**Dying for a Headline** - Mary Lynch 2015-04-30

There was a time when the entire livelihood of Almsmorton Village depended on Almsmorton Manor and the family that lived there. But jobs declined over the years as farmland was leased to others, horses were sold off, and most of the house closed up. Finally, the current Lord and Lady Almsmorton moved to London. Their son, Timothy Treymour, is determined to restore the manor house to its former glory and provide jobs for the villagers again. Meredith Abbott has taken a giant leap of faith in packing her bags and moving to England with Timothy but there is other baggage she cannot leave behind--the emotional scars of her divorce from movie star, Antonio DeLeon. Meredith wants to be happy with her new life in the idyllic English countryside. All is well--except for Meredith's nagging certainty that Tonio will come to Almsmorton and ruin everything. Back in L.A., Antonio is not happy, with his career on the decline and his new marriage a farce. What's really fueling his anger is knowing that HIS Meredith is in England with Timothy. Does Meredith really think he'll ever let her be happy without him?

*Melting the Argentine Doctor's Heart* - Meredith Webber 2014-12-15

Scarred in an accident, Dr Jorge Suárez turns his back on everything except his work in the poorer areas of Buenos Aires. He doesn't deal with emotions—especially not his own! That is until his beautiful ex Caroline arrives, with their adorable daughter who calls him "Papa". Dr Jorge is starting to feel again—whether he wants to or not...

*The A&E Docs And Australian Nights Collection* - Brenda Harlen 2021-06-01

A fabulous double collection of sizzling romances from Mills & Boon

**The Chairman** - Peter Golenbock 2014-06-01

The Chairman, a Shakespearean tale of friendship and betrayal that rivals that of Hamlet, is the harrowing story of Jim Greer, a man loyal to a fault to Florida Governor Charlie Crist, his benefactor. Greer trusts Crist to protect him from the onslaught of the Tea Party wing of the party, only to watch as Crist stabs him in the back and helps send him to prison in order to try to save his own political career. It's also a political tell-all, the truth about how wealth begets power in Republican-led state politics. The book details the secret deals, the dirty pool, the payoffs. It's also very personal, an inside look at the brotherly relationship between Greer and Crist, the ruthlessness of potential Presidential candidate Marco Rubio and attorney general Bill McCollum, as well as at every turn political treachery.

**Rainbow Valley - the Original Classic**

**Edition** - L. M. Montgomery 2012-06

I really think the only reason not to find Rainbow Valley one of L. M. Montgomery's better novels in the Anne series is because it obviously has the least to do with Anne or her children. Once Anne

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2022-04-15  
by guest

finally married Gilbert in *Annes House of Dreams* (1917), Montgomery seemed to be at a loss as to what to do with her delightful red-headed orphan now that she was a mother. So when this book was written in 1919 she focused on the four Meredith children who belonged to new Presbyterian minister, John Meredith, who was a widower. I can certainly see where some readers would be less than pleased with this particular direction, but the scene near the end of the novel where little Una Meredith communes with her late mother's wedding dress before going off to get her father a wife is as touching as anything Montgomery ever wrote. To be clear, *Rainbow Valley* is the fifth of the original six Anne books written by Montgomery, which ended in 1920 with *Rilla of Ingleside*. It would not be until 1936 that she would write *Anne of Windy Poplars*, which became the fourth book in the series and took us back to when Anne was engaged to Gilbert and waiting for him to finish medical school. In 1939 she wrote her final novel, *Anne of Ingleside*, which is the least of the Anne books, taking place before *Rainbow Valley* and engaging in some heavy handed foreshadowing as to what would happen to her characters. This 1919 book is dedicated: To the memory of Goldwin Lapp, Robert Brookes and Morley Shier who made the supreme sacrifice that the happy valleys of their home land might be kept sacred from the ravage of the invader. So clearly Montgomery was thinking of the next book she would write, that would take place during the First World War. At this point in time Anne Shirley has been married to Gilbert Blythe for 15 years and is now the mother of six children: James (called Jem), Walter, Nan, Diana (Di), Shirley, and Marilla (Rilla). The Mrs. and the Doctor return home to Four Winds Harbor from a trip to Europe and discover the new minister and his four children: Jerry, Faith, Una and Carl. Without a mother and a father given over to deams, the manse children tend to run a bit wild. However, it seems that when they try to do their very best, it occasions the most local gossip, and the children are worried they will cost their father his job. Of course the Meredith and Blythe children become good friends, and the manse children have Anne's stamp of approval, which is good enough for us. Two major plots in the novel involve Mary Vance, an

