Gifted by Otherness - L. William Countryman
2001-09

Providing new hope for those that feel that it is impossible to be both homosexual and Christian, this self-affirming guidebook explores the ways in which gays and lesbians can appropriate and retell the biblical story, and find confidence in

their unique spiritual journey and gifts. Original.
Literatussi - 1992

Men, Homosexuality, and the Gods - Ronald
Long 2013-02-01

Compare worldwide religious regulations involving gay sex and masculinity! Men,

Gay Spirituality Experiences In Selfrealization For Gay Men Lesbians And Enlightened Heterosexuals

Homosexuality, and the Gods: An Exploration into the Religious Significance of Male Homosexuality in World Perspective is an eye-opening look at the traditions of particular religions and their edicts concerning gay sex. This book examines the origins of holy directives involving homosexuality—whether forbidden, tolerated, or mandatory—and establishes a link between theology, sex roles, and the sensitive issue of masculinity. This text draws a parallel between homosexuality and the idea of religion, suggesting that gay rights can be understood as a freedom of religion issue. While most readers are familiar with the traditional Islamic, Christian, and Hebrew prohibitions against sex between two males, this book also reveals other historic religions from around the world that neither opposed nor looked down on homosexuality. Men, Homosexuality, and the Gods argues that masculinity is the universal theme that formed historical interpretation—warriors and men of high status

could not be sexually receptive or “feminine” and still be called “men.” This intriguing text shows how the modern homophile movements are in effect redefining masculinity to obliterate the stigma of being a sexually receptive man. Men, Homosexuality, and the Gods examines the significance of homosexuality in such religions as: the Sambians of New Guinea the Taoists of Ancient China Plato and the later Stoics Islamic Sufism Native American culture Hebrew Scriptures early Christianity Buddhism Men, Homosexuality, and the Gods is an enlightening book that honors homosexual claims to moral integrity and appreciates religion and religious figures without rancor. Easy-to-read and free of technical language, this volume is for anyone who has an academic, professional, or personal interest in theology and homosexuality. The author is available for speaking engagements and can be contacted at Ronldlong@aol.com

LGBT Psychology - Michele K. Lewis

2011-11-02

Same-sex attracted, and non-gender conforming African-Americans are substantial in number, yet underrepresented in the social and behavioral science literature. This volume addresses the issues of African-American LGBT psychology as a case of indigenous psychology. The authors present the research of scholars who are developing theory, practice, and services that are couched within the specific cultural complexities of this population. Some key topics addressed in African-American Issues in LGBT Psychology are gender, spirituality, family, racism, "coming out", generational differences, health and safety issues, urban vs. rural realities, and implications for researchers.

Queer Magic - Tomás Prower 2018-06-08

Queer Magic and Mysticism in History and Today Queer Magic provides nourishment for

LGBT+ souls and their allies who are interested in learning about the significant presence and influence of queer folks throughout history. Explore fascinating insights into queer relationships and spiritual practices from different regions of the world. Learn about deities, heroes, and historical figures who embody the power of the queer spirit. Discover inspiring contributions from contemporary LGBT+ Pagans, Catholics, Buddhists, Muslims, and others as they share personal stories of their experiences as well as spells, prayers, and meditations from their own practices. With practical suggestions and enlightening perspectives, this book is a unique resource for LGBT+ spiritual seekers who want to experience the sustaining energy and strength of the worldwide queer community. Praise: "Queer Magic asks us to unlearn what we've thought about the global past and instead substitutes an inclusive, more accurate world history, where queer identities are plenty."—ForeWord Reviews

Gay Spirituality Experiences In Selfrealization For Gay Men Lesbians And Enlightened Heterosexuals

"Tomás Prower takes us on a global journey, a quest to find queer magick across the world. Our stories are not confined to any one place, time, or religion, and this book is truly a diverse guide to understanding our often lost and forgotten myth and history. Certain to inspire LGBTQ+ magickal practitioners for years to come!"—Christopher Penczak, *Gay Witchcraft*

