

Doris Day Confidential Hollywood Sex And Stardom

The Time of Our Lives - Yannis Tzioumakis
2013-03-18

A low-budget independent film made by a now defunct video company in the late 1980s, *Dirty Dancing* became a sleeper hit with a huge, primarily young audience. Even twenty-five years on, the film has found millions of devoted fans around the world through TV, video, and DVD releases. In *The Time of Our Lives: Dirty Dancing and Popular Culture* editors Yannis Tzioumakis and Siân Lincoln bring together leading scholars of film, media, music, culture, theater, dance, and sociology to examine for the first time the global cultural phenomenon of *Dirty Dancing*. Tzioumakis and Lincoln begin by assessing *Dirty Dancing*'s cultural impact in the decades since its release and introduce contributors in four sections. Essays in "Dirty Dancing in Context" look at the film from several perspectives, including its production and distribution history, its blending of genres, its treatment of race, and its place in the political and visual culture of the 1980s. In "Questions of Reception," contributors examine the many ways that the film has been received since its release, while those in "The Production of Nostalgia" focus on the film's often critiqued production of an idealized past. Finally, contributors in "Beyond the Film" examine the celebrated synergies that the film achieved in the "high concept" film environment of the 1980s, and the final two essays deal with the successful adaptation of the film for the stage. With the enormous cultural impact it has made over the years, *Dirty Dancing* offers many opportunities for thought-provoking analysis. Fans of the movie and students and scholars of cultural, performance, and film history will appreciate the insight in *The Time of Our Lives*.

Westerns - Gary R. Edgerton 2013-09-13

For nearly two centuries, Americans have embraced the Western like no other artistic genre. Creators and consumers alike have

utilized this story form in literature, painting, film, radio and television to explore questions of national identity and purpose. *Westerns: The Essential Collection* comprises the *Journal of Popular Film and Television*'s rich and longstanding legacy of scholarship on Westerns with a new special issue devoted exclusively to the genre. This collection examines and analyzes the evolution and significance of the screen Western from its earliest beginnings to its current global reach and relevance in the 21st century. *Westerns: The Essential Collection* addresses the rise, fall and durability of the genre, and examines its preoccupation with multicultural matters in its organizational structure. Containing eighteen essays published between 1972 and 2011, this seminal work is divided into six sections covering Silent Westerns, Classic Westerns, Race and Westerns, Gender and Westerns, Revisionist Westerns and Westerns in Global Context. A wide range of international contributors offer original critical perspectives on the intricate relationship between American culture and Western films and television series. *Westerns: The Essential Collection* places the genre squarely within the broader aesthetic, socio-historical, cultural and political dimensions of life in the United States as well as internationally, where the Western has been reinvigorated and reinvented many times. This groundbreaking anthology illustrates how Western films and television series have been used to define the present and discover the future by looking backwards at America's imagined past.

Cary Grant, the Making of a Hollywood Legend - Mark Glancy 2020-09-25

The first biography to be based on Grant's own personal papers, *Cary Grant: the making of a Hollywood legend* provides a definitive account of the professional and personal life of one of Hollywood's most unforgettable, influential stars.

Hollywood Catwalk - Tamar Jeffers McDonald
2010-06-22

The High School outsider takes off her glasses, puts on a dress, and becomes the Prom Queen; the dowdy woman has her hair done, buys some chic new clothes and starts to attract the men. Cinderella and Pygmalion stories still provide inspiration for the plots of Hollywood romantic comedies, dramas, and even action films. Their perennial use prompts a series of questions: is, for example, male agency necessary to effect the transformation, or can the woman change herself? Can she ever change him? Most pressingly, what do these images of change and transformation, of improvement and transcendence tell us, the viewers, about what we should be doing? Investigating these questions, this book examines a key but frequently overlooked aspect of film style: the costume. Across all the films discussed, costume and the body it covers becomes the crucial element in the transformation scene, exemplifying the 'before' and 'after' of the successful change. Exploring the fantasies of transcendence and transformation sold through these films and exemplified in the costumes, this book examines "Calamity Jane", "Midnight Cowboy", "Clueless", "The Long Kiss Goodnight", "The Devil Wears Prada", and many other examples from both classic and contemporary Hollywood.

