Sex, God, and the Conservative Church - Tina Schermer Sellers 2017-04-21
Sex, God, and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical

steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.

What's the Big Deal? - Stan Jones 2019-08-06
One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence
Your kids know about sex. But what they've gathered from TV, other kids, or the internet doesn't tell them everything or answer all of their questions. What's the Big Deal? was written to help parents provide the answers to their 8-to-12-year-olds. This book explains the basic facts about sex and related issues such as: Why God made adults so that they want to have sex What God

actually says in the Bible about sex and why it's designed for marriage The amazing changes ahead of you during puberty How to respond when you feel sexual pressure from friends, TV shows, movies, and magazines Your kids can read this book with you so you can discuss it together. This provides them the safe space to ask hard questions they might find embarrassing. The book will help kids understand what a beautiful and exciting gift from God sexuality is meant to be. Now revised and updated with: Separate chapters on puberty for boys and girls A chapter on the dangers of pornography An expanded age range (formerly 8 to 11, now 8 to 12)

Sex God Method - 2nd Edition - Daniel Rose

Sex & God - Darrel Ray Ed D. 2012

Why are all the major religions consumed with sex? What makes sex so important, whether Buddhism or Islam, Christianity or Mormonism? What is the impact of religion

on human sexuality? This book explores this and more. It ventures into territory that has never been examined. You will be surprised at how much religion has influenced your sexuality, who you marry, the pleasure you get or don't get from sex, and what you can do about it.

God and Sex - Michael Coogan 2010-10-01

An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world

of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain, and enlighten readers.

Comedy Sex God - Pete Holmes
2019-05-14

Part autobiography, part philosophical inquiry, and part spiritual quest, *Comedy Sex God* is a hilarious, profound, and enlightening romp around the fertile mind of stand-up stand-out, podcast king, and HBO superstar Pete Holmes. Pete Holmes is a sold-out-every-night stand-up comedian with two HBO specials and the host of the hugely successful podcast *You Made It Weird*, and he was the creator-star of the hit HBO show *Crashing*. But it wasn't always roses for Pete. Growing up, Pete was raised an evangelical Christian, but his religion taught him that being "bad"—smoking, drinking, having doubts or

premarital sex—would get him sent to an eternity in hell. So, terrified of the God he loved, Pete devoted his life to being "good," even marrying his first girlfriend at the age of twenty-two only to discover a few years later he was being cheated on. Thanks for nothing, God. Pete's failed attempt at a picture-perfect life forced him to reexamine his beliefs, but neither atheism, nor Christianity, nor copious bottles of Yellow Tail led him to enlightenment. Pete longed for a model of faith that served him and his newfound uncertainties about the universe, so he embarked on a soul-seeking journey that continues to this day. Through encounters with mind-altering substances, honing his craft in front of thousands of his comedy fans, and spending time with savants like Ram Dass, Pete forged a new life—both spiritually and personally. Beautifully written and often completely hilarious—imagine Dass's *Be Here Now* if penned by one of the funniest people

Sex God - Rob Bell 2012-07-24

From Rob Bell, the author of the phenomenal New York Times bestseller *Love Wins* and a Christian pastor named by Time Magazine as one of the most influential people in 2011, comes *Sex God*, an enlightening exploration of sexuality and spirituality. With profound beauty and insight, Bell addresses the truism that we can't talk about ourselves as sexual beings without asking who made us that way. For progressive Christians and readers who enjoy the writings of Donald Miller, N.T.

Wrighter, Brian McLaren and Timothy Keller, Rob Bell is a pioneer among those seeking a new kind of Christian teaching.

Sex God: Exploring the Endless Questions Between Spirituality and Sexuality - Rob Bell 2012-08-02

Sex God, Rob Bell's follow-up to the bestselling *Velvet Elvis*, tackles the controversial

relationship between sexuality and spirituality. Published as part of the Rob Bell Classic relaunch, *Sex God* explores the links between love, sex, and God.

