Stanley 2014-03-13

This book is about nobody in particular, but maybe there is a little fragment of all us in there somewhere! Her family is more than a little dysfunctional and her love life is little more than dysfunctional. Kaz and her best friend Mags are on a mission to compile a list of their Top Ten "you couldn't make it up" moments and just lately the "moments" seem to be coming thick and fast.....

Calamity Jayne in the Wild, Wild West - Kathleen Bacus  
2015-01-21

Did you hear about the blonde coyote? It got stuck in a trap, chewed off three legs, and was still stuck. Tressa Jayne Turner, Grandville, Iowa's own little "Calamity Jayne," is headed for the Grand Canyon State—and a wedding! Tressa's goofy Gammy is gettin' hitched, and Tressa is looking forward to a little down time in the desert. But her sunny vacation is suddenly about to have more strings attached than a dreamcatcher! Her cousin's keeping secrets, the roguishly hot Ranger Rick's sending mixed signals—more of the smokin' than smoke variety—and a "Kookamunga," a butt-ugly fertility figurine Tressa picked up at a roadside stand as a wedding gift, is turning out to be more trouble than tribal treasure. This wacky wedding's about to become a southwestern scavenger hunt of Amazing Race-meets-The Da Vinci Code

It'll be a vision quest to make Thelma and Louise's southwestern spree seem like amateur night at the OK Corral. May the best spirit guide win. mystery." ~ Publishers' Weekly "Fun and lighthearted with an interesting mystery, a light touch of romance and some fascinating characters." ~ RT Book Reviews "Throw in two parts Nancy Drew, one part Lucille Ball, add a dash of Stephanie Plum, shake it all up and you've got a one-of-a-kind amateur sleuth with a penchant for junk food and hot-pink snakeskin cowgirl boots. A word to the wise: if you're prone to laughing out loud when reading funny books, try not to read Calamity Jayne when you're sandwiched between two sleeping passengers on an airplane...sometimes we learn these things the hard way." ~ Chick Lit Cafe "Bacus provides lots of small-town fun with this lovable, fair-haired klutz and lively story, liberally salted with dumb-blond jokes." ~ Booklist \*starred review\*

Carla are very open about our relationship. We love to share our fantasies and she knows that I love fucking women. She is aware of my fetish and encourages me to indulge in it. She would love to see me fuck other woman. Whenever we talk about this, she always says that she wants to watch me fuck a hot blonde girl. She is a very naughty wife. She loves to play with herself while thinking of my cock sliding into her cunt. She started rubbing my cock through my pants. She had mischief in her eyes. I was in heaven. She pulled down my zipper and took out my cock. It was hard as rock. I still could not believe what she said and thought that she was bluffing. Carla took out her phone and showed me naked pic of Anna. She asked me if I liked her. I was too horny to think straight. A Wife's friend borrows husband to become pregnant. HOT LANDLADY TURNS INTO GIRLFRIEND I always had the thing for older woman. My first girlfriend was 27 when I was 18. She was a real looker. I thought she was the hottest

girl I ever met. I still think so. She gave me great sex and I was crazy about her. But after 3 years, we broke up. I never understood why. I don't know if she found someone else or what happened. All I know is that she left me high and dry. I began fantasizing about Sylvia's hot body again. Every time I saw her I imagined fucking her. I tried to avoid thinking about it. I would get hard and have to masturbate. I couldn't stop thinking about her. Whenever I saw her juicy breasts I felt like squeezing them and sucking them. My cock grew harder by the day. I would stare at her luscious ass as she walked away from me. I was horny all the time. I was getting more and more frustrated. A tenant seduces his hot landlady. TAKING FRIEND'S WIFE Alwyn's wife Dorothy was a nice woman, and we got along together pretty well. She was always kind to me and made me feel quite comfortable. We used to talk together a good deal when she would come into my room to bring me my meals. She was

a rather quiet person, but I found her very agreeable company. I kissed her again and she wrapped her arms around me, holding on tight as we began to move together in a dance that had no beginning and no end. We were one being, two halves of the same whole, our bodies moving in perfect harmony. Our mouths met with each kiss, and we sucked at each other's tongues until they burned and ached for more. I could feel the heat between us building up, like steam rising from hot water coming out of a kettle. A friend takes opportunity to seduce his friend's wife. WILD MAIDS His cock was rock hard as he thought of Sakina. He felt his dick throbbing in anticipation. He knew exactly how he would touch her. First he would kiss her lips softly. Then he would move to her neck and suck on it gently. He would caress her breasts with his hands, and rub them together until they were wet. He would then slide his hand inside her dress and massage her soft skin. He would kiss her nipples, and lick

them till they became hard. Sakina moaned and parted her lips. She opened her mouth and welcomed his tongue. She wrapped her arms around him and pulled him closer. She felt his hard cock against her belly. She wanted to feel him throbbing and shooting his hot cream inside her. She wanted to feel him squirt his seed between her legs. A tale of sexy seductive maids.

*Don't Stick Your Dick in a Blender* - Jonathan Roseland

2020-09-21

Women are dangerous. Good, yet naive, men routinely wreck their lives because they “stick their dick in a blender” — having sex with the wrong kinds of women. STDs, unplanned pregnancies, false accusations, mental health headcases, and divorce make chasing skirts a dangerous game. While lesser men retreat from the pursuit of women into the pixel-powered pleasure world, you have faith that your hunt for a virtuous woman will be fruitful. You can't take a time-machine back to a more decent age to find a marriageable woman. You're not ready to give up on your genetic purpose and start banging sex robots, but you're tired of the transient, meaningless flings with mediocre women. You're likely underestimating just how risky sex, a relationship, or marriage is with the modern woman. But you're also underestimating just how rewarding it is to win the commitment of “a nice girl” — a truly feminine woman, not at war with the natural order —

And in these pages, you'll get the "red pills" on dating, sex, and the fairer sex without the hopelessness and cynicism. You'll learn about the four red flags of a "blender" — deal-breakers that should make you back away slowly from a woman. Could they fight off the magnetic attraction or will they submit and surrender to it? An orphan at the age of seven, there was one thing that Sienna Richards didn't do easily--give her heart. She made that mistake once by trusting and giving her heart to her childhood best friend and ex-boyfriend, Kyle Matthews. When Sienna left for London to study, she was taken aback when Kyle told her that he's been seeing someone else. Hurt and betrayed, Sienna decided to fly back to LA to confront him. The whole idea of "closure" was definitely a bad idea. She immediately left, deflated and aggrieved. Back in London, Sienna was surprised when her very good friend, the magnetic Blake Knightly, seemed to be determined to have her. Blake was relentless but will not settle until he gets ALL of Sienna. Women clamored to be the handsome aristocratic Blake. Who could possibly resist a compelling man that drew such power and commanded attention by simply just breathing? When

Sienna was about to give in, fate stepped in and muddled her mind and heart once again. Kyle moves to London to be close to her. If Sienna thought her life was in shambles before, she should think again. Gender and body-based distinctions continue to be a defining component of women's identities, both in psychoanalytic treatment and in life. In this book, a distinguished group of contributors explore the ways in which women's sexual and reproductive capabilities, and their bodies, are regarded as societal and patriarchal property, and how as the "other", they can be the focus of mistreatment such as rape, sexual slavery, restriction of reproduction rights, and ongoing societal repression. They also explore the cultural
