Practical Peer-to-Peer Teaching and Learning on the Social Web -

Hai-Jew, Shalin 2021-11-19

On the Social Web, people share their enthusiasms and expertise on almost every topic, and based on this, learners can find resources created by individuals with varying expertise. Through this trend and the wide availability of video cameras and authoring tools, people are creating DIY resources and sharing their knowledge, skills, and abilities broadly. While these resources are increasing in availability, what has not been explored is the effectiveness of these resources, peer-to-peer teaching and learning, and how well this content prepares learners for professional roles. Practical Peer-to-Peer Teaching and Learning on the Social Web explores the efficacies of online teaching and learning with materials by peers and provides insights into what is made available for teaching and learning by the broad public. It also considers intended and unintended outcomes of open-shared learning online and discusses practical ethics in teaching and learning online. Covering topics such as

learner roles and instructional design, it is ideal for teachers, instructional designers and developers, software developers, user interface designers, researchers, academicians, and students.

Vanishing Ireland - James Fennel 2012-01-17

In *Vanishing Ireland II*, the follow up to the bestselling *Vanishing Ireland I*, we take another journey down memory lane and, through a unique collection of portrait interviews, we look at the dying ways and traditions of Irish life. Illustrated with over a hundred evocative and stunning photographs, we meet the people and the customs that are fast becoming a distant memory. Through their own words and memories, men and women from every corner of Ireland transport us back to a simpler time when people lived off the land and the sea, and when music and storytelling were essential parts of life. *Vanishing Ireland* brings together the stories of those who lived through Ireland's formative years. These poignant interviews and photographs will make you laugh and cry but, above all, will provide a valuable chronicle that connects twenty-first century Ireland to a rapidly disappearing world.

The Girls' Guide to Hunting and Fishing - Melissa Bank 2005-05-26

Generous-hearted and wickedly insightful, *The Girls' Guide to Hunting and Fishing* is the New York Times bestselling novel by Melissa Bank. *The Girls' Guide to Hunting and Fishing* maps the progress of Jane Rosenthal as she sets out on a personal and spirited expedition through the perilous terrain of sex, love, relationships, and the treacherous waters of the workplace. Soon Jane is swept off her feet by an older man and into a Fitzgeraldesque whirl of cocktail parties, country houses, and rules that were made to be broken, but comes to realise that it's a world where the stakes are much too high for comfort. With an unforgettable comic touch, Bank skilfully teases out universal issues, puts a clever new spin on the mating dance, and captures in perfect pitch what it's like to come of age as a young woman. 'This chronicle of a New Yorker's relationships has a wit and perceptiveness that singles it out from the crowd' *Guardian* 'As hilarious as *Girls' Guide* is, there's a wise, serious core here' *Wall Street Journal* 'A sexy, pour-your-heart-out, champagne tingle of a read-thoughtful, wise, and tell-all honest. Bank's is a voice that you'll

remember' Cosmopolitan

Uhura's Song - Janet Kagan 2000-09-22

Years ago, Lt. Uhura befriended a diplomat from Eeiau, the land of graceful, cat-like beings. The two women exchanged songs and promised never to reveal their secret—but now, those songs may be the only hope to save the planets from a deadly epidemic. The U.S.S. Enterprise™ is orbiting Eeiau in a desperate race to save the inhabitants before a deadly plague destroys them. Uhura's secret songs may hold the key to a cure—but the clues are veiled in layers of mystery and the inhabitants of Eeiau aren't what they seem. But the plague is killing humans, threatening other planets—and Kirk must crack the code before the Starship Enterprise succumbs!

The Maidens - Alex Michaelides 2023-11-28

From the #1 New York Times bestselling author of *The Silent Patient* comes a spellbinding tale of psychological suspense, weaving together Greek mythology, murder, and obsession, that further cements “Michaelides as a major player in the field” (Publishers Weekly)—now in mass market. Edward Fosca is a murderer. Of this Mariana is certain. But Fosca is untouchable. A handsome and charismatic Greek tragedy professor at Cambridge University, Fosca is adored by staff and students alike particularly by the members of a secret society of female students known as The Maidens. Mariana Andros is a brilliant but troubled group therapist who becomes fixated on The Maidens when one member, a friend of Mariana’s niece Zoe, is found murdered in Cambridge. Mariana, who was once herself a student at the university, quickly suspects that behind the idyllic beauty of the spires and turrets, and beneath the ancient traditions, lies something sinister. And she becomes convinced that, despite his alibi, Edward Fosca is guilty of the murder. But why would the professor target one of his students? And why does he keep returning to the rites of Persephone, the maiden, and her journey to the underworld? When another body is found, Mariana’s obsession with proving Fosca’s guilt spirals out of control, threatening to destroy her credibility as well as her closest relationships. But Mariana is determined to stop this killer, even if it costs her everything—including her own life.

