[Failing Paris](#) - Samantha Dunn 2011-12

Nominated for the PEN USA/West Fiction Prize. *Failing Paris* is the story of a week in the life of Sabine Wilcox, the 19-year-old student who has left the stifling rural existence of the American Southwest in exchange for a year in Paris. But the City of Light offers her no refuge. With only one week to address a dire problem, Sabine's past and present painfully collide. Her life intertwines with two men who prove to be both more, and less, than they first appeared. This is a first novel by a writer whose work must not be overlooked.

[Torch](#) - Cheryl Strayed 2014-06-20

A searing and luminous novel of a family's grief after unexpected loss, from the author of the huge bestseller *Wild*. "Work hard. Do good. Be incredible!" is the advice Teresa Rae Wood shares with the listeners of her local radio show, *Modern Pioneers*, and the advice she strives to live by every day. She has fled a bad marriage and rebuilt a life with her children, Claire and Joshua, and their caring stepfather, Bruce. Their love for each other binds them as a family through the daily struggles of making ends meet. But when they received unexpected news that Teresa, only 38, is dying of cancer, their lives all begin to unravel and drift apart. Strayed's intimate portraits of these fully human characters in a time of crisis show the varying truths of grief, forgiveness, and the beautiful terrors of learning how to keep living.

[Tiny Beautiful Things](#) - Cheryl Strayed 2012

[The Escape Artist](#) - Helen Fremont 2020-11-03

A luminous new memoir from the author of the critically acclaimed national bestseller *After Long Silence*, *The Escape Artist* has been lauded by New York Times bestselling author Mary Karr

as "beautifully written, honest, and psychologically astute. A must-read." In the tradition of Alison Bechdel's *Fun Home* and George Hodgman's *Bettyville*, Fremont writes with wit and candor about growing up in a household held together by a powerful glue: secrets. Her parents, profoundly affected by their memories of the Holocaust, pass on to both Helen and her older sister a zealous determination to protect themselves from what they see as danger from the outside world. Fremont delves deeply into the family dynamic that produced such a startling devotion to secret keeping, beginning with the painful and unexpected discovery that she has been disinherited in her father's will. In scenes that are frank, moving, and often surprisingly funny, She writes about growing up in such an intemperate household, with parents who pretended to be Catholics but were really Jews—and survivors of Nazi-occupied Poland. She shares tales of family therapy sessions, disordered eating, her sister's frequently unhinged meltdowns, and her own romantic misadventures as she tries to sort out her sexual identity. Searching, poignant, and ultimately redemptive, *The Escape Artist* is a powerful contribution to the memoir shelf.

**Tiny Love Stories** - Daniel Jones 2020-12-08

"Charming. . . . A moving testament to the diversity and depths of love." —Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found

and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

**Brave Enough** - Cheryl Strayed 2015-11-05

Bold, brave and beautiful, *Brave Enough* is a gem-like collection of thoughts and aphorisms from Cheryl Strayed, the inspirational author of the bestselling *Wild*. 'Everyone should have at least two copies of *Brave Enough*: one to keep near the bath, and one to give out, generously, to whoever needs the help.' -- *The Pool Across the world*, millions of people have found life and depth in the words of Cheryl Strayed. Whether it has been in her bestselling memoir *Wild* or in her collection of advice on love and life, *Tiny Beautiful Things*, she has been a companion to those who feel alone, a balm to those who hurt, a co-conspirator to those who laugh, and a steel-toecapped boot to those who need tough love. In this courageous and glittering collection of quotes and thoughts, Cheryl Strayed shows that no matter how much life might get you down, words can have the power to pick you back up.

**Tiny Beautiful Things** - Cheryl Strayed 2012-07-10

NATIONAL BESTSELLER • Soon to be a Hulu Original series • The internationally acclaimed author of *Wild* collects the best of *The Rumpus's* Dear Sugar advice columns plus never-before-published pieces. Rich with humor and insight—and absolute honesty—this "wise and compassionate" (*New York Times Book Review*) book is a balm for everything life throws our way. Life can be hard: your lover cheats on you; you lose a family member; you can't pay the bills—and it can be great: you've had the hottest sex of your life; you get that plum job; you muster the courage to write your novel. Sugar—the once-anonymous online columnist at *The Rumpus*, now revealed as Cheryl Strayed, author of the bestselling memoir *Wild*—is the person thousands turn to for advice.

