My Dad Is A Grizzly Bear - Swapna Haddow 2021-04-29

A playful, warm and funny story following a boy with a wild imagination and his lively family, from brand new creative duo: Swapna Haddow and Dapo Adeola. Shhh. Beware. My dad is a grizzly bear. In this family, it's just possible that Dad is a grizzly bear . . . He has fuzzy fur, enormous paws and loves the outdoors. He sleeps a lot even in the cinema and when he's awake, he's always hungry, usually eating up all the honey. What else could Dad be? But sometimes, when it's scary at night, a lovely big bear hug is just what is needed. A hilarious debut picture book written by Swapna Haddow author of the Dave Pigeon series and illustrated by the brilliantly talented Dapo Adeola author of Look Up!

Notebook Journal - Orlando J. Fagan 2020-04

GRIZZLY BEARS Lover Clothes Animal Quote Gift Grizzly Bear A funny journal made to help you through this life that is not always filled with rainbows and butterflies. Use each page to scribble away the negativity, and to make room in your heart for the positivity that you deserve. The pages of this Journal are beautifully designed and are waiting to be filled with your WTF stories, F-bombs, shit-lists, and so on. Make it fun and personal by writing your feelings down, make coping with the bullshit much easier, help brush off the dumb shit, and look back at the positive shit to help decompress with a laugh when you are crazy tired and overstressed. Perfect size 6 X 9 for carrying in your purse or to keep on your nightstand 120 pages filled with unique Sassy and Snarky quotes Beautiful Retro-inspired cover Design in the USA Great as a gift for family and friends for birthdays, holidays or as a general gift.

Blubbers and Sicksters - Jamie Rix 2008-09-18

Read and weep . . . Six brand-new accounts from the Hothell Darkness's Visitor's Book (a.k.a the Book of Grizzly Tales). There's no love lost between the baddest children of all - blubbing brothers and sickening sisters or, as the Night-night Porter so fondly thinks of these rotten relations . . . the blubbers and sicksters! *Nasty Little Beasts* - Jamie Rix 2011-10-13

Grizzliness is out there. Every child has the makings of mischievousness, and can be lured into committing dastardly deeds. The six stories in each of the Grizzly Tales books show the rise and hard fall of vile and villainous children. In this book, unspeakable things happen to pets - but the real nasty little beasts are the children themselves, all of them get their comeuppance in the end, consigned to the Hothell Darkness ... We are completely reinventing the Grizzly Tales format for today's readers - ingenious concepts to link the separate stories, new design and illustrations, new accessible formats, but still capturing Jamie Rix's legendary brilliance for creating stories that linger in the mind long after the lights go out at night!

Just a Girl Who Loves Grizzly Bears - Bear Lovers Publishing 2020-01-16

Among Grizzlies - Timothy Treadwell 1999-02-02

Living with Wild Bears in Alaska "A heart-stopping eco-adventure, a testimony to both the grizzlies and their courageous protector." --People "The grizzly bear is one of a very few animals remaining on earth that can kill a human in physical combat. It can decapitate with a single swipe or grotesquely disfigure a person in rapid order. Within the last wilderness areas where they dwell, they are the undisputed king of all beasts. I know this very well. My name is Timothy Treadwell, and I live with the wild grizzly. . . ." After Timothy Treadwell nearly died from a heroin overdose, he sought healing far from the trappings of civilization-- among wild grizzlies on the remote Alaskan coast. Without gun, two-way radio, or experience living in the

wild, armed only with the love and respect he felt for these majestic animals, Treadwell set up camp surrounded by one of nature's most terrifying and fascinating forces of nature. Here is the story of his astonishing adventures with grizzlies: soothing aggressive adolescents, facing down thousand-pound males, swimming with mothers and cubs, surviving countless brushes with death, earning their trust and acceptance. In these incredible pages, Treadwell lives a life no human has ever attempted, and ultimately saves his own. To share his experience is awesome, harrowing, and unforgettable. "LIKE AFRICA NATURALIST JANE GOODALL, TREADWELL GIVES PERSONAL NAMES TO HIS SUBJECTS. . . . Bears have distinct personalities, Treadwell shows, and as a group, individual roles become clearly defined by gender, size, and age." --The Seattle Times With twenty-nine photographs