Sex Positions - Jessica Anderson 2019-10-19

If you think there are only three positions that get the job done, you're sex life is BORING&LIFELESS... You might as well be strolling through social media during intercourse with you're a partner with how passionless you're sex currently is. Ask yourself ..Would it really make a difference? Hearing nothing but the bed squeak and meaningless moans. Begins to remove what you once felt for you're partner. The fire, the passion, the excitement. You're starting to lose the yearning of wanting sex. WHY? because with the sex you're having there is nothing to look forward to. The longer we are in relationships a pattern is created especially around our sex life. You find yourself doing the same thing over and over again, sex has become a chore.

On the Bright Side, I'm Now the Girlfriend of a Sex God -

Louise Rennison 2013-08-13

Georgia Nicolson has started dating the Sex God (aka Robbie). So life should be perfect . . . except in Georgia's life, nothing is ever perfect. Her cat, Angus (the size of a small Labrador), is terrorizing the neighborhood. Her sister, Libby (who is slightly mad), hides her poeey knickers at the bottom of Georgia's bed. Then the Sex God breaks it off because she's too young. It's time for a plan. It's time for a Red Herring. It's time for Georgia to become a "heartless boy magnet!"

Why Does God Care Who I Sleep With? - Sam Allberry 2020-03

Answers one of the biggest barriers to belief. Christians are increasingly seen as outdated, restrictive and judgmental when it comes to sex before marriage, cohabitation and homosexuality. In fact for many people, this issue is one of the biggest barriers for them

considering Christianity. Sam Allberry, author of many books including *Is God Anti-gay* sets out God's good design for the expression of human sexuality, showing that God himself is love and that only he can satisfy our deepest desires. It is a great reminder of the Bible's positive blueprint for love, sex and marriage and ideal for giving away to people who may see this as a stumbling block for belief.

The God of Sex - Peter Jones 2006

A placard carried in the San Diego Gay Parade said it all: "He's your God. They're your rules. You go to Hell." Clearly, there is no longer any commonly held ultimate authority. So merely quoting Bible verses at gays and other "sexual sinners" to prove they are immoral is equally unsuccessful, if not destructive. For the sake of our young people, for the sake of our churches, for the sake of society and our world, Christians must understand the connection of spirituality and sexuality if we are to

communicate relevantly to our postmodern culture. Jones gives an objective, honest appraisal of contemporary sexual trends and puts them up against God's clear (and beautiful) design for sex as a spiritual expression. Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture. Nonbelievers will find this book objective and non-offensive, fairly representing postmodern worldviews. Thorough index and bibliography makes this book a powerful resource tool. *A Better Story* - Glynn Harrison 2017-01-19

The architects of the sexual revolution won over the popular imagination because they knew the power of story. They drew together radical new ideologies, often complex and hard to grasp, and melded them into the simpler structure of narrative. Crucially, they cast narratives that appealed to the moral instincts of ordinary, decent people. This moral vision overwhelmed the church and silenced its

faltering apologists. The author argues that if Christians still believe they have good news in the sphere of sexual ethics, then two big tasks lie ahead. Our first priority is to work out what has gone so badly wrong, both in our understanding and application of what the Bible teaches and the way we have presented our case to the non-churched. And then we must offer a better story, one that fires the imagination with such force that people will say, 'I want that to be true.' This book offers a confident, biblically rooted moral vision which needs to be shared with prayer and courage.

Sex God - Rob Bell 2010-01-02

Sex. God. You know the two subjects are connected; you just don't have the words for how they are connected. And they cannot be separated.

Where the one is, you will always find the other. When you actually live and feel and engage, you discover that the physical things around us are like windows into more. And when you talk about sexuality,

you quickly end up in the spiritual---because 'this' is always about 'that.' Something deeper. Something behind it all. You can't talk about sexuality without talking about how we were made. About how we relate to each other. About how we were made to relate to each other. And that will inevitably lead you to who made us. At some point you have to talk about God. To make sense of the one, we have to explore the other. That is what this book is about.

Sex and the City of God -

Carolyn Weber 2020-08-25

When Carolyn Weber moved to Oxford University to study, she didn't expect to find God there. But she did. As she grappled with her newest and most important relationship, she also found that there was another invitation: to think bigger about love. In this book we follow Weber through courtship and into marriage and parenthood. Now a literature professor, Weber reflects on her relationship with a sometimes-absent father and how that has shaped her.

Through her personal story, as well as spiritual, theological, and literary reflection, *Sex and the City of God* explores what life looks like when we choose to love God first.

Sex God - Katie McCoy
