

How To Make A Long Distance Crush Fall For You

The Long Distance Playlist Tara Eglington 2020-01-01 Told primarily in instant messenger conversations, Skype, emails and texts, this is Jaclyn Moriarty's Feeling Sorry for Celia for the modern teen. Longlisted in the 2021 Australian Book Design Awards. Taylor and Isolde used to be best friends - before THAT FIGHT, 18 months ago. It's been radio silence ever since - until Taylor contacts Isolde to sympathise with her breakup: the breakup that she never saw coming; the breakup that destroyed her confidence and ended her dreams of joining the National Ballet School. Taylor's had his own share of challenges, including a life-altering accident that has brought his hopes of competing at the Winter Olympics to a halt. Isolde responds to Taylor, to be polite. But what starts out as heartbreak-themed Spotify playlists and shared stories of exes quickly becomes something more. And as Taylor and Isolde start to lean on each other, the distance between them begins to feel not so distant after all ... A boy. A girl. A one-of-a-kind friendship. Cross-country convos and middle-of-the-night playlists. With big dreams come even bigger challenges. PRAISE FOR TARA EGLINGTON'S BOOKS 'My Best Friend is a Goddess is a sincerely sweet and seriously smart story with a lot of heart!' - Danielle Binks, YA author and reviewer 'Scary-relatable ... like seriously, has a piece of fiction ever hit this close to home? Author Tara Eglington just *knows* about girl stuff. And bestie stuff. And boy stuff' - Girlfriend magazine 'Tara Eglington perfectly captures the intensity, humour and heartache of female friendship' - Lili Wilkinson, bestselling author of Green Valentine

Star-Crossed Love Courtney Gorter 2022-12-27 This humorous, snarky guide to dating and love, inspired by characters and authors from classic literature, will help you navigate the ins and outs of today's ever-more crazy dating scene with aplomb. Traversing the mystifying swampland that is today's dating scene requires a guide. Forget your BFF—no one knows the ins and outs of love in all its star-crossed glory quite like characters from the great classics. The hopeless romantic in a Shakespeare play. The charming heroine in a Jane Austen novel. The ill-fated dreamer in pretty much anything by F. Scott Fitzgerald. You'll find sage advice and everything you need to know about romance and relationships—from flirting to the honeymoon phase, rocky roads to domestic bliss—courtesy of all the classic characters we know and love (and some we love to hate).

Maintaining Relationships Through Communication Daniel J. Canary 2003-01-30 Relational maintenance provides a rallying point for those seeking to discover the behaviors that individuals utilize to sustain their personal relationships. Theoretical models, research programs, and specific studies have examined how people in a variety of close relationships choose to define and maintain those relationships. In addition, relational maintenance turns our attention to communicative processes that help people sustain their close relationships. In this collection, editors Daniel J. Canary and Marianne Dainton focus on the communicative processes critical to the maintenance and enhancement of personal relationships. The volume considers variations in maintaining different types of personal relationships; structural constraints on relationship maintenance; and cultural variations in relational maintenance. Contributions to the volume cover a broad range of relational types, including romantic relationships, family relationships, long-distance relationships, workplace relationships, and Gay and Lesbian relationships, among others. *Maintaining Relationships Through Communication: Relational, Contextual, and Cultural Variations* synthesizes current research in relationship maintenance, emphasizes the ways that behaviors vary in their maintenance functions across relational contexts, discusses alternative explanations for maintaining relationships, and presents avenues for future research. As such, it is intended for students and scholars studying interpersonal communication and personal relationships.

This Is How You Lose the Time War Amal El-Mohtar 2019-07-16 Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked “Burn before reading. Signed, Blue.” So begins an unlikely correspondence between two rival agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they're the best, and they're alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning's what you do in war. Isn't it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space.

The 48 Laws of Power Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Maintaining Long-Distance and Cross-Residential Relationships Laura Stafford 2004-12-13 Long-distance relationships have become a popular area of study, although limited work has been published. In response to this state of scholarship, Laura Stafford summarizes literature across the social sciences on various types of long-distance relationships and extracts themes and patterns across the relational types, relating them to

theory.