Doris Day Confidential - Tamar Jeffers McDonald
2013-09-27

Doris Day was a major star during the 1950s and 60s. Even now, many years after her final film and years since her last regular television appearances, the star's name retains currency: she is often invoked as shorthand for a kind of sexuality now felt outmoded, with virginity firmly maintained until marriage. Although this assumption is widespread, close attention to the facts of Day's own life challenges it, and the majority of her film roles also prove otherwise, with Day most frequently portraying a woman of maturely sexual desires. Redressing a surprisingly meagre body of work on Doris Day, this book investigates why the rigid view of Day's maintained virginity should have arisen and become so fixed to the star, even now. Taking a twofold approach, Tamar Jeffers McDonald both closely examines Day's film roles

and performances and explores material from other popular media for the source of the virgin myth. Day featured continuously in public discourse, and media stories were often devoted to her personal life: it was widely known that she had been married three times and had a son. Why then did the pejorative label, 'the-forty-year-old virgin', arise, and why has it stuck so tenaciously to Day until today? Investigating a range of sources in order to discover why this maturely sexual star has become indelibly associated with maintained virginity, *Doris Day Confidential* analyses in detail Day's characters and performances across her career. By focusing on contemporary popular culture contexts, using newspaper stories, articles from film, fan and lifestyle magazines, reviews and gossip, it charts the developments in Day's screen 'persona', highlighting the changing public perception of the star of *Calamity Jane*, *Love Me Or Leave Me* and *Pillow Talk*, as aided and abetted by the media.

Star Attractions - Tamar Jeffers McDonald
2019

During Hollywood's "classic era," from the 1920s to 1950s, roughly twenty major fan magazines were offered each month at American newsstands and abroad. These publications famously fed fan obsessions with celebrities such as Mae West and Elvis Presley. Looking at these magazines with fresh regarding eyes and treating them as primary sources, the contributors of this collection provide unique insights into contemporary assumptions about the relationship between fan and star, performer and viewer. In doing so, they reveal the magazines to be a huge and largely untapped resource on a wealth of subjects, including gender roles, appearance and behavior, and national identity.

Screening the Hollywood rebels in 1950s Britain
- Anna Ariadne Knight 2021-09-28

This book examines issues of censorship, publicity and teenage fandom in 1950s Britain surrounding a series of controversial Hollywood films: *The Wild One*, *Blackboard Jungle*, *Rebel Without a Cause*, *Rock Around the Clock* and *Jailhouse Rock*. It also explores British cinema's commentary on juvenile delinquency through a re-examination of such British films as *The Blue Lamp*, *Spare the Rod* and *Serious Charge*.

Downloaded from
legacy.opendemocracy.net on
2022-03-31 by guest

Taking a multi-dimensional approach, the book intersects with star studies and social history while reappraising the stardom of Marlon Brando, James Dean and Elvis Presley. By looking at the specific meanings, pleasures and uses British fans derived from these films, it provides a logical and sustained narrative for how Hollywood star images fed into and disrupted British cultural life during a period of unprecedented teenage consumerism.

'Grease Is the Word' - Oliver Gruner
2019-11-22

Bringing together a group of international scholars from diverse academic backgrounds, 'Grease Is the Word' analyses the cultural phenomenon Grease. From the stage show's first appearance in 1971 to the Hollywood film of 1978 and twenty-first century responses to the 'Grease Megamix', 'Grease Is the Word' reflects on the musical's impact and enduring legacy. With essays covering everything from the film's production history, political representations and industrial impact to its stars and reception, the book shines a spotlight on one of Broadway's and Hollywood's biggest commercial successes. By adopting a range of perspectives and drawing on various visual, textual and archival sources, the contributors maintain a vibrant dialogue throughout, offering a timely reappraisal of a musical that continues to resonate with fans and commentators the world over.

Scoring the Hollywood Actor in the 1950s - Gregory Camp
2020-12-31

Scoring the Hollywood Actor in the 1950s theorises the connections between film acting and film music using the films of the 1950s as case studies. Closely examining performances of such actors as James Dean, Montgomery Clift, and Marilyn Monroe, and films of directors like Elia Kazan, Douglas Sirk, and Alfred Hitchcock, this volume provides a comprehensive view of how screen performance has been musicalised, including examination of the role of music in relation to the creation of cinematic performances and the perception of an actor's performance. The book also explores the idea of music as a temporal vector which mirrors the temporal vector of actors' voices and movements, ultimately demonstrating how acting and music go together to create a forward axis of time in the films of the 1950s. This is a

valuable resource for scholars and researchers of musicology, film music and film studies more generally.

