Taste and See - Bode Babatunde 2011-08-05

The book *Taste and See: 40 Praise Principles for successful Living* touches on the nitty-gritty of thanking, praising and worshipping God as a prelude to living a life of extraordinary good success. It postulates that praising God with zeal and enthusiasm makes Him to open His door of grace unto us. The book also enjoins us to praise God continuously, continuingly and continually. It advocates for the true praise of God which comes naturally and effortlessly and draws us to the presence of God. It states that, for the praise of God to be acceptable, it must be relaxed and unpretentious. It also identifies a true worshipper as someone who worships God when it is convenient or inconvenient, easy or difficult, good or bad. This eight-chapter book is down to earth practical. It has 40 praise principles which instruct the reader on how he can embark on the praise and worship that will be acceptable to the Almighty God. There are also practical aphorisms that are spread all over the pages of the book from the beginning to the end. At the end of each chapter are also practical exercises which are designed to draw the reader more closely to God as well as build up a lasting relationship with Him.

Money Miracles - Kerry C. O'hallaron 2014-05-26

What if everything they've told you about how to make money and get the things you want is wrong?! What if "getting ahead" financially were not only easy, but fun? What if the process of improving your own financial position could actually make the world a better place? In fact, what if it were required that you make the world a better place while improving your own financial position? What if attracting any amount of money were as simple as following a formula; and what if the formula did not work, and you could go back and repeat the process, learning and correcting what you had done wrong? What if you learned that most financially successful people throughout history got that way by knowing these questions were true, and by following the aforementioned "formula"? What if spiritual, business, and financial leaders since the beginning of time have tried to share this information, and we simply haven't listened? In this important new work, Kerry O'Hallaron explores each of these questions and more. He lays out his findings in an easy-to-

read, humorous and uplifting format, without departing from the book's premise. Can the above questions be true? You decide. Many have, long before O'Hallaron's time. He simply brings us a modern interpretation of a timeless classic. Read, enjoy, and employ the important teachings as you learn an elegantly simple approach to enjoying new streams of income and the many delightful things you can buy when you have money!

They are real, and you absolutely deserve to experience an overflow of them. Easy Breezy Miracle will change your perspective of what miracles are and help you become a miracle magnet! [Always, Yes Always, Expect Miracles!](#) - Kassie Wright 2010-12-10

Many of us simply don't have time in our busy lifestyles for anything spiritual. We don't set aside 'me' times. Often we skip reading 'Inspirational' stuff because we rationalize that we have more important things to do. I was one of those people. This was one of those things. Too busy to read any self-help or inspirational stuff, let alone 'Law of Attraction' books. I thought I was above that. I didn't need self-help. At least, not until Miracles started to happen. When things seem to be as bad as they can be, if we look within, we all can discover 'The Power'. Each one of us has it. It exists within us all. It's love. And when we become aware and conscious, we can feel the energy. We can use this energy to guide us through our life. To find happiness and peace. The Power doesn't exist outside. It lives within our hearts. Understand the Universal Laws and use them to design the life of your dreams. Set yourself up to receive everything you always wanted in life. Once you begin to see the light, you'll never go back to darkness. Surround yourself with positive people. And remember, you 'get what you give'. And always, yes always, EXPECT Miracles!

Miracles Blossom from the Spirit Within - Frances Purnell-Dampier 2013-03-29

Miracles Blossom from the Spirit Within is a mystical, supernatural, spiritual journey into the true power of miracles. While visiting Paris, France, a lifetime dream, the author experiences a revelation from the

Holy Spirit that she appropriately calls a God whisper. The Holy Spirit telepathically communicates to her an outline of explicit directions for inclusive materials to be ascertained for this book on miracles. The most comprehensive, thought-provoking portion of this message was that God wanted people to know that his love was unconditional and he was still present working miracles in each of our lives. In John 4:48, Jesus said, Unless you people see miraculous signs and wonders, you will never believe. God sends this book on miracles as a love offering to his earthly disciples. Read and believe in miracles!
