Sex Tourism in Bahia - Erica Lorraine Williams 2013-10-30

For nearly a decade, Brazil has surpassed Thailand as the world's premier sex tourism destination. As the first full-length ethnography of sex tourism in Brazil, this pioneering study treats sex tourism as a complex and multidimensional phenomenon that involves a range of activities and erotic connections, from sex work to romantic transnational relationships. Erica Lorraine Williams explores sex tourism in the Brazilian state of Bahia from the perspectives of foreign tourists, tourism industry workers, sex workers who engage in liaisons with foreigners, and Afro-Brazilian men and women who contend with foreigners' stereotypical assumptions about their licentiousness. She

shows how the Bahian state strategically exploits the touristic desire for exotic culture by appropriating an eroticized blackness and commodifying the Afro-Brazilian culture in order to sell Bahia to foreign travelers.

Sex-Rar Guide - World Health Organisation Staff 2002-12-27

This guide describes how to use Rapid Assessment and Response (RAR) methods to both profile local substance use and sexual risk behaviours, and to identify appropriate intervention responses in time and resource-poor settings. It aims to: help identify the relationships between substance use and sexual behaviour in the local area; describe adverse health consequences associated with these behaviours; assess capacity and opportunities for intervention development. The guide also contains an overview of current research knowledge and a list of additional supporting resources.

Women's Mental Health - Joel Rennó Jr. 2020-02-14

There is an increasing focus on medical studies related to differences between men and women, and women's mental health stands out as one of the most important fields where sex-based differences are being investigated. Overall, studies show an existence of important sex-specific differences in several aspects of psychiatric disorders such as etiology, epidemiology, clinical presentation and therapeutics. In this book, recognized experts present the current state of knowledge on this topic, providing a reliable, accurate and comprehensive clinical guide to women's mental health. The book will steer clear of an in-depth discussion of genetics and sex-based differences to focus quickly and narrowly on how best to diagnose and treat psychiatric disorders in women, thereby offering a targeted and practical guide for clinicians. It is intended to serve a broad audience -- including psychiatrists, psychologists, family physicians, obstetricians, gynecologists, nurses, social workers and other medical and mental health providers with an interest in women's mental health. *Women's Mental Health: A Clinical and Evidence-Based Guide* will be fully evidence-based and will present chapters authored by distinguished leaders with extensive experience and clinical wisdom in this area. It offers psychiatrists, psychologists, family physicians, obstetricians, gynecologists, nurses, social workers and other medical and mental health providers a valuable source of information to enhance their clinical practice.

Around the World in 80 Lays - Joe Diamond 2014-07-29

As globalization erodes national borders and the Internet spawns online communities for every conceivable interest or fetish, sex tourism is surging. *Around the World in 80 Lays* is the first book to explore the emergence of the online sex tourist subculture and its mounting impact on the world's flesh trade. The author, Joe Diamond, is himself an enthusiastic sex tourist, and an expert. In this groundbreaking travelogue, he traverses the globe to put sex tourism under the microscope. Through colorful anecdotes and solid research, "Rio Joe" takes readers to the world's most notorious sex havens: Brazil, Thailand,

the Dominican Republic, Costa Rica, the Czech Republic, and many more. Around the World in 80 Lays provides an insider's view of a fascinating and lurid world that has never been exposed to the American public.