Spectral Evidence Gemma Files 2018-06-21 For almost thirty years, Shirley Jackson Award-winning horror author Gemma Files has consistently served up tale after tale celebrating monstrosity in all its forms: the imperfect, the broken, the beautifully alien and the sadly familiar. Her characters make their own choices and take their own chances, slipping from darkness into deeper darkness yet never losing their humanity--not even when they're anything but. An embittered blood-servant plots revenge against the vampires who own him; a little girl's best friend seeks to draw her into an ancient, forbidden realm; two monster-hunting sisters cross paths with an amoral holler-witch again and again, battling both mortal authorities and immortal predators. From the forgotten angels who built the cosmos to the reckless geniuses whose party drug unleashes a plague, madness, monsters and murder await at every turn. And in "The Speed of Pain," sequel to the International Horror Guild award-winning story "The Emperor's Old Bones," we find that even those who can live forever can't outrun their own crimes.... Following in the footsteps of her critically praised *Kissing Carrion*, *The Worm in Every Heart* and *We Will All Go Down Together*, this is the first of two new Gemma Files collections from Trepidatio Publishing, bringing together nine of her best stories from the past ten years. So whether you're returning to Files's dark dreamlands or visiting for the first time, we advise you to get ready to review the-- SPECTRAL EVIDENCE

Till We Meet Again Leema Dhar 2014-04-16 "Suddenly, an arm wrapped my shoulder. I was about to jump off the sink giving a long loud shriek, but he held my mouth with his palm. He tucked my hair behind the ears, gently kissed my forehead brushing his soft lips on the drops of water which I'd not dried off. Then kissed me on the cheek again and softly murmured, 'It's me. The one you were thinking of...'" Nishi's story begins with a 'Stolen Kiss'. She's quiet, doesn't like to express much. Kunal, the cynic, is also tough minded and an introvert. She has not confessed and doesn't have regrets. She'd touched and felt him. If love is insanity, well an asylum was the place for her, for she is truly and completely insane for his love. Who says your heart should beat when you fall in love? Come on, get up, go and make promises and fulfill your wildest dreams. Remember, there are a billion out there and one of them is for you. . Run to him, hug and say what your heart feels because life's too short and there's so little time to unravel your part of mystery. About the author: Leema Dhar, B.A. 1st year student of Allahabad University; completed her ISC from St. Mary's Convent. She left her AIEEE rank for her creative passion bloomed at the age of only three. She is the youngest bilingual poet and writer in India. Her first collection of Hindi poems 'Kuch Lafz Naqab Mein' (2007) published at the age of only thirteen. Second one in English 'For The Hundred Tomorrows' (2010). She got huge coverage/critique from print and electronic media. She was nominated consecutive second time for Hindustan Times Women Achiever Awards (2011&2012). This is her debuting fiction that will surely mesmerise you. Girltalk about Guys Carol Weston 1988

How to Not Die Alone Logan Ury 2021-02-02 A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: -What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why "the spark" is a myth (but you'll find love anyway) This "data-driven" (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. *How to Not Die Alone* will help you find, build, and keep the relationship of your dreams.

He's Just Not That Into You Greg Behrendt 2009-01-06 Based on an episode of "Sex and the City," offers a lighthearted, no-nonsense look at dead-end relationships, providing advice for letting go and moving on. **MIXED NUTS** Rick Cormier 2016-04-21 "Highly irreverent, but filled with wisdom and infused with deep caring, *Mixed Nuts* is a memoir of a life working in psychotherapy." "Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an astrology reading, a gluten-free diet, and your choice of complimentary love flower or polished healing stone on your way out the door. That's not me. My job is to help fix what's broken." Speaking to the layperson and the practitioner alike, even Rick's signature humor can't hide his deep understanding of mental illness, his desire to help heal it quickly and effectively, and his pragmatic and often creative approach to treatment."