orphan girl who finds an unexpected home and continues to cause trouble for all concerned, and Rosemary West, a young woman who John Meredith falls for but whose sister Ellen does not want to be alone and causes romantic complications that Una needs to iron out in the end. All in all, *Rainbow Valley* reminds me more of *The Story Girl* and *The Golden Road* than any of the other Anne books, with the Meredith children having a series of humorous misadventures. I am also impressed because as you can tell from the ending when Walter Blythe speaks of *The Piper*, that Montgomery is already committed to writing about what happens to these children during World War I in her next Anne book, *Rilla of Ingleside*. Even though it is atypical *Rainbow Valley* is my second favorite book in the Anne series. Highly recommended.

**Making Waves** - Meredith Summers 2020-06-16  
Maxi's life is about to change, but not in the way she expects... Maxi Stevens is at a crossroads. Things between her and James haven't been the same since their kids left the nest. When she finds proof that indicates he may have strayed, she strikes out on her own. James' infidelity has a silver lining, though. Maxi can finally do all the things James wouldn't approve of like pursuing her lifelong dream of becoming an artist. But everything is not as it seems. James wants Maxi back and will do anything to win her over. He'll even beg Maxi's best friends Claire and Jane for help. Will they want to team up with someone who they think has done their friend wrong? Jane Miller has her own problems to deal with. She's trying to satisfy the demands of a Bridezilla whose outbursts could ruin the first wedding at Tides. The success of the wedding is critical for the survival of the inn that has been in her family for four generations, luckily she has her sister, Andie, to help out. Everyone is surprised that Andie is still in Lobster Bay. She didn't think she'd still be here either, but she's found a few reasons to stick around... at least for a little while. It's not too late for her to go back to her job as an antiques appraiser in NYC and the opportunity to make that one big discovery she's always dreamed of. Does Lobster Bay have something even better to offer? Jane's new relationship with Mike Henderson hits a snafu, Andie makes a startling discovery and things come together for Maxi with a happy ending she

never would have predicted. Escape to Lobster Bay on the coast of Maine today and find out how these three friends navigate the changes in their lives. This book can be read as a standalone story, but it will be a lot more fun if you read books 1 & 2 first as you will get more background details about some of the characters in this story. READ THE REST OF THE SERIES: Saving Sandcastles (Book 1) Changing Tides (Book 2) Making Waves (Book 3)

George Meredith and English Comedy - V.S. Pritchett 2011-09-28

'It is because we learn from the writers who have either got into difficulties or who have a certain vanity in creating them, that I have chosen Meredith as my subject', says Mr. Pritchett at the beginning of these Clark Lectures for 1969. The Meredith who, as Henry James remarked, 'did the best things best', but whose novels some critics have written off, was in some ways the forerunner of the contemporary novel, its erratic movement, its profusion of metaphor. His strange style was a device for linking his Romance to a real world, and Mr. Pritchett believes that the difficulties of this style have been in any case exaggerated. What he aimed at was comedy; but comedy 'conceived of as theatre'. 'The business of comedy is ruthlessly to expose the false emotions and the false image of oneself.' Meredith's great virtues as a writer of comedy were his power to analyse states of mind and his gift for slipping out of one mind into another. Mr. Pritchett illuminates these virtues no less than Meredith's defects with brilliant commentaries on Beauchamp's Career, The Ordeal of Richard Feverel, Evan Harrington, Harry Richmond and The Egoist. A passionate feminist, a romantic poet with a leaning to the mythic, a champion of intelligence and the values which spring from it, Meredith wrote novels whose originality can be clearly seen from Mr. Pritchett's fresh viewpoint.

