The Lifetime Love and Sex Quiz Book - Pepper Schwartz 2002-06-12

A Paperback Original. Who hasn't been dizzy with the prospect of romance? Now the most popular feature of Lifetimetv.com helps you put your love to the test. Do you fight fair? Should you stay, or go? Are you a flirt? These are just some of the topics covered in this quiz collection compiled by relationship guru Dr. Pepper Schwartz. The quizzes help readers analyze their feelings and actions objectively and help them improve their relationships using the solid advice offered by Dr. Schwartz. Is It Love or Lust -- Take the test! You're at a dinner party with a roomful of people when your partner tells a joke that falls flat. You: A) Turn a little red for him B) Laugh -- loudly, you don't want him to be embarrassed C) Chuckle, and remember again why you love his offbeat sense of humor (If you answered A, you're on the fence! The best answer is B. Your impulse to laugh despite the fact that your partner's funny joke tanked shows your desire to support and protect the one you love. If you answered C, you love him precisely because he's one of a kind. B & C are the answers of a woman in love, not in lust.) The 50 quizzes cover all aspects of your "love psyche" and are a fun and provocative tool for anyone who wants to be kissed by Cupid's arrow.