The Distance Between Us Maggie O'Farrell 2009-11-12 Gripping, insightful and deft, *THE DISTANCE BETWEEN US* by Maggie O'Farrell is a haunting story of the way our families shape our lives, from the award-winning author of *HAMNET*. It was a Sunday Times Top Ten bestseller and won the Somerset Maugham Award. On a cold February afternoon, Stella catches sight of a man she hasn't seen for many years, but instantly recognises. Or thinks she does. At the same moment on the other side of the globe, in the middle of a crowd of Chinese New Year revellers, Jake realises that things are becoming dangerous. They know nothing of one another's existence, but both Stella and Jake flee their lives: Jake in search of a place so remote it doesn't appear on any map, and Stella for a destination in Scotland, the significance of which only her sister, Nina, will understand.

Love at the Speed of Email Lisa McKay 2012-06-01 Lisa looks as if she has it made. She has turned her nomadic childhood and forensic psychology training into a successful career as a stress management trainer for humanitarian aid workers. She lives in Los Angeles, travels the world, and her first novel has just been published to some acclaim. But as she turns 31, Lisa realizes that she is still single, constantly on airplanes, and increasingly wondering where home is and what it really means to commit to a person, place, or career. When an intriguing stranger living on the other side of the world emails her out of the blue, she must decide whether she will risk trying to answer those questions. Her decision will change her life.

Scrutinizing Love Arushi Sharma 2020-11-29 A wide youth population of the world isn't really aware of true love. Many curious minds want to find the exact answer to the question 'what is love?' The truth is, love is a type of blackhole; which just contains so much inside. Have you ever wondered about 'true love'? Have you met your significant other or are you yet to meet the one? In either cases, you must know that love is most often confused with infatuations and obsessions; your love-life should be soul-satisfying and you shall not fall for the wrong ones and shan't enter into messy breakups in life. But how can you prevent that? You will find the answers in here. The objective of this fusion fiction is to invoke the true sense of love in the readers and clear away the clouds of doubts and the mist of myths about pure love. Go through some real life scenarios in here and evaluate yourself about the stories which will make you recognize the aspects of true love. Love ain't easy and relationships don't work, eh? Perhaps you might discover some new details that can change your perspective about relationships. Let us peek into the blackhole of love and find out what are the psychological, philosophical and scientific properties of love and how essentially love is associated to human life if practiced correctly. The book in front of you, is a promise that you would be able to absorb the genuine particulars about love when you finish reading it.

The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes"

or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Subtle Art of Not Giving a Fk** Mark Manson 2016-09-13 #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

Medical Heroes and Heretics Wayne Martin 1977 Orthodox science -- particularly in the medical profession -- has for centuries resisted change. It traces back at least as far as Socrates who was done to death for corrupting youth with his innovative ideas. In recent times, practically all the great advances in medicine have been made against a powerfully entrenched orthodoxy. Wayne Martin's book is about some of the men involved -- then and now: Oliver Wendell Holmes, Sr., who made physicians wash their hands; Louis Pasteur, who postulated the connection between bacteria and certain diseases; Frederick Banting, who discovered insulin; Jonas Salk, who solved the mystery of polio, to mention but a few. These men all braved the wrath of the medical establishment of their day. Heretics they were, but Heroes they became. Similarly, today a group of brave pioneers are fighting the same fight. They are, says the author, the heroes of tomorrow: Ernst Krebs, Jr., Evan Shute, Dean Burk, Denis Burkitt, Virginia Livingston and a dozen others, all of whose careers and findings are described here by a man who has pursued his topic for the past ten years.