**Wild (Oprah's Book Club 2.0 Digital Edition)** - Cheryl Strayed 2012-06-01

#1 NEW YORK TIMES BESTSELLER • A powerful, blazingly honest memoir: the story of an eleven-hundred-mile solo hike that broke down a young woman reeling from

catastrophe—and built her back up again. At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with warmth and humor, *Wild* powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her. ] Oprah's Book Club 2.0 selection: This special eBook edition of Cheryl Strayed's national best seller, *Wild*, features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide.

**Conquering Mountains: How to Solo Travel the World Fearlessly** - Matthew Kepnes 2018-06-06

Do you dream of far off places, new sights, smells, tastes, and adventures? Have you been planning the trip of a lifetime but, after asking your partner, sister, best friend, cousin, and/or old high school classmate you barely speak with anymore, found that nobody can take off on a trip with you? Do you worry about how you'll afford it, that you'll be lonely, and most of all, how you'll make sure that you're safe? I found myself in the same position in 2012, searching for answers but coming up confused and empty-handed. I just wanted someone to make it all easy for me. I wanted to know that I was going to be okay. I started out as a normal girl without a trust fund and full of fears, but through traveling I learned that I'm brave, powerful, capable, and strong. You can find the same girl within you. This book was written to help you do just that. This is THE time and sanity-saving resource I wish existed before I started traveling. Inside is absolutely everything I know about solo travel, plus insight from all of the solo female travelers who had helped me along the way with their solid advice and tips.

Me and the Devil - Nick Tosches 2012-12-04

An aging New Yorker, a writer named Nick, feels life ebbing out of him. The world has gone to hell and Nick is so sick of it all that he can't even have a glass of champagne. Then one night he meets a tantalizing young woman who agrees to come back to his apartment. Their encounter is the most strangely extraordinary of his life. Propelled by uncontrollable, primordial desires, he enters a new and unimagined dimension of the forbidden and is filled with a sexual and spiritual ecstasy that is as intense as it is unholy. Suddenly Nick's senses are alive. He feels strong, unconquerable, beyond all inhibition and earthly morality. He indulges in life's pleasures, pure and perverse, sublime and dangerous, from the delicate flavors of the perfect tomato to the fleshy beauty of a woman's thigh. But Nick's desire to sustain his rapture leads him to a madness and a darkness far greater and dreadful than have ever ridden the demon mares of night. Writing in a lineage that includes Dante, William S. Burroughs, Charles Bukowski, Hubert Selby, Jr., and Hunter S. Thompson, Nick Tosches may be America's last real literary outlaw -- a fearless, uncensorable seeker of our deepest secret truths and desires, from the basest to the most beautiful. *Me and the Devil* is outrageous, disturbing, and brilliant, a raw and blazing novel truly unlike any other. Like the man said: Read him at your peril. "A raw and blazing novel by "the single, most brain-searingly dangerous man of letters. Read him at your peril." -- Anthony Bourdain

**What If This Were Enough?** - Heather Havrilesky 2019-10-08

\*A Publishers Weekly Best Book of 2018\* \*A Bustle Best Nonfiction Book of 2018\* \*One of Chicago Tribune's Favorite Books by Women in 2018\* \*A Self Best Book of 2018 to Buy for the Bookworm in Your Life\* By the acclaimed critic, memoirist, and advice columnist behind the popular "Ask Polly," an impassioned collection tackling our obsession with self-improvement and urging readers to embrace the imperfections of the everyday Heather Havrilesky's writing has been called "whip-smart and profanely funny" (Entertainment Weekly) and "required reading for all humans" (Celeste Ng). In her work for New York, The Baffler, The New York Times Magazine, and The Atlantic, as

well as in "Ask Polly," her advice column for The Cut, she dispenses a singular, cutting wisdom--an ability to inspire, provoke, and put a name to our most insidious cultural delusions. *What If This Were Enough?* is a mantra and a clarion call. In its chapters--many of them original to the book, others expanded from their initial publication--Havrilesky takes on those cultural forces that shape us. We've convinced ourselves, she says, that salvation can be delivered only in the form of new products, new technologies, new lifestyles. From the allure of materialism to our misunderstandings of romance and success, Havrilesky deconstructs some of the most poisonous and misleading messages we ingest today, all the while suggesting new ways to navigate our increasingly bewildering world. Through her incisive and witty inquiries, Havrilesky urges us to reject the pursuit of a shiny, shallow future that will never come. These timely, provocative, and often hilarious essays suggest an embrace of the flawed, a connection with what already is, who we already are, what we already have. She asks us to consider: What if this were enough? Our salvation, Havrilesky says, can be found right here, right now, in this imperfect moment.

