The third of five volumes on Internet TV series, this book covers 335 alphabetically arranged gay and lesbian programs, 1996-2014, giving casts, credits, story lines, episode descriptions, websites, dates and commentary. The Celebration Series is a 13-book series that celebrates friends, family, love and holidays in the fictional town of Celebration PA. Part 1 includes: Tangled in Tinsel, Tears to Cheers, Rainbows bring Riches, Heathens to Hearts and Sweet as Sugar in one download. In Tangled in Tinsel... Being the new girl in town is hard, especially when you're running from your past. It even gets harder when your handsome neighbor is a police officer who wants to get to know you. No matter how much Casey tries to avoid Thad, something is always pulling them closer. Thad has lived in Celebration his entire life, and it's not until a beautiful brunette moves in next door that his eye is finally caught. If only she didn't push him away at every chance she got. When an unexpected visitor shows up in town a few days before Christmas, her future and past collide. Will Thad figure it out what's going on in time, or will Casey end up being a conspirator to a murderer? In Tears to Cheers...

Linda Maxim is a woman who learned early on how to work hard and succeed. Her only regret is that the man she loved disappeared days after she got pregnant at the tender age of sixteen. Fourteen years later, Ian Dugan needs a break from life and ends up crashing his vehicle and waking up in the hospital to find Linda watching over him. Can Linda forgive Ian for leaving her alone as a pregnant teen? Will Ian be able to forgive Linda and himself when he learns of the daughter he never knew about? Find out on New Year's Eve if Ian can erase the tears and find something to cheer about. In Heathens to Hearts... Jason Hayes loves working as a nurse and living in Celebration—or he did until Riayn Simmers showed up in town, and a secret from his past is threatened to be exposed. Riayn Simmers is shocked to find her college love—and the man she had called a heathen—residing in the same town as her aunt. Now Riayn needs to decide if she can handle sticking around to

run her aunt's bakery or hightail it out of town. Somehow Riayn and Jason must find a way to coexist in the small town, but what happens when Jason's secret is exposed and he's up to be auctioned off at the Valentine's Day Party? Will the town believe, as Riayn once did, that Jason truly is a heathen, or will he finally win over her heart for good? In Rainbows bring Riches... Dabby Finnegan got roped into being auctioned off for the annual Valentine's Party, and nothing could have prepared him to face the vibrant and determined Paige Brogan. From the moment she jumps into his arms to collect her prize, his life changes. Paige Brogan has had a crush on Dabby for a long time, and this auction is exactly what she's been waiting for. When Paige wins a date with Dabby, the only thing she wants to do is spend the day with him working at his tavern. As Paige and Dabby get to know one another, Dabby has a hard time understanding why this incredible woman would be

interested in him. It's when the rainbows are overhead, and green beer is flowing that Dabby finally realizes what he has and vows to never lose it. In Sweet as Sugar... Missy Moresco might be Celebration Police Department's police dispatcher, but she's also got her thumb on the pulse of the township. When FBI Agent Casper Princeton shows up in town on a case, Missy and Casper go undercover to protect the real reason he's there by pretending they're a couple. With Missy's snarky comments and Casper's quick comebacks, these two find it hard to keep a professional distance. When Casper needs to rush home to a family emergency, Missy is torn on whether it's a good thing or bad. Just when she decides it doesn't matter, Casper shows up on her doorstep with his five-year-old daughter. Can Missy and Casper keep the fake relationship going while they wait for his case to come to a head, or will his daughter and his job come between them before Easter arrives?

**The Chase** - Elle Kennedy

2023-11-14

A sexy standalone novel from New York Times and international bestselling author Elle Kennedy She's the one girl he shouldn't want . . . Everyone says opposites attract. And they must be right, because there's no logical reason why I'm so drawn to Colin Fitzgerald. I don't usually go for tattoo-covered, video-gaming, hockey-playing nerd-jocks who think I'm flighty and superficial. His narrow view of me is the first strike against him. It doesn't help that he's buddy-buddy with my brother. And that his best friend has a crush on me. And that I just moved in with them. Oh, did I not mention we're roommates? I suppose it doesn't matter. Fitzy has made it clear he's not interested in me, even though the sparks between us are liable to burn our house down. I'm not the kind of girl who chases after a man, though, and I'm not about to start. I've got my hands full dealing with a new school, a sleazy

professor, and an uncertain future. So if my sexy brooding roomie wises up and realizes what he's missing? He knows where to find me. Praise for Elle Kennedy: 'Delicious, complicated and drama-filled . . . I read it in one sitting, and you will, too' L. J. Shen, USA Today bestselling author 'A deliciously sexy story with a wallop of emotions that sneaks up on you' Vi Keeland, No.1 New York Times bestselling author 'Elle Kennedy delivers another sexy and addictive read, and my latest personal favourite from her!' I've proudly got my yearly goals hanging on the 'fridge; numbers 1 through 10. 1. Fall in true love with life partner. 2. Don't forget their eating disorders, sexual dysfunction, lingering childhood traumas, live in parents, substance abuse and financial disasters. 3. Get these stories published to save lives. 4-9 Blah, blah, blah 10. Take a cold shower, don't call her back. Who ever planned to be dating in mid-life? This is not at all how I thought my life would be. I'd love to be having a well planned evening at home, pleasant dinner, soft music, love of my life snuggling with me on the couch. Hardly; I am caught in this female vortex, with no way out. We've got to take life and mid-life dating with a great gulp of humor and a "there's a someone out there for me" attitude. I've been trying, met some great people along the way and a few sad cases. There's some truth in these stories, you'll have to figure out where. When you get done with this little book, have a glass of wine and give her a

*Eddic, Skaldic, and Beyond* - Martin Chase 2014-06-02

*Eddic, Skaldic, and Beyond* shines light on traditional divisions of Old Norse-Icelandic poetry and awakens the reader to work that blurs these boundaries. Many of the texts and topics taken up in these enlightening essays have been difficult to categorize and have consequently been overlooked or undervalued. The boundaries between genres (Eddic and Skaldic), periods (Viking Age, medieval, early

modern), or cultures (Icelandic, Scandinavian, English, Continental) may not have been as sharp in the eyes and ears of contemporary authors and audiences as they are in our own. When questions of classification are allowed to fade into the background, at least temporarily, the poetry can be appreciated on its own terms. Some of the essays in this collection present new material, while others challenge long-held assumptions. They reflect the idea that poetry with “medieval” characteristics continued to be produced in Iceland well past the fifteenth century, and even beyond the Protestant Reformation in Iceland (1550). This superb volume, rich in up-to-date scholarship, makes little-known material accessible to a wide audience.
