The Desire Map Planner from Danielle LaPorte 2018 Weekly (Charcoal and Gold) Danielle LaPorte 2017-08-15 Created by Danielle LaPorte, bestselling author and member of Oprah's Super Soul 100, The Desire Map Planner is for women who want to put their soul on the agenda. What I will do to feel the way I want to feel...is the daily declaration you make with this planner. And with fresh daily Soul Prompts like, "What do you want to revolutionize?" "How do you want to feel in your body?" and sections for Gratitude notes and a weekly Stop Doing List -- this planner is where inner attunement meets outer attainment. And it's unlike anything on the market. Over five million people a month head to DanielleLaPorte.com for her advice and daily #Truthbombs. The Desire Map Planner Collection already has a raving fan base of women who want an agenda that includes all of who they are, not just another to-do list. The planner collection is based on The Desire Map book which sold over 140K copies in US & Canada, is translated into eight languages, and evolved into a journal series, a top 10 iTunes app, and a workshop curriculum with hundreds of licensed facilitators in fifteen countries. Like the popular Day Designer, The Desire Map Planner is lush, well-designed, and intuitively laid out to maximize efficiency, organization, and intentional time management. Both the Daily & Weekly editions come in simple charcoal or bright abstract art covers, both with gold foil accents. It's for the busy person who knows that a rich life is as much about being tuned-in as it is about checking off to-dos, who values positivity as much as productivity."THE DESIRE MAP PLANNERS REVIEWS:"The Desire Map Planner has ignited a part of my Soul that has been dormant my feelings, it's a constant reminder to live NOW and know that it's because we are human we need to seek out wisdom that only introspection and quiet times give us the guidance that only we can source from inside because no one knows us better. It reminds me that I started my journey as an entrepreneur because I love what I do and that changing lives is my why there is nothing better than guiding someone to their worth. It becomes a part of you and not just another planner because you put so much of yourself in it with the weekly prompts and gentle reminders and a year down the line, you can see how you have grown." -- Darlene Bayley"The Desire Map Planner has not only influenced my life, it absolutely has changed it. I use the planner each day at work and find that when I make even 10 or 15 minutes to complete that day's page, it "frames" my day so positively. I focus far, far more on the things that are most important (for work and pleasure) and that contribute to my Core Desired Feelings.

Each day, I actively list my CDFs and jot down what I hope to do to achieve them that day. I love considering the soul prompts and things I'm grateful for. This planner is so much more than a calendar and to-do list. Instead, it puts me in a soul-feeding, creative, zen frame of mind that carries throughout my day." -- Karen Stensrud

"The Desire Map Planner has helped me focus each day on my Core Desired Feelings from a high level and also kept me on track with daily to-dos and weekly tasks. I love the blank space at the end of each week to capture inspiration, ideas, and new biz concepts so they are all in one convenient place. Basically, in nutshell, the planner is holistic -- I call myself a Holistic Lawyer & Legal Coach and I love that it encompasses my WHOLE life -- not just my personal life, not just my business life, but ALL of me. It's a one-stop planner. LOVE." -- Lisa Fraley

"When I use the planner, I feel less self-judgment and more joy. I feel the blessings of my humanity and give myself permission to feel *what I want* instead of what I should want. Writing it down somehow makes it more possible. This planner keeps me accountable in a loving way, without the self-criticism. And then I can look back and think "Whoa! Look how much I've accomplished! It was so worth it!" Or "Wow, that was a powerful lesson to learn!" -- Jennifer Schmid
