Break - Florian Ledoux 2019-06-11T00:00:00+02:00

Une histoire du Hip-Hop « Et une fois qu'ils avaient entendu ça, c'était plié, impossible de revenir en arrière. Ils voulaient constamment entendre break sur break. » DJ Kool Herc Fin des années 60, South Bronx, New York, un quartier et des familles laissés à l'abandon. Marcus et Aaron, deux frères, grandissent dans un climat de violence sociale. En pleine guerre des gangs, chacun va chercher dans la rue, à sa manière, comment survivre. Marcus est de toutes les blocks parties et s'embarque corps et âme dans la danse. Aaron quant à lui trouve refuge dans le graffiti. Entre fiction et récit historique documenté, on (re)découvre, à travers les yeux de Marcus et Aaron, comment l'énergie créatrice de jeunes du Bronx a donné naissance au Djing, au rap, au breakdance ou encore au graffiti. Quelques années plus tard, ces disciplines artistiques constitueront un mouvement culturel majeur et international : le Hip Hop. En 1979 sortait le morceau Rapper's Delight. Une offense pour les fondateurs du mouvement, une explosion commerciale pour le hip hop. BREAK est le résultat d'un véritable travail à quatre mains, celles de Florian LEDOUX et Cédric LIANO, aussi bien pour l'écriture du scénario que pour la réalisation des planches.

Marco Impossible - Hannah Moskowitz 2018-01-09

In this middle-grade novel, Marco's in love with Benji, but winning his heart may be mission impossible. Best friends Stephen and Marco attempt a go-for-broke heist to break into the high school prom and get Marco onstage to confess his love for (and hopefully steal the heart of) Benji, the adorable exchange student and bass player of the prom band. Of course, things don't always go according to plan, and every heist comes with its fair share of hijinks. *Marco Impossible* by Hannah Moskowitz is a fun middle-grade book by the author of the young adult novels *Not Otherwise Specified*, *A History of Glitter and Blood*, and many more. Praise for *Marco Impossible*: "The boy gets the boy and the school bully gets it square in the nose." —School Library Journal "Moskowitz (*Gone, Gone, Gone*, 2012, etc.) again explores the experiences of a gay teen, in this humorous take on a teenage rite of passage—the prom—but with a twist." —Kirkus Reviews "[T]hose looking for an observant take on a growing, bending relationship will soon be bopping their heads to this idiosyncratic tune." —Booklist

And just as soon as she stops getting into trouble, he can leave her alone and get back to his peaceful, solitary life. At least that's the plan, until their lives begin to entwine in ways they never imagined . . . *New York Times bestseller, 18 weeks from October 2022 - February 2023* *With 78.9 million views on #thingswenevergotover as of April 2023* 'I laughed. I cried. I laughed while I cried, and I definitely blushed' Book Addict

From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how "bad" Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, "nicer" version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing

roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.

The Love Song of Ivy K. Harlowe - Hannah Moskowitz 2021-06-01

Ivy K. Harlowe is a lot of things. She's my best friend. She's the center of attention. She is, without fail, the hottest girl in the room. Anytime. Anyplace. She has freckles and dimples and bright green eyes, and with someone else's energy she'd be adorable. But there is nothing cute about Ivy. She is ice and hot metal and electricity. She is the girl who every lesbian wants, but she has never been with the same person twice. She's one-of-a-kind but also predictable, so I will always be "best friend Andie," never "girlfriend Andie." Then she meets Dot, and Ivy does something even I would have never guessed—she sees Dot another day. And another. And another. Now my world is slowly going up in smoke, and no matter what I do, the flames grow higher. She lit that match without knowing who or what it would burn. Ivy K. Harlowe is a lot of things. But falling in love wasn't supposed to be one of them...unless it was with me.

Salt - Hannah Moskowitz 2018-10-30

Roaming the Mediterranean on sailboats and hunting down monsters is the only life sixteen-year-old Indi and his siblings have ever known. He never loved it, but now that his parents are gone—recently vanished at sea during a hunt—it's harder and harder to fight his desire to escape. He's constantly weighing his need for freedom against his ferocious love for his siblings and the temptation of his parents' journal, which contains directions to a possible treasure. Maybe it's something valuable enough to distract seventeen-year-old Beleza from her obsession with hunting down the monster that killed their parents. Something that would save the little kids from a life at sea that's turning Oscar into a thieving pirate and wasting Zulu's brilliant six-year-old mind. Something that could give Indi a normal life.