Made for This Moment - Madison Prewett Troutt 2021-10-19

A single moment can change your life forever. When that moment arrives, will you be ready? In this deeply personal book, Madison Prewett invites you into the moments that shaped her so that you can learn how to stand firm in your own convictions before your big moment comes along. When Madison appeared on season 24 of *The Bachelor*, she quickly earned a reputation for her ability to stay rooted in her convictions in the face of uncertainty. Again and again, she proved that she was fully prepared to stand up for what she believed in—even in the most challenging moments. If you're eager to learn how to keep your standards high and your roots deep so that you can make decisions you're proud of, Madi's authentic vulnerability and real-life challenges will help you live a life of integrity, grace, and courage. In *Made for This Moment*, Madi uses the biblical story of Esther to help you find the encouragement you need to: Decide who you want to be before you step into your Big Moments Claim your confidence so you can get out of the comparison game Learn strategies for dealing with your past so it won't hinder your present Break free from the labels others put on you Learn how to respond to offense with grit and grace Discover how to be true to yourself no matter what No matter what stage of life you're in, *Made for This Moment* will help you navigate the complex realities of living in an age of social media and confusing standards. God's timing is not a mistake—you were made for this exact moment.

Beatlebone - Kevin Barry 2015-10-29

WINNER OF THE GOLDSMITHS PRIZE SHORTLISTED FOR THE IRISH BOOK AWARDS 2015 He will spend three days alone on his island. That is all that he asks . . . John is so many miles from love now and home. This is the story of his strangest trip. John owns a tiny island off the west coast of Ireland. Maybe it is there that he can at last outrun the shadows of his past. The tale of a wild journey into the world and a wild journey within, *Beatlebone* is a mystery box of a novel. It's a portrait of an artist at a time of creative strife. It is most of all a sad and beautiful comedy

from one of the most gifted stylists now at work.

Dramatics - 2002

Call Me, Maybe - Ellie Cahill 2016-02-09

"Ellie Cahill is definitely one to watch!" raves bestselling author Cora Carmack, and this steamy, upbeat modern romance about connecting in all the best ways proves it once again. Clementine Daly knows she's the black sheep. Her wealthy, powerful family has watched her very closely since she almost got caught in an embarrassing scandal a few years ago. So when Clementine's sent on a mission to live up to the Daly name, politely declining isn't an option. Of course, the last thing she does before boarding the plane is to grab a stranger's phone by mistake—leaving the hunky journalist with her phone. Soon his sexy voice is on the line, but he doesn't know her real name, or her famous pedigree—which is just the way Clementine likes it. Despite all the hassles, Justin Mueller is intrigued to realize that the beautiful brown-eyed girl he met at the airport is suddenly at his fingertips. They agree to exchange phones when they're both back in town, but after a week of flirty texts and wonderfully intimate conversations, Justin doesn't want to let her go. The only problem? It turns out that Clemetine has been lying to him about, well, everything. Except for the one thing two people can't fake, the only thing that matters: The heat between them is for real. Praise for Ellie Cahill's *When Joss Met Matt* "Hands down, one of my favorite New Adult reads."—New York Times bestselling author Cora Carmack "This is one of those books that make you forget everything around you. Prepare to be consumed by this story."—New York Times bestselling author Sophie Jordan "Fun, sexy, and full of amazing chemistry, *When Joss Met Matt* is an entertaining escape that will leave you smiling with every turn of the page."—Cassie Mae, author of *No Interest in Love* Includes an excerpt from another Loveswept title.

Portable Literature - Laurie G. Kirsznar 2006

The Wednesday Wars - Gary D. Schmidt 2007

During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns much of value about the world he lives in.

All the Better Part of Me - Molly Ringle 2019-09-03

It's an inconvenient time for Sinter Blackwell to realize he's bisexual. He's a 25-year-old American actor working in London, living far away from his disapproving parents in the Pacific Northwest, and enjoying a flirtation with his director Fiona. But he can't deny that his favorite parts of each day are the messages from his gay best friend Andy in Seattle—whom Sinter once kissed when they were 15. Finally he decides to return to America to visit Andy and discover what's between them, if anything. He isn't seeking love, and definitely doesn't want drama. But both love and drama seem determined to find him. Family complications soon force him into the most consequential decisions of his life, threatening all his most important relationships: with Andy, Fiona, his parents, and everyone else who's counting on him. Choosing the right role to play has never been harder.

Deadly Dreams - Kari Lemor 2023-09-27

His life is a lie... Sofia Storm isn't asking for much: a thriving career in interior design and a genuine partner to share stability and love—ideally, a marriage like her parents have. Yet all the men she's met are losers. Her dating app keeps spewing out one bad encounter after another. John Michaels lives life under a fake name and a fake smile. Forever on the move, he's mastered the art of evading attachments and sidestepping commitments. For five years, he's found solace in the tight-knit community of Squamscott Falls, forming strong relationships, with Sofie at the top of his list. He'd love more than friendship with her but knows he might have to vanish at any second. When Sofie moves her designer business into his contractor office, the close encounters ignite the explosive chemistry between them. Their connection burns hot, but Sofie

is still looking for a man who'll stick around. John can't promise longevity, knowing any moment the lurking darkness from his past could show up and turn things deadly...
