The Groundskeeper - Donald Gardner Stacy 2017-05-17

"The Carswell Estate covered close to 150 acres of semi-wilderness surrounding unkempt lawns at the center of which was a mansion with limestone walls streaming with ivy, built in the twenties of the previous century." So begins this novel set in a fictional region of the southeastern United States. Rebecca Minot, the personal assistant of the owner, has the high responsibility of renovating this piece of real estate inside and out. So she places an ad in the local paper for employees, including a groundskeeper.

Against Our Will - Susan Brownmiller

2013-09-24

DIVDIV Susan Brownmiller's groundbreaking

bestseller uncovers the culture of violence against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today./divDIV Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has been viewed as an acceptable “spoils of war,” used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications./divDIV It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to “blame the victim,” and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States./divDIV Against Our Will is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages./divDIV Selected by the New York Times Book Review as an Outstanding Book of the Year and included among the New York Public Library's Books of the Century, Against Our Will remains an essential work of sociological and historical importance./divDIV/div/div

On My Own Now - Donna Lee Schillinger
2009-02

“Freedom! Finally life on my own!” Excited about making your mark on the world, living life on your own terms and eating ice cream for dinner if you want? Being on your own is so great, but when the decisions get a little more difficult than “Do I wash a black-and-white striped shirt with whites or colors?”, this little book will be invaluable. *On My Own Now* shows you how to apply biblical wisdom of the ages to choosing everything from friends to underwear; exercising and exorcising (ooh, creepy); juggling commitments and balancing bills; taking mom and dad for all they're worth (er, uh, we mean like taking their advice and stuff); and waiting, dating and maybe someday mating. *On My Own Now* is about strengthening young women's faith

and preventing the screw-ups that can brand us for life. Donna Lee Schillinger draws on her eclectic past as a rebellious youth, Peace Corps volunteer, social worker, single mother, court mediator and executive director of a home for single young mothers. She uses gender-reversed Proverbs with real-life applications to wave the red flag of caution for young women, warning against the pitfalls of a post-modern, sexually casual, consumer-is-king society that is indelibly scarring youth with cynicism, sexually transmitted diseases and bad credit. This compact collection of quirky vignettes is great for daily devotions, affirmations, confessions, benedictions and many other religious "tions," all with the goal of keeping you on the yellow brick road. After all, you're not in Kansas anymore - you're on your own now (unless you live in Kansas, then you would still be in Kansas...). "Every once in a while, a book lands in my hands that I know immediately is truly extraordinary. On My Own Now is such a book. Donna Lee Schillinger's writing style absolutely sparkles and is a joy to read just for the sheer pleasure of observing a true wordsmith at work. Then, there's the content, which is absolutely exceptional. If you could put one book into the hands of every young woman you know, this should be the book. And if she applied a fraction of the wisdom contained therein, she'd be spared a mountain of tears. This is an amazing book and I highly recommend it." Donna Partow, Author, *Becoming the Woman God Wants Me To Be: A 90-Day Guide to Living the Proverbs 31 Life*.

Women, Work, and Globalization - Bahira Sherif Trask 2013-10-30

Women increasingly make up a significant percentage of the labor force throughout the world. This transformation is impacting everyone's lives. This book examines the resulting gender role, work, and family issues from a comparative worldwide perspective. Working allows women to earn an income, acquire new skills, and forge social connections. It also brings challenges such as simultaneously managing domestic responsibilities and family relationships. The social, political, and economic implications of this global transformation are explored from an interdisciplinary perspective in this book. The commonalities and the differences of women's experiences depending on their social class, education, and location in industrialized and developing countries are highlighted throughout. Practical implications are examined including the consequences of these changes for men. Engaging vignettes and case studies from around the world bring the topics to life. The book argues that despite policy reforms and a rhetoric of equality, women

