Plays Well in Groups - Katherine Frank 2013-06-27

From tribal religious rituals to the Playboy mansion, and from ancient Rome to Burning Man, *Plays Well in Groups* explores the phenomenon of group sex. Author Katherine Frank draws on surveys, ethnographic research, participant interviews, and more to provide explanations for both, participation in group sex and our complex reactions to it, from fascination to fear. This book looks at group sex across cultures—who has it, and why. Group sex is almost always taboo and often criminalized, and yet it persists across cultures throughout history. *Plays Well in Groups* looks at the symbolism of orgies, as well as contemporary manifestations of group sex in bathhouses and public sex venues, at BDSM and swinging parties, on Craigslist, and in political scandals, Tantra classes, reality television, and more. Frank explores the many reasons people participate in group sex, from arousal to spiritual transcendence, in this bold study of subversive sexuality.

Henry Darger, Throwaway Boy - Jim Elledge 2013-09-12

"Henry Darger was utterly unknown during his lifetime, keeping a quiet, secluded existence as a janitor on Chicago's North Side. When he died his landlord discovered a treasure trove of more than three hundred canvases and more than 30,000 manuscript pages depicting a rich, shocking fantasy world—many showing hermaphroditic children being eviscerated, crucified and strangled. While some art historians tend to dismiss Darger as an unhinged psychopath, in *Henry Darger, Throw-Away Boy*, Jim Elledge cuts through the cloud of controversy and rediscovers Darger as a damaged, fearful, gay man, raised in a world unaware of the consequences of child abuse or gay shame. This thoughtful, sympathetic biography tells the true story of a tragically misunderstood artist. Drawn from fascinating histories of the vice-ridden districts of 1900s Chicago, tens of thousands of pages of primary source material, and Elledge's own work in queer history, the book also features a full-color reproduction of a never-before-seen canvas from a private gallery in New York, as well as a previously undiscovered photograph of Darger with his life-partner Whillie. Engaging and arresting, *Henry Darger, Throw-Away Boy* brings alive a complex, brave, and compelling man whose outsider art is both challenging and a triumph over trauma"--

Storyplaying - Sebastian Domsch 2013-08-28

Incontestably, Future Narratives are most conspicuous in video games: they combine narrative with the major element of all games: agency. The persons who perceive these narratives are not simply readers or spectators but active agents with a range of choices at their disposal that will influence the very narrative they are experiencing: they are players. The narratives thus created are realizations of the multiple possibilities contained in the present of any given gameplay situation. Surveying the latest trends in the field, the volume discusses the complex relationship of narrative and gameplay.

Bluebeard's Wife - Selena Kitt 2008-11-14

Tara's husband has never shared a fantasy with her, or even masturbated—that she knows of. However, this curious wife discovers a phone bill full of phone calls to sex lines and realizes her husband has been living a double life! Instead of getting mad, Tara's curiosity leads her to begin listening in on John's steamy conversations in hopes of finding out what he really wants in the bedroom. After several failed

attempts at bringing fantasy to reality, however, a frustrated Tara turns to her much more adventurous best friend, Kelly, for help. A quick psychology 101 diagnosis from Dr. Kelly marks John as having a classic "madonna/whore" complex, and she quickly sets about making plans to rectify this situation. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----EXCERPT: "Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering." I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both." I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.

The Desert Stories - Abu Bakr 2021-10-21

The Desert Stories is a collection of short stories that celebrates storytelling. It pays homage to a period when stories and their lessons were ubiquitous, for all the phases of life. It takes traditional stories from monotheistic religions and presents it with a twist. In doing so, it blurs the differences between them and attempts to retell the positivity of life. The stories begin with characters posing various questions from the usual walk of life, these questions then lead to the story within. The collection blends parables, Sufi thoughts, and philosophies in the narration eventually acting as a poetic medicament for harsh reality. Often, the endings are not noisy and dramatic, but tranquil and serene. The stories compel us to linger on to contemplate the aftermath. Each story is a journey within.

Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States - National Research Council
2013-11-12

Every day in the United States, children and adolescents are victims of commercial sexual exploitation and sex trafficking. Despite the serious and long-term consequences for victims as well as their families, communities, and society, efforts to prevent, identify, and respond to these crimes are largely under supported, inefficient, uncoordinated, and unevaluated. Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States examines commercial sexual exploitation and sex trafficking of U.S. citizens and lawful permanent residents of the United States under age 18. According to this report, efforts to prevent, identify, and respond to these crimes require better collaborative approaches that build upon the capabilities of people and entities from a range of sectors. In addition, such efforts need to confront demand and the individuals who commit and benefit from these crimes. The report recommends increased awareness and understanding, strengthening of the law's response, strengthening of research to advance understanding and to support the development of prevention and intervention strategies, support for multi-sector and interagency collaboration, and creation of a digital information-sharing platform. A nation that is unaware of these problems or disengaged from solutions unwittingly contributes to the ongoing abuse of minors. If acted upon in a coordinated and comprehensive manner, the recommendations of Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States can help advance and strengthen the nation's emerging efforts to prevent, identify, and respond to commercial sexual exploitation and sex trafficking of minors in the United States.

My Unexpected Journey - Jackie Dobrosky 2017-12-08

Author Jackie Dobrosky sees her life like a trek through the rockiest of mountains. Facing a lifetime of obstacles, she has climbed over the most difficult landscapes to reach her destination. Surviving a childhood rooted in instability and abuse, she moved away from home only to face greater challenges in marriage and motherhood, including the discovery of a rare congenital tumor disease in her daughter, Linda. From that moment on Jackie's life became a blur of hospital stays and surgeries,

including the amputation of Linda's leg, and an onslaught of medical issues that continue to this day. On a family cruise that Jackie designed to celebrate her daughter's life, Jackie broke her fibula in a zip lining accident which ironically led doctors to discover an aortic aneurysm in her heart. The trouble didn't stop there. Open heart surgery led to numerous complications including a brain bleed and a brush with death. Jackie now stands at the top of her metaphorical mountain, looking back at the difficult landscapes she navigated. These difficulties have not slowed her down. She now feels a calling to share her stories with others who struggle. My Unexpected Journey is the story of one courageous woman's ability to face tragedy and emerge from it with wisdom, bravery and a sense of fearlessness that she will carry with her for the rest of her life.

Masculinities - R. W. Connell 2005

This is an exciting new edition of R.W. Connell's ground-breaking text, which has become a classic work on the nature and construction of masculine identity. Connell argues that there is not one masculinity, but many different masculinities, each associated with different positions of power. In a world gender order that continues to privilege men over women, but also raises difficult issues for men and boys, his account is more pertinent than ever before. In a substantial new introduction and conclusion, Connell discusses the development of masculinity studies in the ten years since the book's initial publication. He explores global gender relations, new theories, and practical uses of masculinity research. Looking to the future, his new concluding chapter addresses the politics of masculinities, and the implications of masculinity research for understanding current world issues. Against the backdrop of an increasingly divided world, dominated by neo-conservative politics, Connell's account highlights a series of compelling questions about the future of human society. This second edition of Connell's classic book will be essential reading for students taking courses on masculinities and gender studies, and will be of interest to students and scholars across the humanities and social sciences.

