However, she didn't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather embarrassing situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek's handmade chocolate store, appears just at the right time. If only he didn't crave the sweet woman, then maybe, this situation wouldn't be so awkward. Blossom Creek just might be warm enough to melt the snow this holiday season.

Dragon Servants Sanna and Isadora Spence live deep in Letum Wood, where persnickety dragons and wars on the borders are the least of their worries. Thanks to years of simmering tension, the hidden village is destined to crack. Soon, Sanna's deep love for the giant beasts causes her to make an irreversible mistake, while Isadora's disinterest leads her to a fateful decision that will change the course of the entire world. Can the sisters prevent everything they know from falling apart? Or do they allow it to break and pave the way for new growth? Join these beloved sisterwitches in a story about sisterhood, new magic, and dealing with change. FLIGHT A treacherous new world awaits. Sisterwitches Isadora and Sanna Spence aren't sitting back anymore. In fact, they're both tangled in separate new worlds—ones they didn't anticipate. Despite the Dragonmasters home burning to ash, Sanna is certain of one thing—she will not be a tyrant, even though managing a brood of frightened dragons falls on her reluctant shoulders. When a devastating tragedy strikes the Dragonmaster families, Sanna is forced to face a world she never knew existed. Isadora, on the other hand, is too busy with her new life to worry about her old one. In the midst of training with her perpetually annoyed mentor, Maximillion, Isadora is unexpectedly taken away from home and thrust into a dangerous game. Her life is now in the hands of her most terrifying enemy: Cecelia Bianchi. Both sisters are far from home and over their heads. Can they marshal their courage to save those they care about? Or will their expanding horizons prove to be their biggest danger yet? Join the beloved sisters from FLAME in a new tale about growing up, moving on, and finding the courage within. FREEDOM Isadora Spence knows two things: 1) she's tired of all the wars and wants them to stop and 2) she never

wants to see Maximillion Sinclair again. Sparks fly when rising desperation leads Isadora and Maximillion to attend a political delegation together in the Southern Network. She's determined to create a pact for peace and save lives, but when events spiral into far more dangerous territory, she realizes the only witch she can trust is Maximillion. Can they work together, or will everything fall apart? Meanwhile, her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history. Facing an unwinnable battle against Prana, the ruthless goddess of the sea, Sanna roots through history, only to discover that Prana isn't the only enemy they face. In a world embroiled with war on all fronts, can the sisterwitches do their part to bring peace and freedom to Antebellum? Or will all their best efforts fail in the bigger machinations of goddesses and witches? FREEDOM is the final book in the Dragonmaster trilogy. This sweeping YA Fantasy saga will take to a new world, keep you on the edge of your seat, and ask you to answer the most impossible question of all: What is freedom?

How to Beat A Woman at Her Own Games - Ralph Hemphill 2020-09-01

In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

[The Man's Guide to Women](#) - John Gottman 2016-02-02

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.
