**The Fire** May Archer 2019-07-19 JAMIE Parker Hoffstraeder is gorgeous, cocky, and totally irrational. He also broke my heart when he left town eleven years, four months, and twenty-eight days ago. Not that I'm counting. I don't mind admitting it: I was young. I got burned. I learned my lesson. But the guy swaggers back into O'Leary like he owns the damn place and suddenly I'm expected to welcome him to my town - to my life - like nothing's changed? Yeah, that I mind. It's only a matter of time until he's gone again. And there's no way I'll give him a chance to take another piece of me when he goes. PARKER Jameson Burke is the most arrogant, infuriating human on the planet. He's also taller, broader, and impossibly hotter than he was before I left town. But, whatever. It's fine. I can handle it. Coming back to O'Leary was supposed to be like coming home. I hadn't realized that there's no statute of limitations on how long your first love and former best friend is allowed to hate your guts, or how much bad luck can befall a person in a short time. But, I can handle that, too... or at least pretend to. When Jamie and I are thrown together in a blizzard, though, everything changes in the space of one single, scorching night. Suddenly, I'm dreaming of a future I can't have, and he's stuck in a past he can't let go. It feels like we're playing with fire... And this time I'm the one who's gonna burn.

**Mad Dog** Ophelia Bell 2021-03-23 Not even the king of Los Angeles's underground can stop me from loving Celeste. Arturo Flores could make me disappear with a snap of his fingers, and nearly did. Limping away from a beatdown when I was seventeen didn't change the fact that his daughter was worth the pain. Running into her in my tattoo shop twelve years later, she still makes my blood run hot with a glance. But I'm not that clueless teenage boy anymore. And Celeste isn't the only one I want. Leo is a temptation I crave, but in our world, admitting desires like mine could get me killed. The gangbanger is as ruthless as he is beautiful, yet he can't see anything beyond Celeste. That hurts like hell to admit, but I would sooner die at her crime lord father's hands than let either of them get hurt. I'm prepared to let them have each other when Leo comes to me with an offer. One that could connect the three of us in a way that flies in the face of the world we live in. His proposal ignites a fire in my veins. If it fails, we'll all get burned, but for a man with nothing to lose, I'm just desperate enough to take that chance.

The woman I was falling in love with was Italian, and my mother was hell-bent on proving to the world she was the better cook. If my meddling family wasn't bad enough, for the last six years Gabi had been on the run from a past she tried desperately to escape

from. Between a beautiful woman on the run, and a crazy family constantly in my business, would I be able to show her I'm the only one who can keep her safe ... or will her past steal her away from me?

That's how long I have to make a baby happen before it becomes one more broken dream. Fate has a sick sense of humor, though. Its name is Hayden Shaw. Yes, the Hayden Shaw. Billionaire developer, scandalously gorgeous, his hard-headed ego only eclipsed by his enormous...reputation. The man who has everything except one missing piece. He needs a bride to fool the world. I need a baby. Hello, first class donor material. It's simple business. Strictly professional. A no nonsense, pretend-my-panties-aren't-melting trade. Love isn't in the fine print. No, I don't care how many times I have to stop swooning when I'm in his arms, locked in his kiss, smiling like we're meant to be for the cameras. Simple, I said, remember? Yeah. Who the hell am I kidding? HAYDEN My new wife is completely insane. The spitfire who just agreed to play pretend thinks we're doing this baby thing in a lab, without ending up between the sheets. Too bad I see right through it whenever she says her favorite line. Strictly professional? Please. Too bad I taste how bad she wants it when we're giving the press something to talk about, lips tangled together like there's no tomorrow. Too damned bad she's perfection itself, and 'professional' went out the window the second she stormed into my life. She's also my last chance at stopping a scheme to steal the family fortune, turning my riches to rags. But I'm Hayden Shaw. I'm in control. I don't back down. Ms. Naughty and Nice will never, ever know how bad I'm twisted up in our chase. This isn't Cinderella, and I'm no Prince. Soon, I'll show Penny this isn't all make believe. Consummating this marriage is about to get very real...