still have unique experiences from men both at work and at home. *Women, Work, and Globalization* explores: Key issues surrounding work and families from a global cross-cultural perspective. The positive and negative experiences of more women in the global workforce. The spread of women's empowerment on changes in ideologies and behaviors throughout the world. Key literature from family studies, IO, sociology, anthropology, and economics. The changing role of men in the global work-family arena. The impact of sexual trafficking and exploitation, care labor, and transnational migration on women. Best practices and policies that have benefited women, men, and their families. Part 1 reviews the research on gender in the industrialized and developing world, global changes that pertain to women's gender roles, women's labor market participation, globalization, and the spread of the women's movement. Issues that pertain to women in a globalized world including gender socialization, sexual trafficking and exploitation, labor migration and transnational motherhood, and the complexities entailed in care labor are explored in Part 2. Programs and policies that have effectively assisted women are explored in Part 3 including initiatives instituted by NGOs and governments in developing countries and (programs) policies that help women balance work and family in industrialized countries. The book concludes with suggestions for global initiatives that assist women in balancing work and family responsibilities while decreasing their vulnerabilities. Intended as a supplemental text for advanced undergraduate and/or graduate courses in Women/Gender Issues, Work and Family, Gender and Families, Global/International Families, Family Diversity, Multicultural Families, and Urban Sociology taught in psychology, human development and family studies, gender and/or women's studies, business, sociology, social work, political science, and anthropology. Researchers, policy makers, and practitioners in these fields will also appreciate this thought provoking book.

But They Won't Talk with a Woman - Leta Gorham 1998

Based on a workshop between clergy members of the United Methodist Church, 'But They Won't Talk With a Woman' focuses on justice issues

between male and female clergy, relying on the personal experiences of the participants, as well as their reflections from points made in the book, *Women's Growth in Connection* by Judith V. Jordan, et. al. In this book, the group posits that unless injustices that female clergy are subjected to in their daily lives are changed, the Church may potentially be destroyed. Topics covered include the abuse of power by men over women, traditional gender roles, biblical interpretations of these roles, and communication between men and women.

[Talk with You Like a Woman](#) - Cheryl D. Hicks
2010-12-13

With this book, Cheryl Hicks brings to light the voices and viewpoints of black working-class women, especially southern migrants, who were the subjects of urban and penal reform in early-twentieth-century New York. Hicks compares the ideals of racial uplift and reform programs of middle-class white and black activists to the experiences and perspectives of those whom they sought to protect and, often, control. In need of support as they navigated the discriminatory labor and housing markets and contended with poverty, maternity, and domestic violence, black women instead found themselves subject to hostility from black leaders, urban reformers, and the police. Still, these black working-class women struggled to uphold their own standards of respectable womanhood. Through their actions as well as their words, they challenged prevailing views regarding black women and morality in urban America. Drawing on extensive archival research, Hicks explores the complexities of black working-class women's lives and illuminates the impact of racism and sexism on early-twentieth-century urban reform and criminal justice initiatives.

Dying to Be Me - Anita Moorjani 2022-03-08
THE NEW YORK TIMES BESTSELLER! "I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place" In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her

disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In "Dying to Be Me," Anita Freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being!

Nervous to Approach and Talk to Women 1-on-1? Wipe Your Tears - The Final Solution is Here...
☐Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free☐ If anyone had told me I'd be amazing and confident in getting women some years ago, I wouldn't believe. I have been through what you're going through. I was scared to approach and talk to the women I liked. After so much frustration, I decided enough was enough—just the same way you have finally decided and ended up here, which is the best place to discover all the things dating gurus will never tell you about approaching beautiful women the right way. In Chapter 1, WWWW, we gave a list of words that'll appear as we learn the craft of approaching a woman. We discussed the only two types of ways to woo her which are ID (In-Direct opener) and DO (Direct Opener), and how they're applied with examples. We looked into nervousness. We looked into the Five WWWWs of starting a conversation with a woman which are: Where, When, Why, What, & Which. And we finally added extra examples of DO and ID. In Chapter 2, Operation Rejection, shortened as ORej. We talked on approaching women while having rejection as your most important outcome. If you're not rejected, it's a failure. Being rejected is a success. We looked into 7 different "How Tos" which are: how to woo a seated girl (in any settings); how to woo in class, school, gym centers, gatherings, events and parties; how to woo at the workplace or in an