Acknowledgements Introduction Hello there, if you made it this far into this I just want to thank you for wanting to know more about me. So without further adieu this is the poetry of my life. I have been writing since I was around 14 or 15 years of age, but I have been very vocal about what I want to do with my life and that is writing any and everything. I have had a passion for writing since I was 12 as far as I can remember. Writing will always be my first and last true love in my life. I have seen how much my writing has matured over the years and I am very proud of the pieces you will read throughout this book. I am still writing but the very last poem is my latest piece and I am so grateful for the opportunity to share the world with my talent. Many people will look at this and judge or say these poems are not good and I am okay with that, I know that throughout the obstacles in my life the only thing that kept me sane was my writing and my ability to write and for a while I wasn't writing. I thought I had lost the passion or even worse the gift of being able to write and it took me a minute to know that that wasn't true. I have told my life in more ways than one in my poetry and you will see that as you read them in this book. It took me a long time to find the strength to create this book. I hope you really take in my work and understand me a little more. Thank you for willing to read and understand me through my poetry, this was a long overdue project for me. Can you believe it? Can you believe it? that at 13 I was depressed Can you believe it? that I'm afraid of my past coming back to haunt me Can you believe it? that at 14 I was happy Can you believe it? that my happiness didn't last long Can you believe it? that I turned to pain as a way out Can you believe it? that I turned to music as a way out also Can you believe it? that at 15 I fell in love Can you believe it? that my first love hurt me deeply can you believe that for a brief second I was happy Can you believe it? that I was still turning to pain and music as a way out Can you believe it? that i'm still 15 and I'm still afraid of my past Can you believe it? that I'm now afraid for my future Life and love I once met a girl who at 15 fell in Love with a guy who was 19 they dated for a month and it was the worst month of her life she realized that she was in love but he wasn't when they broke up she was heart broken she kept it all inside she had other boyfriends but she didn't want them she wanted him by the time she was single he found someone new and fell in love again heartbroken she begin to go to pain and music to deal with the heartbreak of losing the one she loves Knowing the unknown What is love? Love is laughing so hard you can't Breath Love is smiling till it hurts Love is crying till you can't cry no More What is life? Life is tears Life is smiles Life is mistakes and lessons What is me and you? I don't know what you and me is Is it love? is it forever? Is it never? I don't know Do you know what me and you are? Do you know if it is love? if it is Forever? If it is never? do you know? In life there is a sense of the Unknowing You never know what life holds for us So you chose your path in life Love is unknowing You could mistake love for lust Love won't last forever In both love and life There is a sense of the unknowing Can you figure it out Invisible girl invisible girl that's me no one can see me invisible is me invisible girl that's me no one can hear me invisible is me invisible girl that's me the ghost of darkness invisible is me invisible girl that's me proud of it invisible is me invisible girl that's me embracing it invisible is me I am I am pretty smart funny I am an actor a singer a poet I am a writer a painter a song writer I am different human undefined Human Human This one word has a lot to say can it be defined Human It defines anybody who can define it everybody can Human can be a person dead or alive so can it be defined Human it can be defined it defines me I am H.U.M.A.N Dead dreams I have high hopes in my life I want to be an actor some day I have the skills to do a lot of things I have low hopes in my life I do not think I can be a poet or actor some day I do not think I have the skills for that I have no hope in my life I think I am still the indivisible girl I have no hope in my life I have no dreams My dreams are dead Blinded by the past Blinded by the fear. Blinded by the past Chained away from the future Blinded by the pain of the past Blinded by the hate of the past Chained by the fear You can see the future It's in your hands, but the past holds you back Why? Cause you can't let go of the past. Let the past go Let the love in Stop being blind and love him He's worth it. He's earned the key to your heart. Love is Love is A 4 letter word that has no meaning Love is A 4 letter word nobody knows the true meaning of Love is a 4 letter word that lost meaning in the world Love is A 4 letter word that people use to destroy hearts Love is a 4 letter word and nothing more but a 4 letter word My first You are my first friend you are my first crush you are my first boyfriend you are my first love you are my first broken heart you are my first physical scar you are my first emotional scar you are my first you are my last Second chance Cutting her wrists deeper and deeper she is about ready to leave leave this earth and never come back she looks up and she can see god He says it is not your time it is not your time to be with me Her mother beating on her bedroom door Her mom kicks the door down she sees her baby passed out on the floor bleeding she calls 911 She wakes up in a hospital bed She got a second chance A second chance at life Harsh reality Nigga claim he loves me Cares for me Only want me Left so many times Then came right back Talking about he'll never leave again. But turns around and threatens to leave How do I live like this? Wanna leave? But I know I'll be right back A vicious cycle I'm stuck in How do I get out of it? Don't know what to do. Tired of this life Trying to figure out what to do Know I love him Know I can't live without How do I live? I can't believe a word he says I can't trust his word Tired of the cycle I'm in Just wanna scream out Just wanna break out of it Don't know how? Don't know what to do anymore. You was the same nigga I stayed up for Same nigga I put up with All the accusations from you All the fights All the name calling I stayed and you go and break my heart Did what you accused me of doing And what makes it worse with an ex of yours. Got me analyzing my body Figuring out the pain I'm feeling Hating myself Feeling so ugly wishing for the dream to be over Sadly it's not a dream, it's a harsh reality. Nobody knows Nobody knows the pain I go through to coop Nobody knows How much blood I see every time Nobody knows why I go through it Nobody knows the pain of my past Nobody knows Why I'm afraid of my past Nobody knows why my future is just as scary as my past Nobody knows And i'm not ready to tell why Loving an old flame Loving and old flame all over again.... The irony in that My ex bf is my baby... I'll always love him My old love refurbished Into a deeper love Into a deeper connection. Into something stronger and solid Loving him all over again Loving my best friend all over again.... I fall deeper in love