When Harry Met Sally ... - Tamar Jeffers McDonald
2019-07-25

Ground-breaking in its departure from its predecessors, *When Harry Met Sally* (1989) established classic romantic comedy themes and tropes still being employed today. Placing the film in its historical, social and generic contexts, Tamar Jeffers-McDonald explores how writer Nora Ephron and director Rob Reiner used structure, filmic devices, music and classic romcom concepts in innovative new ways. In her fresh and timely appraisal of this definitive, much-loved classic, Jeffers McDonald reflects on the film's enduring legacy and influence on popular culture to give readers a wider perspective on the continuing evolution and importance of the romcom genre.

Recollecting Collecting - Lucy Fischer
2023-04-04

The impact of unique material collections that have helped shaped research, practice, and education in film and media studies.

A Companion to Film Comedy - Andrew Horton
2015-12-14

A wide-ranging survey of the subject that celebrates the variety and complexity of film comedy from the 'silent' days to the present, this authoritative guide offers an international perspective on the popular genre that explores all facets of its formative social, cultural and political context. A wide-ranging collection of 24 essays exploring film comedy from the silent era to the present. International in scope, the collection embraces not just American cinema, including Native American and African American, but also comic films from Europe, the Middle East, and Korea. Essays explore sub-genres, performers, and cultural perspectives such as gender, politics, and history in addition to individual works. Engages with different strands of comedy including slapstick, romantic, satirical and ironic. Features original entries from a diverse group of multidisciplinary international contributors.

Rock Hudson - John Mercer
2015-02-20

Tall, dark and handsome, with a manufactured name and a scrupulously designed professional image, Rock Hudson represented the Hollywood

ideal of American masculinity during the 1950s and 60s; an ideal that was to be questioned and ultimately undermined during the years to follow by lurid accounts of his private life and his death from AIDS related illness. This illuminating analysis of Hudson's career reassesses the perceived disparity between his public persona and his 'true' nature. Exploring his unique qualities as a performer and exposing the role of his agent, producers and directors in the construction of his image, John Mercer unpicks Hudson's stardom to reveal a more complex star identity than has hitherto been understood. Foregrounding the ways in which Hudson's career provides insights into the nature of American popular culture and attitudes towards gender and sexuality, Mercer ultimately depicts Hudson as a star who embodied a period of transition between the old Hollywood and the new.

Hollywood Catwalk - Tamar Jeffers McDonald
2010-06-30

The High School outsider takes off her glasses, puts on a dress, and becomes the Prom Queen; the dowdy woman has her hair done, buys some chic new clothes and starts to attract the men. Cinderella and Pygmalion stories still provide inspiration for the plots of Hollywood romantic comedies, dramas, and even action films. Their perennial use prompts a series of questions: is, for example, male agency necessary to effect the transformation, or can the woman change herself? Can she ever change him? Most pressingly, what do these images of change and transformation, of improvement and transcendence tell us, the viewers, about what we should be doing? Investigating these questions, this book examines a key but frequently overlooked aspect of film style: the costume. Across all the films discussed, costume and the body it covers becomes the crucial element in the transformation scene, exemplifying the 'before' and 'after' of the successful change. Exploring the fantasies of transcendence and transformation sold through these films and exemplified in the costumes, this book examines "Calamity Jane", "Midnight Cowboy", "Clueless", "The Long Kiss Goodnight", "The Devil Wears Prada", and many other examples from both classic and contemporary Hollywood.

Robert Taylor - Gillian Kelly 2019-06-27
Because of his lengthy screen resume that includes almost eighty appearances in such movies as *Camille* and *Waterloo Bridge*, as well as a marriage and divorce to actress Barbara Stanwyck, Robert Taylor was a central figure of Hollywood's classical era. Despite this, he can be regarded as a "lost" star, an interesting contradiction given the continued success he enjoyed during his lifetime. In *Robert Taylor: Male Beauty, Masculinity, and Stardom in Hollywood*, author Gillian Kelly investigates the initial construction and subsequent developments of Taylor's star persona across his thirty-five-year career. By examining concepts of male beauty, men as object of the erotic gaze, white American masculinity, and the unusual longevity of a career initially based on looks, Kelly highlights how gender, masculinity, and male stars and the ageing process affected Taylor's career. Placing Taylor within the histories of both Hollywood's classical era and mid-twentieth-century America, this study positions him firmly within the wider industrial, cultural, and socioeconomic contexts in which he worked. Kelly examines Taylor's film and television work as well as ephemeral material, such as fan magazines, to assess how his on- and off-screen personas were created and developed over time. Taking a mostly chronological approach, Kelly places Taylor's persona within specific historical moments in order to show the complex paradox of his image remaining consistently recognizable while also shifting seamlessly within the Hollywood industry. Furthermore, she explores Taylor's importance to Hollywood cinema by demonstrating how a star persona like his can "fit" so well, and for so long, that it almost becomes invisible and, eventually, almost forgotten.

