*Flirting with the Playboy* - Gia Stevens  
2022-08-14

A spicy workplace, dating app standalone novel by romantic comedy author Gia Stevens... Flirting with the sexy stranger on a dating app was easy. Finding out the sexy stranger is also the office playboy... I wasn't expecting that. They don't call Bennett Pierce the office playboy for nothing. The parade of women through his doorway makes me want to dry-heave. Sure, he looks like he strolled off the page of a male fashion magazine, but his personality is anything but desirable. But after catching my ex cheating on a dating app and Bennett witnessing my very public break up, his offer of margaritas is too hard to pass up. Tequila didn't make my clothes fall off, but it did lead to one scorching hot kiss. Instantly, I regret it but an unexpected message on the dating app distracts me from too much self-loathing. And when the friendly banter quickly turns into steamy flirting, Bennett Pierce is one swipe right forgotten. And when we finally meet, I realize... I've been flirting with the playboy. *Flirting with the Playboy* is a fast-paced, workplace, enemies to lovers romcom. Be prepared to laugh-out-loud one minute and swoon the next in this steamy standalone

romantic comedy. Each book in the Harbor Highlands Series is set in the same world, guaranteed happily ever after, and perfect for fans of Meghan Quinn, Amy Daws, and Pippa Grant. But she has a solution - a digitally enhanced solution - and who better to ask to help than her best mate Fred? It's only when you've stopped laughing that you realise in addition to being incredibly funny, Sue Limb has dealt seamlessly with the bigger themes of friendship and loyalty Fans will lap up this prequel as it charts Fred and Jess's relationship - and Jess's relationships with others - before Fred and Jess actually get together. Want to get pointed in the right direction by someone other than your mother or your trusty (but inexperienced) friend? When it comes to guys, relationship expert Julie Taylor has all the answers -- and she'll give 'em to you straight. Think of her as an older sister (a fun older sister) who will tell it like it is, one who knows that you aren't a little kid anymore, especially when it comes to the opposite sex. Julie will guide you through the highs and lows of a killer crush, help you conquer first-date jitters, advise you when it is time to promote him to official "boyfriend" status, reveal the realities of a summer fling, and

more. Plus, each chapter ends with a quiz to help you determine the answers to a variety of questions essential for any girl with a one-way ticket to Guyville, such as: Who's your dream date? Is he second date material? Are you ready to commit? Is it time to give him the boot? And if the stud turns out to be a dud, Julie preps you on when and how to dump him or how to survive when you're the one getting dumped. After all, they're just guys, and dating should be fun! So, read up....Next stop, Guyville!

This good girl craves the bad boy. Our chemistry between the sheets... Undeniable. Turning the frown of the grumpasaurus upside down... Most fun I've ever had. Everything was perfect until my best friend found out. Ledger pushes me away, saying we're from different worlds. I tug him back, wanting to prove him wrong. When I'm dateless for the biggest gala of the year, he shows up as my knight in shiny combat boots. All my life I've been forced to follow a certain set of rules and a smokin' hot guy in ripped jeans and a motorcycle isn't on the list. When all the secrets and lies unravel, I'm left with nothing... Key to win #4: Attempt to keep the two of you out of the town gossip blog and away from your large family. Make sure you don't let this last one throw you off your mission. Key to win #5: Don't get deterred when you find out the past is about to repeat itself. Because the man she met at the speed dating night is your best buddy from work. Just remember, you sat back and let her slip away once, you won't do it a second time. Failure is not an option. Author Note: This book does NOT contain cheating.

**Flirting with the Stranger** - Gia Stevens  
2023-03-20

A spicy boss/employee, reverse age gap standalone novel by romantic comedy author Gia Stevens... Mistake the young, hot guy for a stripper? Sure did. Have a one-night stand with him? Heck yes. Find out he's my new boss? Ah, crap... The first time I saw Van, with his charismatic smile and stunning good looks, I enthusiastically shoved dollar bills into his waistband. The second time, he walked into my bakery introducing himself as the new owner. He knows nothing about baking and desperately wants to sell the business. If he does, I'll lose my dream job. Somehow, I have to persuade him to keep the shop running. But so far, there's only one thing he seems enticed by... me. Sure, the attraction igniting between us is hotter than a chocolate flambé. That doesn't change the fact that it's never a good idea to mix business and pleasure. He's younger than me, and if things between us sour it could cost me my livelihood. Even so, he's a delicious temptation I'm finding impossible to resist... Flirting with the Stranger is a reverse age gap, strangers to lovers, boss/employee romantic comedy with a hero who has a real sweet tooth for something besides cupcakes. Be prepared to laugh-out-loud one minute and swoon the next in this steamy standalone romantic comedy. **Flirting with the Enemy** - Gia Stevens  
2022-11-27

A spicy enemies to lovers, workplace standalone novel by romantic comedy author Gia Stevens... All is fair in love and promotions... Until you flirt with the enemy. Seth Taylor is a thorn in my side. I can't stand his cocky smirk, know it all demeanor, but most of all, I can't stand those ridiculous bow ties he wears. But the number one reason I hate him... He's applying for my promotion. Well, it's not mine, yet, but he's certainly ruined my shoo-in chance. When we're told interviews will be held during a conference

in Colorado, I pray our hotel rooms are on different floors. Of course, things never go according to plan. A failed connecting flight, a road trip, and a blizzard force us to seek refuge at an isolated roadside motel in the mountains. When my only option is to share a room with Seth, I'm expecting the bow tie wearing, clean cut, black rimmed glasses Seth. Not this guy standing in front of me wearing only gray sweatpants that hang dangerously low on his hips and a cocky grin. Maybe it's the high altitude or perhaps it's Seth who's causing this lightheadedness. Because when a game of twenty questions turns naughty, it doesn't take long for the burning rage to turn into fiery passion. All I know, the longer we stay here lines blur and feelings become real. Flirting with the Enemy is a workplace, enemies to lovers, forced proximity romcom with a hero who uses his bow ties for things other than an accessory. Be prepared to laugh-out-loud one minute and swoon the next in this steamy standalone romantic comedy. Each book in the Harbor Highlands Series is set in the same world, guaranteed happily ever after, and perfect for fans of Meghan Quinn, Laura Landish, and Pippa Grant. Harbor Highlands Series: 1.
