On a faraway sand-blasted planet, cyborgs and humans face dangers and desires they never imagined. Cyborg Force Collection Two is a two-volume science fiction romance boxed set containing Vortex and Maelstrom, books 3 & 4 of the series. Vortex (Cyborg Force 3) Attorney Tempest Waters joins the popular president's administration, but once inside the White House she discovers the chief executive is criminally corrupt. When menacing henchman Benjamin Bane begins dogging Tempest's every step, she escapes to dune-covered, sand-blasted Sajave—only to have Bane follow her. rare complication—the loss of his emotions. On the plus side, being dead inside makes his job doing the president’s dirty work a lot easier. But something about presidential aide Tempest Water awakens his dormant passions. But he can’t afford to feel anything. He’s been ordered to kill her. Maelstrom (Cyborg Force 4) Sandy Jodane has been a pawn, used and discarded by her empire-building politician mother. After turning to stardust to deaden the pain, she finds the strength to beat her addiction—only to be taken into custody by a powerful cyborg who’s determined to break her. Saving the alien requires help from an insider—the president’s complicit daughter. He vows to do whatever it takes to get her cooperation. But nothing is as it seems. Quint discovers the gutsy, vulnerable woman needs his protection as much as the alien

does, and Sandy suspects Quint’s fierce robotic manner hides a wounded heart. When they team up in a last-ditch effort to save the alien, they’ll unleash a maelstrom of vengeance that could destroy their future or even their lives.

old friend. Bohemia Beach (Book 1 - Sloane and Alex's story): Alex is a mystery: Secretive. Rich. Way too hot for his own good. I'm an artist just trying to make it as a potter, and why he wants me, I don't know. I'm starting over in this beautiful beach town, and saying "yes" to him is part of the adventure. Until yes becomes something more. My new artist friends are quirky and cool. My teacher is alarmingly obnoxious. I'm working hard to get into the big juried exhibition. And I keep losing myself in Alex's arms. He's insatiable. I'm addicted. But under his quietly forceful exterior is a man wounded to his core. Can obsession turn into love? And can passion overcome the past? Or is Alex the worst best thing that ever happened to me? Bohemia Light (Book 2 - Cali and Wyatt's story): Wherever I go, I'm there to shoot the photos. Not get entangled with pro surfers looking for a dalliance before they split town. Whether Wyatt is trying to set me up with his famous jerkwad friend or coaxing me to test my

limits, I'm not sure if I should hate him or give him everything. He's a photographer, too, but I'm afraid what's developing between us will expose feelings I'd rather not have. I'll be glad when he leaves. I need to focus on setting up my new business. Besides, how could I ever be with a surfer? The ocean terrifies me. Still, some temptations are impossible to resist, especially when they don't have consequences. But after our reckless tryst, Wyatt's still in Bohemia Beach. Will he stay or will he go? He's inconveniently irresistible. And I can't seem to keep my heart above water. Bohemia Blues (Book 3 - Ez and Gary's story): Maybe I'm sick of dating losers, but they're just so convenient. They don't expect much. I expect even less. And I really don't want the complications of, say, dating an old friend from high school who follows my band around like a groupie. But when my latest boy toy goes ballistic at a gig, who's there to rescue me? Gary. And there's no chemistry with Gary. Or at least that's what I

thought until the moment he set my world on fire. There's no reason a good guy like that would want a gal with such a bad reputation, even if I have a big secret that proves just how undeserved that reputation is. OK, a few big secrets, secrets that could make this friends-to-lovers experiment blow up in our faces. I just want to make music, not fall in love with a dorky artist. A super-hot dorky artist who takes my breath away and always believes the best of me, even when I know I'm the worst. (Winner of the Golden Quill and a National Readers' Choice Award finalist)
