**The Secret Sauce of Servant Leadership** - Dr. Peter K. Scheuermann 2023-02-10

The Secret Sauce of Servant Leadership was borne out of the desire to help others quickly ignite and launch servant leadership characteristics and attributes into a leader's style and approach to influencing and leading people, not employees. This book applies to all industries and cultures across the globe. The book is structured by first defining a leadership concept, then learning about examples of modern-day leaders' and organizations who display and live out servant leadership characteristics in their approach, and then how this can be applied in other organizations. The author takes time in covering such topics as what is servant leadership, defining one's purpose, living out one's values, building a high-performance culture, creating trust, and sustaining long-lasting relationships, developing and sustaining a servant leader's character, and finally the most important of all, love, the love of people. The last two chapters provide a 360-servant leadership assessment example and how servant leadership can be integrated and applied in workplace leadership programs. The hope of the author is that the reader will quickly gain an understanding of servant leadership characteristics, achieve insights into the examples of both individual and organizations provided, and then immediately start incorporating these principles within their leadership approach, in turn, helping others to become servant leaders.

*Love's Obsession* - William Mitchell Ross 2013-12

The Cheese Days festival in Monroe, Wisconsin is the much celebrated weekend event lifting up a proud Swiss heritage tradition complete with authentic Swiss costumes, Polka music, cheese making demonstrations, and beer. A year's worth of work has already been completed by the Cheese Days committee to make it successful. Visitors from far and wide, including Switzerland, will attend the three day celebration for a weekend of fun and relaxation. The Cheese Days Committee was horrified when a murder occurred on the square just twelve days before the concluding magnificent and noisy parade on Sunday. How will a crime of this magnitude affect the festival and will it keep the

out-of-town visitors away?! Police Chief Brandon Johns and Detective Samantha Gates immediately launch an investigation to apprehend the killer before the festival begins. With the Cheese Days committee and Police and Fire Commissioner Roger Nussbaum demanding a quick resolution to the murder, the police are at a loss when they can't determine a motive for the murder or a suspect through their investigation. What are they to do? The pressure is continually turned up on them every passing day without an arrest. They desperately need a break in the case. They need someone to come forward to give them the one clue they need to solve the murder.

[The One Year Book of Inspiration for Girlfriends](#)  
- Ellen Miller 2010-10-05

If you're living a perfect, charmed life . . . well, then this book isn't for you. But if, like the rest of us, you are at times broken, confused, lonely, or scared—if you're struggling with problems that you think "good Christians" don't have—then welcome, girlfriend, and pull up a chair! This quirky, friendly, and gut-honest devotional comes straight from the heart of Ellen Miller (CEO, marketing executive, mom, and unapologetic "glorious mess"). Despite the serious struggles she's faced, Ellen today lives a life of profound joy, and *The One Year Book of Inspiration for Girlfriends* contains 365 days' worth of the principles and philosophies that have gotten her there. There's no subject she's afraid to tackle! Her quick, daily doses of encouragement will make you laugh, give you something to look forward to, help you to stay (somewhat!) sane . . . and remind you that you're never alone.

[Love Our Cities](#) - Jeff Pishney 2023-04-11  
Love Our Cities operates from a simple idea: come alongside those who want to make a difference in their cities so they can come alongside individuals in their communities to make things better. Founding members of the nonprofit organization Love Our Cities, Jeff Pishney and Eric Jung have seen how a city-wide volunteer day can catalyze community improvement—by engaging individuals with the city they inhabit. Each chapter of Love Our Cities addresses their method behind the madness, why it works, and the practical next steps that anyone can use to kick off city-wide

volunteer efforts. Jeff Pishney and Eric Jung understand that the best way to support a community is to meet the specific needs of that area. By using their past experiences investing in Modesto and other cities, they provide a clear, actionable approach to enact city-wide change. Their volunteer days have been uniquely successful in connecting ongoing initiatives, building networks, and growing community buy-in for programs and organizations already on the ground. Their message in Love Our Cities is broken into four parts: Part One depicts their journey from the initial Love Modesto efforts in 2009 to the 100-some cities participating in their Love Our Cities network in 2020 Part Two explains at the elements that are necessary to know prior to any community engagement, in order to create a solid foundation for long-term success Part Three examines the "nuts and bolts" of running a city-wide volunteer day Part Four takes it to the next level—describing how successful city-wide volunteer days have changed the game and outlining what a year-round city movement might look like By shining a spotlight on the cities they've partnered with over the years, Jeff Pishney and Eric Jung hope that their community-minded approach in Love Our Cities encourages readers to dream about their own city's potential—and how they can make a difference.

### **The Secret Sauce Is YOU!-Being Your 'Ownmate'** - Swati Sharma 2021-02-08

About The Book The Law of gravity is an inescapable truth of the universe. Sometimes, tectonic shifts happen, lightning strikes, earth shatters, and we fall flat on our face at rock-bottom. We find ourselves engulfed in darkness, silence, and solitude- Finding this to be a perfect breeding ground, our opportunistic demons crawl into our minds gnawing us with their

scrawny mindsets. We give in and lose it. We break and how! But how do you know what you're truly made up of? When you break open! Incidentally, that's how stars are made too! About The Author Swati Sharma was born & brought up in New Delhi, INDIA. She lives in her den in Gurugram- Haryana, INDIA. Her parents named her 'Abhilasha' (A Wish!) as she was born. However, Swati got her first name changed when she was barely three years old since she didn't like it! Swati carries her steel-willed (not iron-willed for iron rusts!) mother's maiden surname. Simply because her much evolved father (A Great Man ahead of time itself!) didn't believe that both- Legacy & lineage should be in the father's surname only! After all, both a sperm and an egg make a life!

### **Surrender, Obey, Love** - Dr. Sandrine Nkouga 2022-10-12

I was sexually molested at the age of fourteen-- now what? So many people go through life wearing their molestation or life's deception as a badge of dishonor in their life, even though they were the victim. They think their life stopped the day they lost their virginity, innocence, or pride. It does not have to be that way. Out of nowhere, I was hit with a life-changing event that will set my life on a roller coaster of emotions, challenges, and bad decisions. During it all, God's glory and love was displayed daily. I personally invite you to join me on this ride where I learned to heal, learn, defeat the devil, and hold on the divine blessings. This book is not a story of tragedy but of hope, guidance, and life lessons. It is about learning how the Creator of the universe could use our ashes to build a

**His Apple Sauce (The Secret Sauce Series)** - Frankie Love

Getting attacked by a bear wasn't a part of the plan when I went on a hike —but what's even less expected is finding this forbidden fruit in the kitchen of the closest farmhouse. Eve is everything I want but can't have. It's not just her ripe innocence that tells me she's off-limits... She's Amish ... with plenty of curves hiding behind her apron. But I want to taste more than the apple sauce she's cooking. I want all of her. But even out here in the country, nothing's quite as simple as it seems. Dear Reader, Yes, this is a thinly veiled Amish-romance. Yes, I understand your hesitation. But trust me. This is over-the-top and filthy-sweet in the yummiest way. I promise. xo, frankie
