[How the Girl Guides Won the War](#) - Janie Hampton 2011

"A completely original history of one of the most extraordinary movements in the world - the Girl Guides - and how they helped win the war. Mention Girl Guides to any woman and the reaction will be strong. They either loved them or hated them; they were either proud to wear their uniform or refused to join. Whatever their feelings, most former Guides retain strong memories of their experiences. All too often regarded merely in terms of biscuit sales and sing-songs, hardly anybody is aware of the massive impact that the Guides had on gender equality and, more fundamentally, the outcome of the Second World War. In this eye-opening history, Janie Hampton explores how the Guides' work was crucial to Britain's victory. When the Blitz broke out, the Guides knew what to do. They kept up morale in bomb shelters, demonstrating 'blitz cooking' with emergency ovens made from the bricks of bombed houses at the request of the Ministry of Food. They grew food on their company allotments and knitted for the entire country. The embodiment of the Home Front spirit, they dug shelters, provided crucial First Aid, and also assisted the millions of children who were forced to flee their city homes to safer places in the country. It is difficult to imagine what the war effort would have looked like without the Guides. Full of fond and funny anecdotes and rich social history, 'How the Guides Won the War' takes us on the journey of one of the twentieth century's most extraordinary movements." --

[Uncovering Archaeology](#) - Dennis Cassinelli 2010-02-20

In his much-anticipated third book, northern Nevada author Dennis Cassinelli explores an array of issues often neglected by professional archaeologists and anthropologists. Leveling a critical eye at our current system of science, Cassinelli delves deep into the historical mysteries of the Great Basin and beyond, tracing the roots of bygone civilizations and piecing

together the intricate puzzle of who we are and where we came from. Join Dennis on a journey through time that offers insightful new theories on topics ranging from Christ to the Spirit Cave Man to the ancient Mayans. With his passion for discovery combined with a conversational narrative style, Cassinelli ignites a compelling interest in history by posing questions few others dare ask

[You Throw Like a Girl](#) - Rachele Alpine 2017-02-14

Miss Congeniality meets She's the Man in this hilarious M!X novel about a girl torn between competing in a beauty pageant and playing on the boy's baseball team. Gabby's summer vacation isn't shaping up to be that great. Her dad was just deployed overseas, and Gabby is staying at her grandmother's house with her mom and baby sister until he returns. The one bright spot is that Gabby plans to sign up for the local softball league—her greatest love and a passion she shares with her Dad who was a pitcher in college. But when Gabby goes to sign up for the summer league, she discovers that there wasn't enough interest to justify a girl's team this year. And to top it off, a horrible miscommunication ends with Gabby signed up to participate in the Miss Popcorn Festival—the annual pageant that Gabby's mom dominated when she was younger. Besides not having any interest in the pageant life, Gabby made a promise to her dad that she would play softball for the summer. Since her pitching skills rival any boy her age, Gabby creates a master plan: disguise herself as a boy and sign up for the boy's baseball team instead—and try to win the pageant to make Mom happy. Can Gabby juggle perfecting her pageant walk and perfecting her fastball? Or will this plan strike out?

The Girl's Guide to Saving the World - Elinor Cook 2014

"Jane and Bella are best friends. They're starting a revolution. But they're falling out of step. Meanwhile, Toby dreams of babies, buggies, and home improvement. But he can't even father his cat. And that boy keeps telling Jane to take what she wants. But what is that, exactly? Three nearly thirty-somethings attempt to make sense of their own uncertain worlds. Even if it means losing sight of each other in the process. A frank and funny new play about friendship, feminism and what it means to be successful."--Page [4] of cover

How to be a Craftivist - Sarah Corbett 2017-10-05

'This is mindful activism . . . thought-out, strategic and engaging' Guardian 'I love what Sarah does! It's quiet activism for everyone including introverts' Jon Ronson 'Sarah Corbett mixes an A-grade mind with astonishing creativity and emotional awareness' Lucy Siegle If we want a world that is beautiful, kind and fair, shouldn't our activism be beautiful, kind and fair? Award-winning campaigner and founder of the global Craftivist Collective Sarah Corbett shows how to respond to injustice not with apathy or aggression, but with gentle, effective protest. This is a manifesto - for a more respectful and contemplative activism; for conversation and collaboration where too often these is division and conflict; for using craft to engage, empower and encourage us all to be the change we wish to see in the world. Sarah's craftivism has helped change laws and business policies as well as hearts and minds; here, with thoughtful principles and practical examples, she shows that quiet action can speak as powerfully as the loudest voice.

Célébrons Nos Réussites Féministes - Karen Blackford 1999

Abuses by international corporations, withdrawal of social services and implementation of regressive legislation continue to impoverish women and reduce the quality of their everyday lives: women have reason to be demoralized. Recognizing this

challenging and difficult situation, this volume reviews women's successes at feminizing Canadian institutions. It is intended to hearten the women's movement and show the potential for feminist change and suggest ways to realize this potential. Bilingual edition.

A Good Time to be a Girl - Helena Morrissey 2018

From the founder of the worldwide 30% Club campaign comes a career book for women in a transforming world who don't just want to lean in, but instead, shatter the paradigm as we know it. 'I absolutely love her, I think she's such a force for good' Pandora Sykes, *The High Low* In *A Good Time to be a Girl*, Helena Morrissey sets out how we might achieve the next big breakthrough towards a truly inclusive modern society. Drawing on her experience as a City CEO, mother of nine, and founder of the influential 30% Club which campaigns for gender-balanced UK company boards, her manifesto for new ways of working, living, loving and raising families is for everyone, not just women. Making a powerful case for diversity and difference in any workplace, she shows how, together, we can develop smarter thinking and broader definitions of success. Gender balance, in her view, is an essential driver of economic prosperity and part of the solution to the many problems we face today. Her approach is not aimed merely at training a few more women in working practices that have outlived their usefulness. Instead, this book sets out a way to reinvent the game - not at the expense of men but in ways that are right and relevant for a digital age. It is a powerful guide to success for us all.

Tracing Your Ancestors' Childhood - Sue

Wilkes 2013-09-19

Every family historian has child ancestors, and childhood experiences and records are an essential aspect of research into a past life. That is why Sue Wilkes's detailed and accessible handbook is such a useful guide for anyone who is trying to find out about the early years of their forbears. In *Tracing Your Ancestors' Childhood* she explores the history of childhood and education and brings together information about relevant records and archives into one handy reference guide. She outlines ancestors' childhood experiences at home, school, work and in institutions, especially during Victorian times. In the opening chapter she reviews basic family history sources, then she discusses records of childhood in detail. Specialist archives, published sources, recommended reading and other resources and documents are covered. She focuses primarily on England and Wales and covers the years 1750-1950. The second part of her book is a directory of archives and specialist repositories. Databases of children's societies, useful genealogy websites, and places to visit which bring the social history of childhood to life are all included.