everyday All over again He does no wrong I have not hate for anything he does I love everything about him I'm happy again with him Yay I am me I am Not a normal girl I am an undefined girl I am Not a normal girl I am an emo girl I am Not a normal girl I listen to rock music and love it I am Not a normal girl I am just me The voices Voices in my head screaming Voices screaming for help As death comes near the voices get louder Bright lights shining, more voices But maybe it's all In my head No one knows I'm dying No one knows I am here in this position No one cares enough to see Voices in my head screaming out Voices screaming for help As death grows near The voices in my head grow silent. Life flashing before my eyes Wishing that dying was faster Painless, but slow death An inner war Everyday there is a war inside me My heart and my mind fighting My heart screams out louder Than my mind, but there's still war My heart and mind fight everyday My mind can say one thing My heart another Screaming at the top of their lungs at each other And then silence is left As one battle has ended, but the war hasn't It's an everyday battle Between my heart and mind Everytime the battle ends I'm left to decide who's right? My heart or my mind Who I should listen to? My heart or my mind. I somehow mistakenly choose my mind My mind I always seems to listen to My heart always seems to silence or cage it, but never free it. I have a heart caged away. I have a heart screaming to be listened to A heart wanting to be free. There's a war inside me everyday A war I can only stop by freeing my heart from its cage Love, scary? Love, scary? Maybe There's always something to be afraid Love is one Love, hurtful? No, it may seem like it but no It's peaceful to love in caged It's beautiful. Love, scary? Yeah, but it's worth it. Loving someone unconditional and uncaged is worth it Questions Question after question swirl in my mind everyday Question after question form in my head that I am and was to scared to ask you and them Hate fueling up in my body everyday since the day Hate pouring out of me at people that dont deserve it For so long I have been afraid of the dark For so long I have been afraid of you... of myself and how far this razor can go For so long I have been guilty of it all. Question after question make shape in my mind everyday Question after question runs through my mind like a track star everyday Depression is getting stronger and stronger as time goes by Life goes on and time goes on without a care in the world for us humans and our emotions To afraid to speak to you or anyone about the incident To afraid everyday to sleep in the dark every night My fear and hatred and anger and depression takes over and overwhelms me like boulders daily Question after question pushed deeper and deeper into the back of my mind Question after question cloud my mind like a thick fog Long nights and rough mornings get harder and harder to deal with All the booze and drugs in the world don't help clear the fog On a daily basis I look for some type of numbing to just be okay for one night Just in search of one night of bliss and peace..... Just one night Long distance love story I was hurting when you came along I didn't know how it should feel to be loved I tried to be perfect, but no one is perfect We ain't perfect, but the love we share is perfect Our date, I'll never forget Even if I do you will be the to help me remember I get a heart push when your name comes across my phone Still got a crush on you even though you are mine A queen on my throne, next to you my king Wishing everyday to touch your face The distance is killing me Our love with each FaceTime call Asking the man upstairs for a different type of love Took me months to see I had what I was praying for Been through hell and back for someone who didn't want me for years I know if we go through hell, we will reach heaven So far away from each other I need you here I need to know your feelings Sucky ass distance, stronger love I miss sleeping on the phone with you at night Your voice, my Lullaby I can't imagine life without you All I want is you I don't know what I'll do without you my love Probably lose my mind We a secret nonetheless Society would judge us Society would try to destroy us One day we will see each other The distance won't be so bad soon enough Miles apart yet stronger together Sucky ass distance, stronger love Acknowledgements Thank you to everyone that has inspired me throughout my life and was my inspiration behind every piece you just read. I would also like to thank my family and friends who have always supported me and encouraged me to continue my craft, couldn't have done it without you. This book was a dream come true for me and in a million years I never thought I would actually finish it at my age. Thank you to everyone that has read it, hopefully you can understand me and my life a little better. Thank you for taking the time to read this book, I am so grateful and humbled to finally see my dream come to life, I can't say thank you enough to everyone.