Studying Sexualities - Niall Richardson 2013-05-31

Sexuality is an integral part of our lives, and our identities. But how do we study it? Written in a lively and accessible style, Studying Sexualities aims to introduce students to the critical study of sexuality, taking a look at the major theories, media representations, and cultural practices. After having carefully explained the key theoretical and empirical debates on the subject - outlining Foucauldian Constructionism, Psychoanalysis, and Queer Theory - the authors draw on their own original research to address timely topics related to gender, sexuality, and popular culture. Contemporary examples used within the book include discussions of sex shops, cybersex, and sex toys, the TV series Sex and the City, Will and Grace and The L Word, and the immensely popular Twilight books. Studying Sexualities is essential reading for undergraduate and postgraduate students on Cultural, Media, Film, or visual Studies, or Sociology and Sexuality courses, who are interested in researching the fascinating complexities of sexuality today. NIALL RICHARDSON is a lecturer at the University of Sussex, and CLARISSA SMITH and ANGELA WERNDLY are lecturers at the University of Sunderland, UK. This book is the culmination of their considerable teaching and writing experience within the field of sexualities. Their specific research interests include feminism and popular culture, queer theory, the body and consumption.

Becoming a Model Patient - Jaypbee 2013-01-30

This is a fictional story of how I became a model and sex object working at a medical University and the situations I encountered on the way.

CHAPTER LISTING: Chapter 1 - Introduction & First Medical Chapter 2 - Job Application & Interview Chapter 3 - Indepth Second Medical Chapter 4 - Confirmation of Appointment & Basis of Salary Chapter 5 - Week One - Induction Day Chapter 6 - Week One - Getting Down to Work Chapter 7 - Week Two - Anatomy Class Chapter 8 - Week Three Chapter 9 - Week Four Chapter 10 - Week Five Chapter 11 - Week Six - Revision Chapter 12 - Week Seven - Charity Dinner & Dance Chapter 13 - Week Seven - Charity Football Tournament Chapter 14 - Week Seven - Charity Fun Run Chapter 15 - Week Seven - Charity Slave Auction Chapter 16 - Week Seven - Charity Private Party Chapter 17 - End of Contract

Reader's feedback: "I totally enjoyed all Model Patient chapters. I started with the first chapter and could not put it down until I finished chapter 17, End of Contract. It is too bad this is fiction, because if this was reality I would apply for a position. Thank you so much for such a stimulating read." "Hello.... loved your medical model story. While you write it as fiction the job is not all made up. While attending UCLA in the early 50s I was an art model for life drawing classes and was approached by a faculty member

who said that there was money to be made modeling for the medical school too. I have modeled nude most of my life for artists in classes and individually...and sometimes done erotic poses which I find most exciting too. You are a good writer, no very good writer, and please continue" "Hey man... just finished reading 'prisoner officer' & 'model patient'..... WOW.. amazingly vivid stories.... a dream come true. Fantastic how you can make a sequence of very logic events lead to the most graphic FF stories I ever read. I'm a huge FF fan and addict, expert at it I believe. Wish I could live this fantasy. Thanks mate for giving me this pleasure, owe you!" "Your story was fantastic. Quite simply riveting. I am very much looking forward to anything else you would care to publish. Is this story entirely fiction or is there any truth to it? Keep up the good work." "I have published about fifty stories, and probably read ten times that amount. I didn't think there was any more originality to be garnered from gay stories, (believe me I try), but yours has done it. Firstly, congratulations, I think the concept was brilliant and so much fun to read. I think the story would rate the most erotic I have read, at the same time as being fun."

The State of Sex - Barbara G. Brents 2009-12-16

The State of Sex is a study of Nevada's brothels that situates the nation's only legal brothel industry in the political economy of contemporary tourism. Nevada is part of the "new American heartland," as its pastimes, people, and politics have become more central to the nation. The rise of a service and leisure economy over the past sixty years has propelled sexuality into the heart of contemporary markets. Yet, neoliberal laws in the United States promote business but limit sexual commerce. How have Nevada's legal brothels survived, while the rest of the country criminalizes prostitution? How do brothels operate? Who works in them?

This book brings social theory on globalizing economies, politics, leisure consumption, and emotional labor in interactive service work together with research on contemporary prostitution and sexual commerce. The authors employ an innovative, multi-method sociological approach, combining historical analysis of how the brothels came to be with over a decade's worth of ethnographic research on the current state of the industry.