office; how to woo a girl who makes you nervous; how to woo a stubborn girl; how to woo a girl at the market or mall, and how to woo a girl on the queue (any queue) with some examples for each. In Chapter 3, ON/OFF, we discussed how Push and Pull (PP) works with some examples. We talked on the types of push and pull. We also looked into things you'll have or be that'll make you never to be nervous around girls. We gave an example on building rapport with Sad Anchor and other explanations. In Chapter 4, look inside to see what it's all about. In Chapter 5, Accidental Accusation, we talked on how to accuse a girl to start a conversation. This technique gets a woman hooked with curiosity. We looked into psychological compliments and humor with some examples of how they work. We briefly discussed how to treat a woman and how to book a date. I told some personal stories and gave some examples. We also discussed one of the keys to dating. We talked about flaking and how to handle women's insult and convert them to compliments. In Chapter 6, Legends' Magic. This is one of the most important chapters, because we gave some brief explanations on other things and finally looked into the magic formula to come up with your personal conversations. We discussed the mighty EARTH formulas. The three types and gave an example of each. We have iEarth, EARTH, and EARTHics. In Chapter 7, Kidding, we gave a list of childish and stupid pick-up lines which will not make sense to men, but women will laugh when they hear some of them. We gave an example on iSHY wooing/chatting technique. In Chapter 8, Mindset. We talked on how you should not start a conversation from the beginning, but always from the middle. We talked on how to woo a lady you haven't seen before. We equally discussed how to use arrogance and humor to woo a lady. We discussed a good-bad boy and a typical bad boy and much more. Finally, we revealed something that'll FOREVER change your life in the dating game and stay ahead of other men with picture illustrations. A secret you can't find anywhere online or offline. How We Love Now - Suzanne Braun Levine
2013-01-29

Where do we find the relationships that matter in our second adulthood? Susanne Braun Levine, author of *Inventing the Rest of Our Lives*, answers these questions with charming wit, experience, and intrigue in *How We Love Now*, with a new introduction by the author. Today, women in their fifties, sixties, and seventies are defining a totally new love narrative. Whether they are already experiencing intimacy—and great sex!—or longing to, these women are discovering unparalleled freedom and joy. Continuing Suzanne Braun Levine's ongoing conversation with women in *Second Adulthood*, *How We Love Now* draws on her interviews with women across the country. Some are finding new relationships—with younger men, other women, or rediscovered childhood sweethearts—while others are enriching longstanding ones. (Of course, the Internet has opened up a new world of opportunities.) Their funny, heart-wrenching, and inspiring stories prove that this pioneering generation of women is continuing to take risks—and enjoying life more than ever.

Talking from 9 to 5 - Deborah Tannen

2013-04-23

"Required reading...sharp and insightful...lively and straightforward...a novel and sometimes startling analysis of workplace dynamics."—New York Times Book Review In her extraordinary international bestseller, *You Just Don't Understand*, Deborah Tannen transformed forever the way we look at intimate relationships between women and men. Now she turns her keen ear and observant eye toward the workplace—where the ways in which men and women communicate can determine who gets heard, who gets ahead, and what gets done. An instant classic, *Talking From 9 to 5* brilliantly explains women's and men's conversational rituals—and the language barriers we unintentionally erect in the business world. It is a unique and invaluable guide to recognizing the verbal power games and miscommunications that cause good work to be underappreciated or go unnoticed—an essential tool for promoting more positive and productive professional relationships among men and women.

Models - Mark Manson 2017-09-11

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post
