called dating gurus that you must do anything and everything to impress a girl. When in reality this is what most guys do and to be honest you don't want to be like most guys. Instead the trick to make a girl notice you is to be different from the rest and in order to be different you must be creative. This is why you must avoid impressing her and actually just be yourself. I was so shocked at this because I was always advise to impress the girl and try and do everything to make her notice me by impressing her. Just like you are shock right now but in all honesty it works believe me. There have been so many times I would just put on a sweater with a hood and some sweats not even have a clean cut and literally have girls go up to me wanting to know more about me. Girls love a guy with some sort of mystery to him. Now I am not saying to be a total psycho and dress like a thug I am just saying notice what most guys are doing and do the total opposite. You ever heard of the phrase nice guys finish last, I am sure you have. The phrase that I like to use is, "guys who try hardest get rejected fast". The truth is by trying harder you are actually pushing the girl away from you. She will quickly lose interest and won't even notice you.
