Stealing All Transmissions - Randal Doane 2014-10-15

Stealing All Transmissions is a love story. It's the story of how The Clash fell in love with America, and how America loved them back. The romance began in full in 1977, when select rock journalists and deejays aided the band's quest to depose the rock of indolence that dominated American airwaves. This history situates The Clash amid the cultural skirmishes of the 1970s and culminates with their September 1979 performance at the Palladium in New York City. This concert was broadcast live on WNEW, and it concluded with Paul Simonon treating his Fender bass like a woodcutter's ax. This performance produced one of the most exhilarating Clash bootleg recordings, and the photo of Simonon's outburst which graced the cover of the London Calling LP was recently deemed the greatest rock'n'roll photograph of all time. That night marked one of the last opportunities for American audiences to see The Clash as a punk band, teetering between conviction and uncertainty, before they became a seriously brilliant rock group. Stealing represents a distinctive take on the history of punk, for no other book gives proper attention to the forces of free-form radio, long-form rock journalism, or Clash bootleg recordings, many of which are now widely available on the web. This story, which takes its title from the 1981 single "Radio Clash," includes original interviews with key figures from the New York punk scene. This secret history concludes with an analysis of how we listen to music today and its impact on the written word.

The Rough Guide to Rock - Peter Buckley 2003

Compiles career biographies of over 1,200 artists and rock music reviews written by fans covering every phase of rock from R & B through punk and rap.

Sex, Drugs & Rock n Roll - Zoe Cormier 2014-08-07

How can wordless collections of sounds send shivers down our spines and tickle ancient parts of our brains we share with reptiles? How did a chemist's quest to create a drug to ease the pain of childbirth result in the creation of LSD? Why do goats partake in oral sex, and how can a horse (or even a table) make us weak in the knees? And how on earth could the revered 'father of anatomy' not know where the clitoris was? From tortoiseshell condoms to superstar athletes on hallucinogens, these burning questions are explored and dissected, mixed with insights from some of the world's bravest, cleverest and downright weirdest scientist experimenting on the edge - and themselves. It's a sharp shocker, an eye opener, asking the big questions about what it means to be human, about consciousness and happiness. It'll pull you in and gross out. Exuberantly curious and shamelessly exuberant, Guerilla Science's Zoe Cormier reinvents popular science for a new generation by breaking all the rules. Let's rock.

Sex, Drugs, Rock & Roll, and Musicals - Scott Miller 2011

An endlessly entertaining and informative look at how musicals have both reflected and adapted to America's changing mores

Sex, Drugs, and Rock 'n' Roll - Robert C. Cottrell 2015-03-19

Sex, Drugs, and Rock 'n' Roll: The American Counterculture of the 1960s offers a unique examination of the cultural flowering that enveloped the United States during that early postwar decade. Robert C. Cottrell provides an enthralling view of the counterculture, beginning with an examination of American bohemia, the Lyrical Left of the pre-WWII era, and the hipsters. He delves into the Beats, before analyzing the counterculture that emerged on both the East and West coasts, but soon cropped up in the American heartland as well. Cottrell delivers something of a collective biography, through an exploration of the antics of seminal countercultural figures Allen Ginsberg, Jack Kerouac, Timothy Leary, and Ken Kesey. Cottrell also presents fascinating chapters covering "the magic elixir of sex," rock 'n' roll, the underground press, Haight-Ashbury, the literature that garnered the attention of many in the counterculture, Monterey Pop, the Summer of Love, the Death of Hippie, the March on the Pentagon, communes, Yippies, Weatherman, Woodstock, the Manson family, the women's movement, and the decade's legacies.

Ian Dury: Sex & Drugs & Rock 'N' Roll - Richard Balls 2011-09-23

Here is the complete, no-holds-barred biography of the late, great self-made Essex lad himself! The abrasive Dury always met life head on, in his relationships and in his music, and this acclaimed biography does not shrink from chronicling some of his darker moments as well as his triumphs. Author Richard Balls talked to over 50 of Dury's friends as well as Dury himself shortly before his death. Dury's extraordinary life was always a battle. As a rocker, lyricist, artist and actor he was unsentimental and uncompromising. As a man he was harder to fathom - until now. In this classic rock biography, the self-styled 'diamond geezer' stands revealed as a real diamond after all. This edition is updated to cover the release of the biopic Sex & Drugs & Rock 'N' Roll, and includes original interviews with Oscar-winning actor Andy Serkis who portrayed Dury in the film.

Rock 'n' Film - David E. James 2017-10-23

"In the mid-1950s, rock 'n' roll amalgamated earlier black and white working-class musical traditions to displace the Great American Songbook's hegemony over Anglophone popular music. At the same time, the classic musical was both displaced and re-created in a new form of film: the rock 'n' roll musical. For the next two decades, the genre's evolution in the United States and the United Kingdom accompanied and sustained the emergence, flowering, and decay of a counterculture. Cinema was second only to records in the production of the new cultural gestalt that the music generated."--[Source inconnue].

