How to Approach Women - Eddie Strickland
2012-12-14

In this book, I will share with you some very effective, field-tested techniques and strategies to: help you get into the right place mentally, walk up to a woman and say something (that has been proven to work,) and then start having a conversation with her that will both interest and intrigue her. But, I have to warn you... some of the advice given in this book will seem a bit crazy and out there. It will seem counter-intuitive to you. I'm warning and preparing you in advance so that when you do come across something in here that seems like it will never work, just remember this... If what you're doing right now is not working, it's time to try something new, something different, even something that may seem crazy and counter-intuitive to you right now. So, do keep that in mind as you go through this book. And, remember that what I share with you here has been proven to work countless times, by countless men, on many beautiful women. And, while the focus of this book is on "how to approach a woman successfully," I will also throw in some bonus tips on how to take things further, and escalate things in a romantic and/or sexual way.

Nervous to Approach and Talk to Women 1-on-1? Wipe Your Tears - The Final Solution is Here...
□ Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free □ If anyone had told me I'd be amazing and confident in getting women some years ago, I wouldn't believe. I have been through what you're going through. I was scared to approach and talk to the women I liked. After so much frustration, I decided enough was enough - just the same way you have finally decided and ended up here, which is the best place to discover all the things dating gurus will never tell you about approaching beautiful women the right way. In Chapter 1, WWWW, we gave a

list of words that'll appear as we learn the craft of approaching a woman. We discussed the only two types of ways to woo her which are ID (Indirect opener) and DO (Direct Opener), and how they're applied with examples. We looked into nervousness. We looked into the Five WWWWs of starting a conversation with a woman which are: Where, When, Why, What, & Which. And we finally added extra examples of DO and ID. In Chapter 2, Operation Rejection, shortened as ORej. We talked on approaching women while having rejection as your most important outcome. If you're not rejected, it's a failure. Being rejected is a success. We looked into 7 different "How Tos" which are: how to woo a seated girl (in any settings); how to woo in class, school, gym centers, gatherings, events and parties; how to woo at the workplace or in an office; how to woo a girl who makes you nervous; how to woo a stubborn girl; how to woo a girl at the market or mall, and how to woo a girl on the queue (any queue) with some examples for each. In Chapter 3, ON/OFF, we discussed how Push and Pull (PP) works with some examples. We talked on the types of push and pull. We also looked into things you'll have or be that'll make you never to be nervous around girls. We gave an example on building rapport with Sad Anchor and other explanations. In Chapter 4, look inside to see what it's all about. In Chapter 5, Accidental Accusation, we talked on how to accuse a girl to start a conversation. This technique gets a woman hooked with curiosity. We looked into psychological compliments and humor with some examples of how they work. We briefly discussed how to treat a woman and how to book a date. I told some personal stories and gave some examples. We also discussed one of the keys to dating. We talked about flaking and how to handle women's insult and convert them to compliments. In Chapter 6, Legends' Magic. This is one of the most important chapters, because we gave some brief explanations on other things and finally looked into the magic formula to come up with your personal conversations. We discussed the mighty EARTH formulas. The three types and gave an example of each. We have iEarth, EARTH, and EARTHics. In Chapter 7, Kidding, we gave a list of childish and stupid pick-up lines which will not make

sense to men, but women will laugh when they hear some of them. We gave an example on iSHY wooing/chatting technique. In Chapter 8, Mindset. We talked on how you should not start a conversation from the beginning, but always from the middle. We talked on how to woo a lady you haven't seen before. We equally discussed how to use arrogance and humor to woo a lady. We discussed a good-bad boy and a typical bad boy and much more Finally, we revealed something that'll FOREVER change your life in the dating game and stay ahead of other men with picture illustrations. A secret you can't find anywhere online or offline. Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be

sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

YOUR BOYFRIEND'S BEST GIRLFRIEND: A Tomboy's Guide To Knowing, Loving And Understanding Men - CM Writer 2014-07-05

What happens when a southern tomboy, who grew up "dating like a dude" only to discover she had daddy issues that hurt the men she was once involved with, suffers heart-break and goes on a journey of self-discovery that guides her into frank discussions with men about parenting, relationships, sex, love, and growing pains? "A Tomboy's Guide" begins with the back story of a

woman who grows up as a tomboy. It delves into both heavy (a story about sexual assault) and light hearted subjects (asking "Who pays for dates?"). Each chapter includes "YBBG LESSONS" that tackle many of the conflicts that men and women face when dealing with each other in a myriad of relationship settings.

"CONVERSATIONS" with men from every walk of life, help dispel the negative ways men are normally portrayed. Men open up and show the rawness of emotions they seldom reveal when dealing with relationship issues.