**Tiny Beautiful Things** - Cheryl Strayed 2013-03-25

Rich with humor, insight, compassion - and absolute honesty - *Tiny Beautiful Things* is a balm for everything life throws our way, from the author of *Wild*.

**Wild** - Cheryl Strayed 2012-05-01

Selected to be read on Radio Four's Book of the Week. 'One of the best books I've read in the last five or ten years... *Wild* is angry, brave, sad, self-knowing, redemptive, raw, compelling, and brilliantly written, and I think it's destined to be loved by a lot of people, men and women, for a very long time.' --Nick Hornby At twenty-six, Cheryl Strayed thought she had lost everything. In the wake of her mother's rapid death from cancer, her family disbanded and her marriage crumbled. With nothing to lose, she made the most impulsive decision of her life: to walk eleven-hundred miles of the west coast of America - from the Mojave Desert, through California and Oregon, and into Washington state - and to do it alone. She had no experience of long-distance hiking and the journey was

nothing more than a line on a map. But it held a promise - a promise of piecing together a life that lay in ruins at her feet. Strayed's account captures the agonies - both mental and physical - of her incredible journey; how it maddened and terrified her, and how, ultimately, it healed her. Wild is a brutal memoir of survival, grief and redemption: a searing portrayal of life at its lowest ebb and at its highest tide.

**Tiny Beautiful Things** - Nia Vardalos

2018-07-31

"Personifies the questions and answers that 'Sugar' was publishing online from 2010-2012. When the struggling writer was asked to take over the unpaid, anonymous position of advice columnist, Strayed used empathy and her personal experiences to help those seeking guidance for obstacles both large and small."--Page [4] of cover.

**Red, White & Royal Blue** - Casey McQuiston  
2019-05-14

\* Instant NEW YORK TIMES and USA TODAY bestseller \* \* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \* \* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more! \* What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves:

true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

**Tiny Beautiful Things (10th Anniversary Edition)** - Cheryl Strayed 2022-11-01

An anniversary edition of the bestselling collection of "Dear Sugar" advice columns written by the author of #1 New York Times bestseller Wild—featuring a new preface and six additional columns. Soon to be a Hulu Original series. For more than a decade, thousands of people have sought advice from Dear Sugar—the pseudonym of bestselling author Cheryl Strayed—first through her online column at The Rumpus, later through her hit podcast, Dear Sugars, and now through her popular Substack newsletter. Tiny Beautiful Things collects the best of Dear Sugar in one volume, bringing her wisdom to many more readers. This tenth-anniversary edition features six new columns and a new preface by Strayed. Rich with humor, insight, compassion—and absolute honesty—this book is a balm for everything life throws our way.

*The Particular Sadness of Lemon Cake* - Aimee Bender 2011

Being able to taste people's emotions in food may at first be horrifying. But young, unassuming Rose Edelstein grows up learning to harness her gift as she becomes aware that there are secrets even her taste buds cannot discern.

*Wild. Film Tie-In* - Cheryl Strayed 2015-01

A Journey From Lost to Found. At 26, Cheryl Strayed thought she had lost everything. In the wake of her mother's rapid death from cancer, her family disbanded and her marriage crumbled. With nothing to lose, she made the most impulsive decision of her life: to walk eleven-hundred miles of the west coast of America - from the Mojave Desert, through California and Oregon, and into Washington

State - and to do it alone. She had no experience of long-distance hiking and the journey was nothing more than a line on the map. This account captures the agonies - both mental and physical - of her incredible journey.

*The Best American Essays 2013* - Cheryl Strayed  
2013-10-08

Curated by the #1 New York Times bestselling author of *Wild*, this volume shares intimate perspectives from some of today's most acclaimed writers. As Cheryl Strayed explains in her introduction, "the invisible, unwritten last line of every essay should be and nothing was ever the same again." The reader, in other words, should feel the ground shift, if even only

a bit. In this edition of the acclaimed anthology series, Strayed has gathered twenty-six essays that each capture an inexorable, tectonic shift in life. Personal and deeply perceptive, this collection examines a broad range of life experiences—from a man's relationship with Mormonism to a woman's search for a serial killer; from listening to the music of Joni Mitchell to surviving five months at sea; from triaging injured soldiers to giving birth to a daughter; and much more. *The Best American Essays 2013* includes entries by Alice Munro, Zadie Smith, John Jeremiah Sullivan, Dagoberto Gilb, Vicki Weiqi Yang, J.D. Daniels, Michelle Mirsky, and others.
