From the ashes of heartbreak rises the Symphony of Us. USA Today bestselling author Claudia Burgoa brings us The Symphony of us, the compelling conclusion to the Requiem for Love duet. A poignant

exploration of a second chance at love, Why Choose? Relationships are as exhilarating and everlasting as a melody of the past. Love is like a drug: dangerously intoxicating and addictively powerful. As a recovering addict, I know this too well. But how can I do it when Sanford and Aerin, my first loves—my unforgettable heartbreak—are back? Not only are they back, but Sanford insists Aerin needs us. He wants us to help her as we melt the shattered fragments of our hearts and become one—three hearts, one love. I should resist them. I understand the dangerous allure they—and love—have over me. I can't risk falling back into old habits, having them become my everything once again. My love for them was my downfall, and the aftermath nearly destroyed me. But she needs us. And the symphony of us has begun to play its second movement. Will it be a requiem of our past or a triumphant anthem of love rediscovered and bonds

reaffirmed? The Symphony of Us is an unforgettable journey of emotional self-discovery, healing, and the resounding power of love. This is the conclusion to the Requiem for Love duet, a finale that promises an ending that resonates with the melody of true love.

Wrong Number Text - Brill Harper 2019-05-02

So wrong it's right... When grumpy firefighter Leo finally answers the wrong number text he's been getting for several days, he has no idea pixels on a screen could be so hot-or make him want things he's never wanted before. Dixie has always been quiet, shy, and reserved. Until she "meets" Leo. He's got the once shy librarian shedding her inhibitions and growing her confidence in their texts and calls-and it even starts spilling out into her everyday life. Part of her revels in her secret life-but part of her secretly wishes for more. They never share more than first names, but each texting encounter gets hotter and hotter-and more intimate than either of them ever imagined. But you can't trust a stranger on the phone. Not really. You can't ache for something you've never had. And you certainly can't fall in love with someone you've never even met, can you? Author Confession: Welcome to Brazen Bay, a small town I crafted just to explore that feeling of so wrong it's right. Just because something is forbidden or taboo doesn't make it wrong, does it? (You'd have to see the pictures on their phones to answer that.) Gruff Leo and sweet Dixie are perfect strangers and perfectly naughty when they let their guards down with someone for the first time. What starts as an innocent wrong number turns into something much more daring. Bonus points if you read this wrong number romance on your phone.

I hate my boss. He's the devil in disguise—but I just can't seem to stay away. When my employer Henry Aldridge is set to claim a large inheritance from his deceased father, he drags me along with him—because he needs his assistant. I have no choice but to move across the country with Satan's bastard and stay with him for over a year in order to pay for my mother's debts. Henry drags me to a small town where everyone knows your business and to a family that's more broken than close. The Aldridge brothers are handsome, arrogant, and sinful. They're also too much to handle. Henry's dad lost his mind before he died, and the apple doesn't fall far from the tree. I don't know how I'll survive for eighteen months with this man. Except you should never judge a book by its cover. And Henry Aldridge has more hiding beneath the surface than I ever thought possible... Yet ever since, destiny has brought us together. Our paths have crossed so many times it's obvious fate has intervened in our lives. But there's always something else—or someone else—getting in the way. Until now. I'm hired to plan the wedding of Eros' best friend, Misty. He thought Misty was the one who got away... until I walked in. Will circumstances push us apart again? Reminders of Her - Claudia Burgoa 2023-07-03

From USA Today bestselling author Claudia Burgoa comes an achingly poignant tale—an exquisite Why Choose? An MMF polyamorous romance told partially in epistolary-style that promises a rollercoaster of emotions, bringing together love, loss, and the unabating pull of the past. This wasn't the typical boy meets girl story. In our case, it was extraordinary: a boy met a girl and another boy. And he fell madly in love with both. Greyson was a gifted musician whose songs soothed even the most shattered souls. Aerin was a ballerina, exuding an elegance that could steal your breath away. They weren't just my loves. They were my reason to breathe—my world. Until a tragedy broke us into a thousand pieces. Now, years later, I'm left haunted by Greyson's melodies and the fragmented echoes of our shared past. Just as I'm learning to breathe again, our history is flung into the public eye. An agonizingly intimate memoir has surfaced, putting our past on full display. I find myself drawn to Greyson, desperate to shield him from reminders of her. As we navigate the stinging wounds of our history, we're on a mission to find the person who ripped the bandages of our past. Is there a chance this could lead us to something more—a way to fill the void left by her absence? Because finding her is impossible... isn't it? Reminders of Her is the enthralling first book in the Requiem for Love duet. Prepare yourself for a breathtaking, slow-burn romance that culminates in a heart-stopping cliffhanger. This novel will leave you gasping, aching, and craving for more.
