Thomas Hardy 2012-01

Unlike some other reproductions of classic texts
(1) We have not used OCR(Optical Character
Recognition), as this leads to bad quality books
with introduced typos. (2) In books where there
are images such as portraits, maps, sketches etc
We have endeavoured to keep the quality of
these images, so they represent accurately the
original artefact. Although occasionally there
may be certain imperfections with these old
texts, we feel they deserve to be made available
for future generations to enjoy.

The Well-beloved - Thomas Hardy 1976

The Well-Beloved with the Pursuit of the Well-
Beloved - Thomas Hardy 2000

Jocelyn Pierston, celebrated sculptor, tries to
create an image of his ideal woman - his
imaginary "Well-Beloved" - in stone, just as he
tries to find her in the flesh.

Romantic Adventures of a Milkmaid

**The Well-Beloved; A Sketch of a
Temperament. with a Map of Wessex** -
Thomas Hardy 2016-06-24

The Well-Beloved: A Sketch of a Temperament is
a novel by Thomas Hardy, serialized in 1892,
and published as a book in 1897. The main
setting of the novel, the Isle of Slingers, is based
on the Isle of Portland in Dorset, southern
England. Many of Hardy's novels were set in
Dorset. The Well Beloved is one of Hardy's last
novels. It was first published in three-part serial
form in 1892, and then revised and re-published
as a book in 1897, after Hardy's last novel *Jude
the Obscure* (1895). The novel tells the story of
the sculptor Jocelyn Pierston's search for the
ideal woman, through three generations of a
Portland family. A cottage housing what is now
part of Portland Museum, on the Isle of Portland,
founded by Marie Stopes, a friend of Hardy and
his wife, was an inspiration for the book. The
cottage acted as the home of Avice, the novel's
heroine. Thomas Hardy, OM (2 June 1840 - 11
January 1928) was an English novelist and poet.
A Victorian realist in the tradition of George
Eliot, he was influenced both in his novels and in
his poetry by Romanticism, especially William
Wordsworth. Charles Dickens was another
important influence. Like Dickens, he was highly
critical of much in Victorian society, though
Hardy focused more on a declining rural society.
While Hardy wrote poetry throughout his life
and regarded himself primarily as a poet, his
first collection was not published until 1898.
Initially, therefore, he gained fame as the author
of novels, including *Far from the Madding
Crowd* (1874), *The Mayor of Casterbridge*
(1886), *Tess of the d'Urbervilles* (1891), and
Jude the Obscure (1895). Hardy's poetry, though
prolific, was not as well received during his
lifetime. It was rediscovered in the 1950s, when

Hardy's poetry had a significant influence on the Movement poets of the 1950s and 1960s, including Philip Larkin. Most of his fictional works - initially published as serials in magazines - were set in the semi-fictional region of Wessex. They explored tragic characters struggling against their passions and social circumstances. Hardy's Wessex is based on the medieval Anglo-Saxon kingdom and eventually came to include the counties of Dorset, Wiltshire, Somerset, Devon, Hampshire and much of Berkshire, in southwest and south central England.....
