as well as for therapists to self-reflect on their own morals and ethics so that they can be prepared to explore their clients' erotic mind.

Mirror of Intimacy - Alexandra Katehakis
2016-05-18

Winner of the 2015 Book Award from AASECT (Association of American Sexuality Educators Counselors and Therapists) and the 2016 Clark Vincent Award from CAMFT (California Association of Marriage and Family Therapists.) "Mirror of Intimacy" contains a year's worth of daily essays that explore and support the range of human sexualities as a divine gift and a human right. The reflections reference a rich array of approaches: attachment theory, mind/body nexus, neurobiology, 12-step principles, meditation techniques, Eastern and Western philosophy, and ancient world myths. Unfettered by cultural, social, or religious norms, the authors examine 366 topics related to sex and sexuality that, together, might point

us in the direction of what comprises healthy, great sex.

Erotic Intelligence - Alexandra Katehakis
2010-04-05

In the journey to sexual sobriety, many recovering sex addicts find themselves wondering, "Will I ever have an exciting and fulfilling romantic relationship?" or "Can I repair my marriage now that I've confessed my destructive behavior?" and "Will I ever have great sex again?" The answers to all three questions are, "Yes, yes, and yes." As a sex, marriage, and family therapist, Alexandra Katehakis has helped thousands of recovering sex addicts and their partners discover and hone their "erotic intelligence," or their ability to make sexual choices that affirm life in healthy, imaginative, and exciting ways. By embracing their erotic intelligence, they can make sense of the past, create new and healthy habits in the present, and look toward a more intimate, erotic, and spiritual relationship in the future that nurtures honesty and closeness. With Katehakis' help, sex addicts can get in touch with their healthy sexual side—and when they are ready, be able to embrace true intimacy and acceptance in themselves and in their partners. With exercises, practical tips, and true stories of both singles and couples who have been successful on their path, *Erotic Intelligence* is a must-read for those in recovery and those who love them.

A Gentle Path through the Twelve Steps - Patrick J Carnes 2012-06-01

A revised and expanded edition of the recovery classic by Patrick Carnes, Ph.D., a leading expert on addictive behaviors. A revised and expanded edition of the recovery classic by Patrick Carnes, Ph.D., a leading expert on addictive behaviors. The Twelve Steps tap into the essential human process of change and will be regarded as one of the intellectual and spiritual landmarks in human history. --Patrick Carnes It was out of his reverence and respect for the wisdom and therapeutic value of the Twelve Steps that Carnes wrote *A Gentle Path through the 12 Steps*, now a recovery classic and self-help staple for anyone looking for guidance for life's hardest challenges. Hundreds of thousands of people have found in this book a personal portal to the wisdom of the Twelve Steps. With updated

and expanded concepts and a focus on the spiritual principles that lead to lifelong growth and fulfillment, Carnes' new edition invites a fresh generation of readers to the healing and rewarding experience of Twelve Step recovery. 'A treasure chest, a rich and powerful resource for anyone working a Twelve Step program.' -- Wendy Maltz, M.S.W. 'This book emphasizes the common themes at the heart of all Twelve Step fellowships and offers an especially clear explanation of what 'working the program' means.' --Claudia Black, Ph.D. Patrick J. Carnes, PhD, is the founder of the International Institute for Trauma and Addiction Professionals (IITAP) and Gentle Path Press. His extensive background in the field of addiction therapy led Dr. Carnes to develop multiple cutting-edge recovery programs aimed at treating addictive disorders. He serves as executive director of the Gentle Path Program, a residential treatment program for sexual addiction in Hattiesburg, Miss. With more than 30 years in the sexual addiction treatment field, Dr. Carnes continues to spread his extensive knowledge as a speaker, presenter and interview subject. His assessment tools and related materials deliver an unprecedented approach to addiction recovery for practitioners of addiction treatment and sexual addicts.