The Scorpion's Sweet Venom - Bruna Surfistinha 2009-08-03

_____ 'Erotica has been languishing on the top shelf for years, but a new generation of woman writers is moving it from the fringes to the literary mainstream' - Observer Magazine 'Her hilarious, yet often fond descriptions of her clients are brilliant ... This blog-book is grittier than most ... Her adult diary is a hoot ... Written in her witty style, coupled with some extremely explicit entries, this book is a must for blog-book fans, acting as a sex guide, cautionary tale and raunchy memoir' - Chloe Cummings, Erotic Review _____ 'I have seen and done everything... There is no fantasy left that scares me.' Known to her clients as 'the Surfer Girl', Bruna Surfistinha ran away from home at the age of seventeen to become a high-class call girl. She wrote a candid and explicit web diary about her three years turning tricks in the swanky suburbs of São Paulo. Now she draws back the sheets to reveal the whole story. Nonchalant and funny, Bruna portrays her estranged middle-class family, her out-of-control drug use and her unbridled sexuality. Part memoir, part cautionary tale, part sex guide, *The Scorpion's Sweet Venom* brings to life the details of Bruna's adventures with men, women and couples and reveals what we really want in bed but are afraid to ask for at home. _____

'Shhh.....sex sells. The British buy books about sex ranging from traditional erotica to practical guides and 'posh porn' published under the guise of art. These writers can be seen as part of the new generation of feminism, with women feeling more at ease writing about sex' - Bookseller

Brazil - Christopher Street 2016-10-04

Brazil Travel Guide All men have heard about the sexy secrets of Brazil but finding them out for yourself can be difficult on your own. Outside of seedy backpages written in Portuguese knowing where to go to meet the right girls can be difficult, knowing who you can trust is impossible, and

making sure you stay safe can be daunting. Internet forums will speak in codes and never give you the right information, other travel guides skirt around the topic, and all the juiciest tips to be found aren't in English. This is where this Brazil travel guide for men comes in. Written in plain English you will be walked through Brazil's sex scene and given advice and tips for finding the best spots and clubs in some of Brazil's most beloved cities and tourist destinations. Get a rundown on the best time of year to visit Brazil to meet girls, the most cost effective way to scout different venues, and which cities to hit up on your tour. Discover the many different venues available to you on the Brazil scene. From the samba-swirling girls on the dancefloors of a boite, to the luxurious and stress-free goddesses in Brazil's termas, to a cheerful quickie with a chica in one of the coveted massage parlors. Your choices are nearly endless and once the lingo has been deciphered you will be able to get exactly what you want wherever you are. Find in-depth guides to the scenes in Fortaleza, Recife, Salvador, Rio de Janeiro, and Sao Paulo. From the rainforests, to the mountains, to the harbors Brazil has a rich variety of things to offer and this Brazilian travel guide will give you the keys to them all. Get in and around the main beach cities, discover the best beach fronts and locations for meeting freelance girls, find the vibrant red light districts, and stay safe in a recommended love motel. Read about the latest bars, clubs and termas, and get a low down on the most recent prices and what you can expect to pay. How do these places work? How do you approach a girl? How do you haggle? Find out the answer to all of these questions and more with a handy phrasebook and a guide to seducing Brazilian women and making the most of the time you spend with them. Make sure you stay safe with advice on staying on the right side of the law, avoiding dangerous areas, and keeping away from potential scams. Brazil is the land of fantasy and if you can think of it then you can do it with one of the girls here. Not only can all of your dreams come true, but in the future you'll be left dreaming of Brazil. So get out your Speedos, lay down that beach towel, and start sipping on fresh coconuts while you learn the ways of Brazil and prepare for the time of your life.

Embodying Modernity - Daniel F. Silva 2022-04-05

Embodying Modernity examines the current boom of fitness culture in Brazil in the context of the white patriarchal notions of race, gender, and sexuality through which fitness practice, commodities, and cultural products traffic. The book traces the imperial meanings and orders of power conveyed through "fit" bodies and their different configurations of muscularity, beauty, strength, and health within mainstream visual media and national and global public spheres. Drawing from a wide range of Brazilian visual media sources including fitness magazines, television programs, film, and social media, Daniel F. Silva theorizes concepts and renderings of modern corporality, its racialized and gendered underpinnings, and its complex relationship to white patriarchal power and capital. This study works to define the ubiquitous parameters of fitness culture and argues that its growth is part of a longer collective nationalist project of modernity tied to whiteness, capitalist ideals, and historical exceptionalism.
