Off the Ice - L.P. Dover 2018-10-16

~ The last installment in the Breakaway series by NYT and USA Today bestselling author, L.P. Dover. *~* He's always made the scoring plays, both on and off the ice, but this time he has a new goal ... the one for Meghan's heart. I'm Justin Davis, all-star center for the Charlotte Strikers. For years, I chased the spotlight, not only with hockey, but through television as well. That's why I decided to play the bachelor on Rich and Single. Unfortunately, I was stuck with a fake fiancée from hell who I couldn't stand to be around. Now that our contract is up, I'm allowed to do whatever I want, with whoever I want. I plan to take full advantage of my newfound freedom. After being on the show, people don't recognize me for hockey anymore, even with just winning the Stanley Cup for my team. That's why I'm spending the off season in a remote cabin in Wyoming where the chances of people knowing me are slim. Space is what I need, but when a down to earth beauty needs help on her ranch, I can't resist. Meghan Taylor is exactly what I've been looking for, even though I'm not the kind of man she wants. Getting her to see the real me has its challenges, but the more time I spend with her, the easier it is for her to see that I'm not the same guy she knows from TV. Being away from the media is one thing, but as soon as I'm back in the spotlight, I'm afraid it'll change what we have. I don't want to lose her, but I also can't hide away in Wyoming forever. It's a choice I'm not ready to make.

A Date with Desire - Heather McGovern 2016-12-20

Nestled in the lush green mountains of North Carolina, the Honeywilde Inn will be a romantic's dream getaway, if only the Bradley siblings can keep it running. It will take a combination of hard work, good luck, and the kind of love that dreams are made of . . . Devlin Bradley knows Honeywilde Inn's no-dating-guests policy is a sensible one, but when has he ever followed the rules? Sure, he's been working to change his reputation as the rebellious Bradley brother and town troublemaker, but the captivating new guest from Atlanta is worth risking his family's disapproval. Anna Martel is going to relax—even if it kills her. The alternative is a spectacular breakdown, according to her therapist, and that's something Anna would like to avoid. Taming her workaholic ways isn't going to be easy with nothing to focus on, though—until she meets devilishly attractive Devlin. His slow, sexy smile is a temptation she can't resist, even if she knows he's nothing more than a distraction. Or is he?

Fighting for Love - L.P. Dover 2018-08-28

** A STEAMY, romantic suspense (STANDALONE) novel by NEW YORK TIMES and USA TODAY Bestselling author, L.P. Dover. If you love strong and sexy MMA fighters then this book is definitely for you.** Fighting for someone's heart is more challenging than fighting for a title. For a time, many years ago, love had grown, love was made, and in the end ... love was lost. The decision to leave had been the worst mistake Shelby Dawson could have ever made. However, at the time—ten years ago—she felt her secret needed to stay hidden, even if it broke her heart and the heart of the man she loved. Back then, he was all hers and she was all his, but now things have changed and he isn't the same guy she knew. He happens to be the well-known MMA Heavyweight champion and famous bad boy, Matt 'The Destroyer' Reynolds, who once before struggled to help his family pay the bills. Now, he has money flowing with each undefeated win and an insurmountable number of women filling his bed. Everything is perfect for the illustrious fighter, until one day it all changes. In walks the girl from his past, the same girl who promised to stick by him but left and never looked back. Their second chance to make things right will not come easy, for when one mistake is made an unwelcome consequence soon follows. Someone out there wants to rip them apart and they won't stop until Matt and Shelby pay the ultimate price ... their love. ** Make sure to check out the other novels in the Second Chances series: Love's Second Chance Trusting You Meant

A Date for Good Luck - Heidi McLaughlin (Romance fiction writer) 2020

"Kiss the Blarney Stone, Hope Dunn is going to need some good ole fashion Irish luck! In the chaos of tax season the Arizona accountant is pulled away to stand in her cousin's wedding. All it takes is one step back in the Big Apple, and she regrets making the trip. True to character, her mother uses their time together to hound Hope about getting married and settling down. Still, Hope fulfills her bridesmaid obligations by joining the bridal party for a shamrock wearing, pint chugging St. Paddy's day blow out. There she runs into best man—and smokin' hot ginger—Kellan Townsend. Far too much green beer later, she finds out exactly what that fine Irish lad keeps under his kilt. Afterwards, Hope wants nothing more than to walk of shame her way into a dark room and nurse her hangover. Unfortunately, wedding demands won't allow it. As if facing Kellan isn't awkward enough, her mother picks that moment to

launch into a fresh guilt-trip over her lack of grandbabies. Like a lucky little Leprechaun, Kellan cuts in with a magical offer. A pretend romance to get her mother off her back seems like a wish granted. But Kellan has an agenda all his own. Can he use this opportunity to jig his way straight into Hope's heart? Or will he need a four-leaf clover to get past this workaholic's defenses?"--

[Can You Learn to Be Lucky?](#) - Karla Starr 2018-08-14

"I don't know when I've been so wowed by a new author" -Chip Health, co-author of *The Power of Moments* and *Switch* A talented journalist reveals the hidden patterns behind what we call "luck" -- and shows us how we can all improve outcomes despite life's inevitable randomness. "Do you believe in luck?" is a polarizing question, one you might ask on a first date. Some of us believe that we make our own luck. Others see inequality everywhere and think that everyone's fate is at the whim of the cosmos. Karla Starr has a third answer: unlucky, "random" outcomes have predictable effects on our behavior that often make us act in self-defeating ways without even realizing it. In this groundbreaking book, Starr traces wealth, health, and happiness back to subconscious neurological processes, blind cultural assumptions, and tiny details you're in the habit of overlooking. Each chapter reveals how we can cultivate personal strengths to overcome life's unlucky patterns. For instance: • Everyone has free access to that magic productivity app—motivation. The problem? It isn't evenly distributed. What lucky accidents of history explain patterns behind why certain groups of people are more motivated in some situations than others? • If you look like an underperforming employee, your resume can't override the gut-level assumptions that a potential boss will make from your LinkedIn photo. How can we make sure that someone's first impression is favorable? • Just as people use irrelevant traits to make assumptions about your intelligence, kindness, and trustworthiness, we also make inaccurate snap judgments. How do these judgments affect our interactions, and what should we assume about others to maximize our odds of having lucky encounters? We don't always realize when the world's invisible biases work to our advantage or recognize how much of a role we play in our own lack of luck. By ending the guessing game about how luck works, Starr allows you to improve your fortunes while expending minimal effort.