"In his latest work, *Queer Magic*, Tomás Prower takes us on a journey that spans both time and continents to examine the myths, magic, and spiritual lives of those who exist outside the culturally sanctioned heterosexual binary. Surprisingly detailed, Prower examines not only the practices of pre-modern native cultures, but also the effects of Christian colonialism and its devastating and history-robbing effects upon them. He demonstrates how those cultures' near-universal acceptance of queer sexual expression has been usurped, and he shines a light on how those traditions have found ways to survive—and even thrive—in spite of being the

victims of revisionist history. With interesting bits of history and lore (I may never think of *Dracula* quite the same way again) combined with practical exercises to help us view sexual expression and gender outside of our common modern restrictions, this book should be considered essential reading for all LGBTQ+ practitioners of magic and spirituality. Highly recommended."—Storm Faerywolf, author of *Betwixt and Between*

"More often than not, people whose sexual identities, gender identities, social roles, affectional preferences, relationship styles, and so on are in the minority and tend to be erased or misrepresented in our culture. *Queer Magic* is a journey around the world and through the centuries to uncover some of these hidden stories. This book is not only history and mythology, it also contains vignettes, experiences, and practices from modern people from diverse backgrounds. One book cannot address everyone and everything, but *Queer Magic* is a heartfelt effort that will

Gay Spirituality Experiences In Selfrealization For Gay Men Lesbians And Enlightened Heterosexuals

encourage you to continue the work of discovering these treasures of the spirit."—Ivo Dominguez Jr., author of *The Keys to Perception Religion and Spirituality* - Don Bell 1992

Reader's Guide to Lesbian and Gay Studies -

Timothy Murphy 2013-10-18

The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals (Adrienne Rich); arts and cultural studies (Dance); ethics, religion, and philosophical issues (Monastic Traditions); historical figures, periods, and ideas (Germany between the World Wars); language, literature, and communication (British Drama); law and politics (Child Custody); medicine and biological sciences (Health and Illness); and psychology, social sciences, and education (Kinsey Report).
Gay Spirituality - Roger G. Lanphear 1990

Sociology - John J. Macionis 2005

Third edition Sociology A Global

Introduction Sociology: a global introduction represents a unique and complete learning resource for sociology students worldwide. International in outlook and culturally wide-ranging, it addresses the fundamental issue of how the modern world may be dramatically changing. Key features Sociology is made immediate and real, through diverse examples, illustration and statistical evidence A story is told. Consolidating previous editions' successful organisation, a broad picture of societies and cultures developing over time is painted. The globalised world order of today is shown in its richness full of contradiction, inequality and achievement. Cutting-edge coverage and argument, firmly grounded in topical issues and current debates, bring the subject to life, engaging, exciting and challenging the reader A range of in-text features encourages students to identify core themes and theories, critique arguments, compare and contrast, and investigate further. Extensive supplementary

Gay Spirituality Experiences In Selfrealization For Gay Men Lesbians And Enlightened Heterosexuals

resources for lecturer and students assist and enrich teaching and learning New to this edition Fully updated to include latest debates and recent data New material on sport, disability and youth culture More on globalisation, consumption, identity and the body New 'Research in Action' feature presents methodology in context.

Ministry Among God's Queer Folk, Second Edition - Bernard Schlager 2019-01-21

This practical pastoral care handbook, written by two self-described queer people of faith, covers the basic skills that religious caregivers and ministry students need in order to be effective, enlightened, and supportive pastoral care providers to LGBTQ persons in congregational and other community settings. Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling: while the latter is reserved for those with special training in the practice of therapy, the former can be developed by ministers and lay people with

sufficient education and practice. This book requires of the reader no previous experience with LGBTQ communities and treats the following topics: the definition and functions of pastoral care; effective care in challenging times; coming out of the closet; creating communities of care; and caring for a wide variety of LGBTQ relationships. The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care.