Under My Thumb - Rhian Jones 2017-10-19

In the majority of mainstream writing and discussions on music, women appear purely in relation to men as muses, groupies or fangirls, with our own experiences, ideas and arguments dismissed or ignored. But this hasn't stopped generations of women from loving, being moved by and critically appreciating music, even - and sometimes especially - when we feel we shouldn't. *Under My Thumb: Songs that Hate Women and the Women Who Love Them* is a study of misogyny in music through the eyes of women. It brings together stories from journalists, critics, musicians and fans about artists or songs we love (or used to love) despite their questionable or troubling gender politics, and looks at how these issues interact with race, class and sexuality. As much celebration as critique, this collection explores the joys, tensions, contradictions and complexities of women loving music - however that music may feel about them. Featuring: murder ballads, country, metal, hip hop, emo, indie, Phil Spector, David Bowie, Guns N' Roses, 2Pac, the Rolling Stones, Bob Dylan, AC/DC, Elvis Costello, Jarvis Cocker, Kanye West, Swans, Eminem, Jay-Z, Taylor Swift, Combichrist and many more.

Ian Dury & the Blockheads - Jim Drury 2003

The band who coined the phrase Hit Me With Your Rhythm Stick in the 1980s, The Blockheads were the musical force behind the articulate and though provoking lyrics of the enigmatic shaman - Ian Dury. Sadly he is no longer with us, but Dury's band have continued gigging. This title sits the original line up down and discuss with them the back catalogue of hits they enjoyed, as well as their memories of the great man.

Sex 'n' Drugs 'n' Rock 'n' Roll - John N. Ingham 1988AC/DC - Guitar Signature Licks - David Bradley 2012-12-01

(Signature Licks Guitar). Learn to play high-voltage guitar riffs & solos of one of rock's greatest bands! From the Inside - Russ Dibella 2011-03

RUSS DiBELLA is a leisure-pursuit writer and musician with a Bachelor of Arts degree in Communications / Journalism from Glassboro State College (now Rowan University). As an avid reader and writer who has written everything from inspired works of poetry, prose and song lyrics to the more unyielding requirements of professional documents and freelance feature articles (with a concentration on concert reviews) during the past twenty-five years, he offers this first book as a culmination of all his writing experiences to date. Professionally, DiBella has been in outside sales for nearly twenty years and resides in Southern New Jersey with his wife and twin daughters.

Sex 'n' Drugs 'n' Strong Opinions! The Book of Rock Quotes -

Michael Heatley 2010-01-07

Sex, drugs, egos, money, fans, music, god and who we love and hate...

the rock stars have their say. Featuring over 2,000 words of wisdom and stupidity from all your favourite rock stars and five decades of rock'n'roll. Quotes include: 'Don't interpret me. My songs don't have any meaning. They're just words.' - Bob Dylan. 'I was a veteran before I was a teenager.' - Michael Jackson. 'I would rather eat my own testicles than reform The Smiths, and that's saying something for a vegetarian.' - Morrissey. 'I am the only man who can say he's been in Take That and at least two members of the Spice Girls.' - Robbie Williams. 'Rehab is a cop-out.' - Amy Winehouse.

Billboard - 2006-06-03

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Shake Some Action - The Ultimate Guide To Power Pop - John M. Borack 2007The Mammoth Book of Sex, Drugs & Rock 'n' Roll - Jim Driver 2010-04-29

Over 60 gripping accounts tracking the dark side of rock 'n' roll from the early days of the drugs-and-drink culture, and the birth of rock 'n' roll, through The Beatles, Stones, Sex Pistols, Madonna, Kurt Cobain and Oasis, to Amy Winehouse, Pete Doherty and other stars of the current rock-music scene. From trashed hotel rooms to cars in swimming pools, all rock 'n' roll's excesses are here, including murder and sexual deviancy, surprising brushes with the law that the stars thought they'd kept quiet, early and tragic deaths, drug overdoses, robbery, mis-marriages and groupies by the truckload

Can she convince him that her only addiction is him? Sydney

Uncle John's Bathroom Reader Colossal Collection of Quotable Quotes - Bathroom Readers' Institute 2012-06-01

You'll never be at a loss for words again with this inspired collection of quotes, from bona fide wits to bona fide dimwits. Bob Hope once said, "I grew up with six brothers. That's how I learned to dance--waiting for the bathroom." No doubt, lots of people will be learning to tango and foxtrot while they wait for the rabid readers of Uncle John's Colossal Collection of Quotable Quotes to emerge from the privy. The Bathroom Readers' Institute searched high and low for the wittiest, wisest and stupidest things ever said, and collected these remarks in one remarkable volume. With more than 4,000 quotations from 1,600 speakers and writers--from bona fide wits like Oscar Wilde and David Letterman, to bona fide dimwits like Britney Spears (who infamously quipped, "I go to lots of overseas places, like Canada.")--there's no other book of quotations quite like this one.