Out of the Shadows - Patrick J Carnes
2009-06-21

Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, *Out of the Shadows* is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. *Out of the Shadows* is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. Treating Out of Control Sexual Behavior -

Douglas Braun-Harvey, MA, MFT, CGP, CST
2015-11-05

Out of control sexual behavior ñ referred to variously as "sex addiction", "sexual compulsivity", and "hypersexuality", among other terms, has been a controversial and attention-getting issue since it first captured both public and professional attention over 30 years ago. Previous discussions of this behavior have been grounded in conceptualizing it as a pathologized, medical issue on par with substance abuse addictions, or, in backlash, as simply irresponsible behavior indicating weakness in the individual. In keeping with the call from many leaders in the mental health and sexual health areas to move beyond these two polarized conceptualizations of these sexual behavior problems, the authors present a model for working with clients in both group and individual treatment settings. Based on their experience with hundreds of clients, this book provides a comprehensive and practical conceptualization of out of control sexual behavior framed as a sexual health problem within a larger model of human behavior, not a psychiatric or addictive disorder. The book includes step-by-step tools for assessment, treatment planning as well as treatment implementation. It describes a process for professionals to guide clients to define and be accountable for their own personal vision of sexual health as the foundation on which they regain sexual behavior control. The authors provide rich and varied composite case examples based on 20 years of clinical experience that demonstrate clinician sexual health treatment conversations and tools, as well as stories of hope and guidance so essential to individuals

wanting to understand how sexual health can be the essential ally in changing their sexual behavior.

Sexual Addiction: Wisdom from The Masters -

Carol Juergensen 2016-07-13

This ebook shares the wisdom from the most prolific sexual addiction experts in the world talking about sexual addiction, shame, trauma, trauma reenactment, partner betrayal, partner pain, love addiction, and other issues that contribute to compulsive sexual acting out. Two of the chapters include Patrick Carnes who founded the Sexual Addiction Recovery Movement and Claudia Black who helps Partners of Sex Addicts regain their equilibrium from this traumatic disorder. This book simplifies the principles that make recovery possible for anyone who has been affected by sexual addiction. If you believe that you have a sexual addiction or you love someone who suffers from this addiction, you will benefit from reading the recovery tasks that will take your life to the next level!

The Serenity Prayer WORKBOOK - Mary

Anne Fifield 2013-06-30

Many a 12-Stepper recites the Serenity Prayer at meetings and privately, but they do so merely by rote (i.e., the mechanical repetition of something so that it is remembered, often without real understanding of its meaning or significance?, from MacWord Dictionary). As powerful as the Prayer is, the recovering person typically has little opportunity to learn how to tap into that power. The Serenity Prayer WORKBOOK is designed to remedy exactly this dilemma. This workbook introduces a method that can be used in all of life's challenges and is a tool to teach you how to take life on life's terms. As any recovering person knows, the 12th Step teaches that the principles of the Steps are to be practiced in all the affairs of life. This workbook will add a tool to help you do just that.

The Art of Sex Therapy Supervision - James

C. Wadley 2018-08-06

The Art of Sex Therapy Supervision is a collection of scholarly writings and case narratives that sheds light on issues that sex therapists face as supervisors or supervisees and provides techniques that can be adapted to fit clients' specific needs. Written by experts in a range of fields, this book covers a wide range of

perspectives and methodologies for assisting diverse populations, including conservative Christians, LGBTQ clients, and those who exhibit out-of-control sexual behavior. It addresses individual, relational, and systemic engagement in the context of sexual function/dysfunction, and it also discusses obstructions clinicians can face when providing critical feedback to clients. This book will be useful for aspiring supervisors as well as those who supervise clinicians seeking licensure or certification.

Sex Addiction - Paula Hall 2019-02-04

Sex Addiction: A Guide for Couples and Those Who Help Them is a practical book that provides empathic support, guidance, information and pragmatic strategies for couples who want to survive sex and porn addiction - whether that's together, or apart. Sex and porn addiction devastates couple relationships, and unlike the impact of infidelity, there is no 'before' to get back to and no 'after'. This book adopts the metaphor of a boat, presenting addiction as the tidal wave that devastates the relationship, leaving both crew members fighting for survival. There's guidance to ensure each partner makes it safely back to shore and advice on surveying the damage to your relationship and deciding if you want to save it and set sail again. You'll find practical advice for both the partner and the addicted partner, including first-hand accounts of couples that have already undertaken the journey. There are exercises to do alone, and many to share together, to help you understand

what's happened, consider your future, and if you choose to stay together, begin the task of rebuilding trust and intimacy. Sex Addiction is not only a practical guide for couples, but also for the therapists who support them. This book will be a companion to Paula Hall's previous books on sex addiction and builds on the already known frameworks and models used, but it is also written to stand alone.