Lesbians in Print - Margaret Gillon 1995

Paperbound Books in Print - 1992

Small Press Record of Books in Print - Len Fulton 1994

Forthcoming Books - Rose Army 1990

Gay Soul - 1994

Gay spirituality and sensibility come to light in

Gay Spirituality Experiences In Selfrealization For Gay Men Lesbians And Enlightened Heterosexuals

these pages of striking portraits and trenchant interviews. Thompson brings out the unique contributions of the esteemed gay men - including Will Roscoe, Joseph Kramer, Harry Hay, James Broughton, Andrew Harvey, Paul Monette, Malcolm Boyd, and Ram Dass - who lead the spiritual life. Thompson elicits vivid musings on such provocative issues as the third gender, S & M, ritual as 'æholy fire', and spirituality in the age of Aids. His interviews call out the deepest emotions of each of these vibrant leaders who reveal, as never before, the spirit and the soul of the gay life.

Mormon Grown Gay - Brandea J. Kelley PA-C
2016-11-21

The intent of this book is to encourage and inspire individuals to love who they are when they find themselves outside their cultural norm, and to thrive in their difference instead of striving to change or hide it. Brandea does this through sharing her own story, a long and bumpy, sometimes hilarious and sometimes

heartbreaking road to self love and acceptance. This book is not limited to Mormons who are gay. It speaks to a larger audience of any who feel demoralized and judged for being different than the majority around them when they are true to who they really are. Its a story of one who deviated from the heterosexual majority knee deep in the Mormon heartland, and underwent considerable religious and self persecution as a result. Through many experiences, failures, attempts at otherness, and finally success in self acceptance, she has shows that a truly happy ending awaits if you can learn to embrace who you are, who you love, and allow your highest self to emerge. Her secondary intention is to assist those who are trying to help, love, support, fix, or understand the people going through this experience. By sharing the stories and experiences offered by her family and friends, she shows the many different perspectives that loved ones go through. Their perspectives coupled with hers can help guide

Gay Spirituality Experiences In Selfrealization For Gay Men Lesbians And Enlightened Heterosexuals

your actions to be optimally conducive to healing and progress, while avoiding the murky and discordant pitfalls of divisive blaming, shaming, and disassociation. Foster parents, social workers, parents, family members, gays or bisexual, transgendered queers, counselors and therapists, teachers, Mormons, those fascinated with Mormonism, atheists, Muslim, Catholics or confused friends can find insightful support and solace through these well written, honest accounts. How do you get through this fracture? How do you gain faith in the fact that you are perfect the way you were made? How do you reconcile the perceived loss of your culture, family support or your spirituality, and how do you find new spiritual building blocks having only ever known one way? How do you then convince others that youre not broken and you dont need fixing? This enlightening memoir offers deep and valuable insight to an often difficult and tumultuous time. She brings levity to the topic, and provides an entertaining and

uplifting journey through the experience of discovering and embracing the higher self that is awaiting discovery in all of us.

Sex and the Sacred - Daniel A Helminiak
2012-12-06

A down-to-earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God. Dr. Daniel Helminiak, author of the best-selling What the Bible Really Says about Homosexuality, looks at the relationship between sexuality and spirituality, first, from a humanistic perspective and, then, a more familiar Christian point of view. In particular, he encourages LGBTI people to reclaim their spiritual heritage without apology. This unique book emphasizes spiritual commitment as an essential facet of LGBTI/queer consciousness and addresses such burning themes as coming out, the importance of self-acceptance, gay marriage, gay bashing,

Gay Spirituality Experiences In Selfrealization For Gay Men Lesbians And Enlightened **Heterosexuals**

~~and the ethics of gay sex. Sex and the Sacred~~ combines a psychological approach to spirituality with common sense and compassion, inspiring a break from moralistic religion and an understanding of what true spirituality means. The book applies this understanding to Christian topics such as the Bible, Fundamentalism, and the future of Christianity, and shows how coming out was an issue for Jesus, how homosexual experience relates to the Christian Trinity, and how Western Civilization became so sex-negative. Sex and the Sacred presents in the end a radical vision of Christianity open to all people. Religious leaders of all denominations, educators, counselors, members of the

~~gay/lesbian/bisexual/transgender community,~~ non-religious spiritual seekers, and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting. Sex and the Sacred examines: the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sex—queer and otherwise homosexuality in Catholic teaching and practice sexual ethics without religion a vision for a renewed Christianity within a global community