**the mystery guest** - Grégoire Bouillier 2007

*George Meredith* - Ioan Williams 2012-11-12  
The Critical Heritage gathers together a large body of critical sources on major figures in literature. Each volume presents contemporary responses to a writer's work, enabling the student and researcher to read the material

themselves.

*How to Save a Life* - Lynette Rice 2021-09-21  
THE NEW YORK TIMES BESTSELLER The first inside story of one of TV's most popular and beloved dramas, Grey's Anatomy. More than fifteen years after its premiere, Grey's Anatomy remains one of the most beloved dramas on television and ABC's most important property. It typically wins its time slot and has ranked in the Top 20 most-watched shows in primetime for most of its seventeen-season run. It currently averages more than eight million viewers each week. Beyond that, it's been a cultural touchstone. It introduced the unique voice and vision of Shonda Rhimes; it made Ellen Pompeo, Sandra Oh and T.R. Knight household names; and injected words and phrases into the cultural lexicon, such as "McDreamy," "seriously," and "you're my person." And the behind-the-scenes drama has always been just as juicy as what was happening in front of the camera, from the controversial departure of Isaiah Washington to Katherine Heigl's fall from grace and Patrick Dempsey's shocking death episode. The show continued to hemorrhage key players, but the beloved hospital series never skipped a beat. Lynette Rice's How to Save A Life takes a totally unauthorized deep dive into the show's humble start, while offering exclusive intel on the behind-the-scenes culture, the most heartbreaking departures and the more polarizing plotlines. This exhaustively enthusiastic book is one that no Grey's Anatomy fan should be without.

*British Book News* - 1979-07

**Behind Prison Bars** - Ryan Albanese

by guest

mountain village, and the man's wife isn't talking either. Then a second death occurs, with remarkable similarities. It's time to talk about murder. As a slow-burning relationship heats up in her own life, Meredith struggles with concepts of love and hate, belief and suspicion, and absolution and guilt. Nothing is clear cut... She must decide: Is guilt, like evil, something you can choose to believe in?

The Witches Sib - Judi Cutrone

### **Searching For Meredith Love -**

**Doctors Down Under** - Meredith Webber

Previously published as *The Surgeon's Second Chance*. Three carefree medical students. Harry loved Steph...but Steph married Martin. Five years on, Steph is a widow. Martin's bereaved parents are fighting for custody of her beloved daughter. And Harry is back in town...and back in love! Harry knows that he and Steph should be together, and he's not going to miss his second chance! He failed her before. He has to prove she can trust him now. But that won't be easy when he's hiding a crucial secret from her...

Hearts Entwined - D.S. Williams 2023-06-16

A collection of three contemporary romance novels by D.S. Williams, Julia Sutton & Lorna Read, now available in one volume! Tokens Of

*My Confection*: Life hasn't been easy for Cady Caldwell, but there has always been one thing to keep her going: protecting her younger sisters and making sure their lives are happy. Escaping her abusive marriage, Cady is shunted off to the small town of Garrison, Montana, to live with her paternal grandmother. Now, it seems that her two younger sisters, and an equally determined grandmother, are determined on looking after her... and getting her to live again. *Cocktails, Wedding Bells and Summer Madness*: When Rose's best friend arrives home from a ten year around-the-world trip, her comfortable existence is thrown into disarray. Persuaded to take on the role of Matron of Honour, she's promised sun, sea, sand and a rousing good time at the wedding. But can she cope with her fear of flying, mosquitoes, men, and everything else that takes her out of her comfort zone - and survive a ten day holiday with an over-excited bride to be, a bossy bridesmaid and a moody, enigmatic best man? *Half A Rainbow*: After a disastrous affair, artist Leah Mason plans to reinvent herself in a small Cornish village where nothing ever happens. But life in St. Jofra is far from quiet, and soon Leah befriends her neighbour Nat, and crosses paths with the handsome doctor Joshua Gray. When an old friend tracks her down, Leah is forced to confront all the things she wanted to forget. But will she find love?
