Get Inside Her: Dirty Dating Tips & Secrets from a Woman - Marni Kinrys 2013-02-15

Guys, Discover Insider Dating Tips From A Woman: One night, I sat up late reading email after email from attractive, witty guys who were single and ready to date, and instead of being impressed and enraptured, I began to wonder what on earth was going wrong in the world. You see, these emails were not the typical online dating messages. They weren't asking me out on dates, or vying for desire or attention. They were sent from great guys, who no matter what they tried, always seemed to find that beautiful women ended up dating jerks and never calling them back. Now, you might be wondering what all these guys are doing emailing me their questions, but as a professional Wing Girl, it's my duty to be the girl who gives it to guys straight of the dating community. I'm always brutally honest and have been told I have a gift for seeing things from both sides of the dating lines, but it took me a few glasses of wine and some seriously deep thinking to try to piece the puzzle together. What was going on? I knew all my gorgeous girlfriends were looking for these types of men. Men who were exciting, fun, good, honest and who had their life together... So as they were they emailing me, detailing their failed attempts, I tried to find the one common factor that was holding these great guys back. I spoke with them at length about their dating history, trying to figure out if they were doing something wrong, and then it struck me. It wasn't them; it was "The Game" they had been told to play. They had the best intentions, but they were going about attracting and dating beautiful women in all the wrong ways. They were dating from the male perspective and in a way that seemed right to other guys; but this wasn't communicated clearly to women! As I started to reply to each email, instead of telling them what I thought they wanted to hear or what I thought male Pick Up Artists might tell them, I started to lay it all out on the line. Later on, when I asked my girlfriends for their opinion, they couldn't believe what I had written. I was revealing all secrets women would never tell men. I was putting it out there in a way that would give guys what my girlfriends called the upper hand, but I defended my actions. These were genuinely great guys! I was tired of hearing how women could never find what they were looking for. Now, when I gave the men a road map to go out and find them, they freaked out! That's when I knew I had something worth sharing. Something that would turn the dating world on its head; finally, I thought, "It's time to shake things up!" If you have ever wondered why you aren't on the calendars of beautiful women, why they never seem to call back, or always end up with the jerks of the world, then you have to hear what I have to say. You need to accept that it's not your fault and face the facts. Men and women are different. We act, think, and date differently. If you want to find success, you have to see things from a different perspective. You have to gain the world's first (and best) awarded female Pick Up Artists perspective! Now when I go out, meet with clients, call, or email these great guys back, I get something in return. I get to see them finally date the women they have always wanted and deserved. They tell me how easy and simple it has become, and how they cannot believe they didn't think of it first. Of course, I always laugh and tell them, "How could you? We think differently!" They send me photographs, updates, and once in a while, I'll be invited to a wedding or two. Now, it's your turn. Come see where the controversy lays. Discover the secrets that will make women want you, chase you, and call you back every time. Become the man you have always wanted to be but didn't know how.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Red Geraniums - Sally Salisbury Stoddard 2013-03-08

After the funerals, Kate MacLean knelt in front of a small chest of drawers in the attic. She pulled out the bottom drawer to find the photograph of Gyorgy taken in her studio in Tingle Creek. The picture of the handsome Gypsy reminded her of things past, of the people she had known and loved, of hopes dashed and dreams denied. She thought of the country school where she had taught, of her life in town as a studio photographer, of the phone call from Henry Fergus which led her to a life as a farm wife and mother of three children—not her own. She sighed. If only she had used the camera to photograph dear Henry and his adopted son Will, his hired boy Hjelmmer, and finally, Margaret who came to them from the Orphan Train. Kate sighed again and closed the drawer. ++++++ From a forlorn Gypsy cemetery to a crescendo of sudden death, this is a tale of an early 1900s woman, a studio photographer and farm wife with a family not her own. The rhythm of life awaits a reader. -Joe Vosoba, Author of "Tales of the Czechs. ++++++

A Girl in the Dumpster - Jack Apfel 2011-11-28

In the sweltering darkness that envelops an alley in the small town of Candlesberg, Wisconsin, a homeless woman approaches a dumpster in search of food. She finds instead a mysteriously mewling bundle. Reaching inside she discovers a patch of matted hair, a tiny ear, a smooth little shoulder. She knows what to do—if only she can conquer her compulsion to drop the newborn and run. Anne Hedlin is trying to get to sleep in her apartment above her resale shop when she is startled by a banging from the shop below. Anne's solitary life is transformed when she takes in the homeless woman and the baby she finds at her back door. In its first week, the newborn also profoundly touches the

lives of Anne's shy teenaged niece, a storefront preacher and his wife, a successful divorced realtor, and the realtor's teenaged daughter, whose life of drug abuse and careless sex has become a dumpster of a different sort. With complex characters and surprising twists author Jack Apfel has given us a compelling story of how lives can be knocked off their seemingly inevitable trajectories by an unexpected event, like someone finding a girl in a dumpster.