Becoming Carole Lombard - Olympia Kiriakou
2020-02-20

Becoming Carole Lombard: Stardom, Comedy and Legacy is a historical critique of the development and reception of Carole Lombard's stardom from the classical Hollywood period to present day. Based on original archival research, Olympia Kiriakou combines theoretically informed textual analyses of Lombard's performances and star image across different media (biographies, publicity materials,

photography and film) with a critical engagement of the cultural, economic, social and industrial conditions that shaped her stardom. Sitting at the intersection of feminist film theory, star studies and comedy theory, this work presents Lombard as a case study to challenge the screwball canon and existent academic discourse about female physical comedy and the alleged "delicate" female body. In doing so, it formulates a new historical approach to understanding gender, femininity, and identity in Hollywood comedies of the 1930s. Moreover, this is the first research of its kind to offer a comprehensive understanding of Lombard's stardom beyond her associations with the screwball comedy genre.

Gene Tierney - Will Scheibel 2022-09-12
Hollywood's Gene Tierney, the lasting impact of her wartime and postwar films, and her continuing legacy.

Doris Day Confidential - Tamar Jeffers McDonald 2013-09-27

Doris Day was a major star during the 1950s and 60s. Even now, many years after her final film and years since her last regular television appearances, the star's name retains currency: she is often invoked as shorthand for a kind of sexuality now felt outmoded, with virginity firmly maintained until marriage. Although this assumption is widespread, close attention to the facts of Day's own life challenges it, and the majority of her film roles also prove otherwise, with Day most frequently portraying a woman of maturely sexual desires. Redressing a surprisingly meagre body of work on Doris Day, this book investigates why the rigid view of Day's maintained virginity should have arisen and become so fixed to the star, even now. Taking a twofold approach, Tamar Jeffers McDonald both closely examines Day's film roles and performances and explores material from other popular media for the source of the virgin myth. Day featured continuously in public discourse, and media stories were often devoted to her personal life: it was widely known that she had been married three times and had a son. Why then did the pejorative label, 'the-forty-year-old virgin', arise, and why has it stuck so tenaciously to Day until today? Investigating a range of sources in order to discover why this

maturely sexual star has become indelibly associated with maintained virginity, Doris Day Confidential analyses in detail Day's characters and performances across her career. By focusing on contemporary popular culture contexts, using newspaper stories, articles from film, fan and lifestyle magazines, reviews and gossip, it charts the developments in Day's screen 'persona', highlighting the changing public perception of the star of Calamity Jane, Love Me Or Leave Me and Pillow Talk, as aided and abetted by the media.

Costume, Makeup, and Hair - Adrienne L. McLean 2016-10-07

Movie buffs and film scholars alike often overlook the importance of makeup artists, hair stylists, and costumers. With precious few but notable exceptions, creative workers in these fields have received little public recognition, even when their artistry goes on to inspire worldwide fashion trends. From the acclaimed Behind the Silver Screen series, Costume, Makeup, and Hair charts the development of these three crafts in the American film industry from the 1890s to the present. Each chapter examines a different era in film history, revealing how the arts of cinematic costume, makeup, and hair, have continually adapted to new conditions, making the transitions from stage to screen, from monochrome to color, and from analog to digital. Together, the book's contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation, often fashioning striking looks and ingenious effects out of limited materials. Costume, Makeup, and Hair not only considers these crafts in relation to a wide range of film genres, from sci-fi spectacles to period dramas, but also examines the role they have played in the larger marketplace for fashion and beauty products. Drawing on rare archival materials and lavish color illustrations, this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume, makeup, and hairstyling as distinct art forms.

After "Happily Ever After" - Maria San Filippo 2021-05-18
Explores romantic comedy's revitalizing response to shifting sexual and social mores of the past decade.
