*Black Girl Magic Beyond the Hashtag* - Julia S. Jordan-Zachery 2019-09-24

*Black Girl Magic Beyond the Hashtag* poses the question: how does the #BlackGirlMagic political and cultural movement translate outside of social media? The essays in this volume move us beyond the digital realm and reveals how Black girls and women foster community, counter invisibility, engage in restorative acts, and create spaces for freedom in the face of structural oppression.

“Morgan has given an entire generation of black feminists space and language to center their pleasures alongside their politics.” —Janet Mock, New York Times bestselling author of *Redefining Realness* “All that and then some, *Chickenheads* informs and educates, confronts and charms, raises the bar high by getting down low, and, to steal my favorite Joan Morgan phrase, bounced me out of the room.” —Marlon James, Man Booker Prize-winning author of *A Brief History of Seven Killings* Still fresh, funny, and irreverent after eighteen years, *When Chickenheads Come Home to Roost* gives voice to the most intimate thoughts of the post-Civil Rights, post-feminist, post-soul generation. Joan Morgan offers a provocative and powerful look into the life of the modern black woman: a complex world in which feminists often have not-so-clandestine affairs with the most sexist of men, where women who treasure their independence frequently prefer men who pick up the tab,

where the deluge of baby mothers and babyfathers reminds black women who long for marriage that traditional nuclear families are a reality for less than forty percent of the population, and where black women are forced to make sense of a world where truth is no longer black and white but subtle, intriguing shades of gray.

Black Girl, they say you ain't 'posed to be here Much of what twenty-first century culture tells black girls is not pretty: Don't wear this; don't smile at that. Don't have an opinion; don't dream big. And most of all, don't love yourself. In response to such destructive ideas, internationally recognized poet Mahogany Browne challenges the conditioning of society by crafting an anthem of strength and magic undeniable in its bloom for all beautiful Black girls. She has travelled the world sharing her vision of Black Girl Magic, and now in collaboration with artist Jess X. Snow, presents her acclaimed tribute in a visual form. Black Girl Magic is a journey from girlhood to womanhood and an invitation to readers to find magic in themselves.

Jayne Allen 2022-02-01

"Masterfully written and pitch perfect, *Black Girls Must Be Magic* is, simply, magic."—Good Morning America In this highly anticipated second installment

in the *Black Girls Must Die Exhausted* series, Tabitha Walker copes with more of life's challenges and a happy surprise—a baby—with a little help and lots of love from friends old and new. For Tabitha Walker, her grandmother's old adage, "Black girls must die exhausted" is becoming all too true. Discovering she's pregnant—after she was told she may not be able to have biological children—Tabitha throws herself headfirst into the world of "single mothers by choice." Between her job, doctor's appointments, and preparing for the baby, she's worn out. And that's before her boss at the local news station starts getting complaints from viewers about Tabitha's natural hair. When an unexpected turn of events draws Marc—her on and off-again ex-boyfriend—back into her world with surprising demands, and the situation at work begins to threaten her livelihood and her identity, Tabitha must make some tough decisions about her and her baby's future. It takes

a village to raise a child, and Tabitha turns to the women who have always been there for her. Bolstered by the fierce support of Ms. Gretchen, her grandmother's best friend, the counsel of her closest friends Laila and Alexis, and the calming presence of her doula Andouele, Tabitha must find a way to navigate motherhood on her own terms. Will she harness the bravery, strength, and self-love she'll need to keep "the village" together, find her voice at work, and settle things with Marc before the baby arrives?