Grizzly Bear Journal - Animal Lovers Amazing Designs Gifts 2019-11-11

Grizzly Lover - C D Gorri 2020-06-07

"Teresa broke Oliver's heart once before, but now she needs his help. Can her Grizzly lover put the past behind them?" Oliver Pax is one of the most prolific composers of all time. He is the award-winning writer of such Broadway hits as *The Beast of Brooklyn Heights* and its upcoming conclusion *Where Beauty Lives*. A loner known for his grumpy and secretive nature, the reclusive Grizzly Bear Shifter is in for the shock of his life when a blast from his past washes up on his doorstep after a terrible accident. Teresa Witherspoon has been on the run for the past two years. She's traveled across the country and back again fearing the day her father and his henchmen find her and her son. Caring for Thomas has kept her going this far, but when an accident leaves her hospitalized she has no choice but to call the one person she swore to stay away from. Will the Grizzly Bear Shifter she'd once loved help her in her time of need? *Note to my readers...

Blindsided - Jim Cole 2010-06-08

Jim Cole has spent years tramping into the depths of places like Alaska, Yellowstone National Park and Glacier National Park in search of grizzlies, seeing these magnificent, powerful and reclusive animals at their most unguarded--foraging, fishing, caring for cubs, or simply lying in the backcountry sunshine. At times, he's been surrounded by dozens of bears deep in the wilderness, yet has never felt threatened by these incredible and misunderstood creatures. Even after being mauled by a grizzly in 1993, Jim eagerly trekked annually into the bears' habitat, armed only with bear spray, his camera, and his knowledge of how to stay safe. But nothing could have prepared him for May 23, 200, when he was attacked in Yellowstone by a mother grizzly who felt that his presence threatened her cub. The bear literally ripped off most of his face, blinded him in one eye, and savaged him nearly to the point of death. Jim was left sightless, bleeding, wounded and alone in the wilderness. He managed to find his way several miles through the wild country back to a main road, where passersby found him. In part, *Blindsided* is a gripping, detailed account of that fateful day--how Jim survived an assault by one of the most unstoppable predators on earth and managed to carry himself to safety despite his gruesome injuries. It's also the story of how he recovered with the help and support of friends, family and a dedicated medical team, but perhaps most importantly, the book is a love story between a man and an animal, a clear-eyed and affectionate look at the marvel that is the grizzly bear--its astonishing habits and intelligence, the threats it faces at the hand of man, and its hopes for the future.

Lover in Chains - S. C. Dane 2018-02-06

Urick is a magnificent beast—when he isn't turning to stone. He's not just grizzly bear and gargoyle, he's also vampire, a part of himself he keeps locked down tighter than the nails in an undead's coffin. Uri's hatred for vampire's is personal. He needs to find his Chosen One, the woman fated to be his mate, before his anger turns him to stone for good. Too bad his Chosen One is a vampire. Violet isn't proud to be a vampire, but she's trying hard to make up for it. Her hunting blade has more vampire blood lodged in its hilt than a blood bank. Uri would be next on her list if he wasn't so quick and strong. He's kidnapped her and stripped her of her weapons, although Violet wouldn't mind a little romp with her captor, gigantic flaws and all. After all, she has a flaw of her own, one she must keep hidden. Her father is the vampire who imprisoned Uri to be his blood slave. Uri is learning to trust Violet. But when her secret brings up his past, will it destroy every chance they have at love?

Grizzly Lover Journal - Tom Rudovksy 2019-09-11

This Journal is an amazing accessory for you to Keep track of your adventures, experiences, impressions,