The Sociopath Next Door Martha Stout 2021-07-08 WHO IS THE DEVIL YOU KNOW? Is it your lying, cheating ex-husband? Your sadistic high school gym teacher? Your boss who loves to humiliate people in meetings? The colleague who stole your idea and passed it off as her own? In the pages of *The Sociopath Next Door*, you will realize that your ex was not just misunderstood. He's a sociopath. And your boss, teacher, and colleague? They may be sociopaths too. We are accustomed to think of sociopaths as violent criminals, but in *The Sociopath Next Door*, Harvard psychologist Martha Stout reveals that a shocking 4 percent of ordinary people- 1 in 25 - has an often undetected mental disorder, the chief symptom of which is that that person possesses no conscience. He or she has no ability whatsoever to feel shame, guilt, or remorse. One in 25 everyday people, therefore, is secretly a sociopath. They could be your colleague, your neighbour, even family. And they can do literally anything at all and feel absolutely no guilt. How do we recognize the remorseless? One of their chief characteristics is a kind of glow or charisma that makes sociopaths more charming or interesting than the other people around them. They're more spontaneous, more intense, more complex, or even sexier than everyone else, making them tricky to identify and leaving us easily seduced. Fundamentally, sociopaths are different because they cannot love. Sociopaths learn early on to show sham emotion, but underneath they are indifferent to others' suffering. They live to dominate and thrill to win. The fact is, we all almost certainly know at least one or more sociopaths already. Part of the urgency in reading *The Sociopath Next Door* is the moment when we suddenly recognize that someone we know - someone we worked for, or were involved with, or voted for - is a sociopath. But what do we do with that knowledge? To arm us against the sociopath, Dr Stout teaches us to question authority, suspect flattery, and beware the pity play. Above all, she writes, when a sociopath is beckoning, do not join the game. It is the ruthless versus the rest of us, and *The Sociopath Next Door* will show you how to recognize and defeat the devil you know.

The Witches of Canyon Road, Books 1-3 Christine Pope 2019-05-14 Miranda McAllister should have inherited unbelievable powers from her witch parents. But the lack of those powers can't prevent her from fulfilling her destiny, a destiny decided before she was born...or was it? This boxed set includes the first three books in the *Witches of Canyon Road* paranormal romance series: *HIDDEN GIFTS* A match decreed by fate. A love awakened by magic... Life as Rafael Castillo knows it is about to come to an end. Twenty-one years ago, his grandmother, then head witch of the Castillo clan, helped the McAllister clan defeat a dark wizard...for a price. The payment, Miranda McAllister, is now on her way to be his bride. A medieval arrangement, but there's no naysaying Rafe's mother, who is intent on carrying out his grandmother's wishes. Miranda's parents tried everything — even revealing her lack of magical gifts — to break this unholy bargain, to no avail. As her Halloween birthday approaches, she journeys to Santa Fe, where the betrothed she's never seen awaits. Their first meeting is more like Beauty clashing with Beast than Cinderella dancing away with Prince Charming. But their first kiss is electric, triggering a storm of emotions and odd experiences that make Miranda wonder if her long-dormant magic is finally bursting from its shell. However, even as Rafe and Miranda begin to grow closer, threads of dark magic are weaving a spell that could destroy their clans' alliance...and any chance for love. *DARKER PATHS* A love lost in dark magic. A path to redemption obscured by evil... Cruelly dumped at the altar by the man she loves, Miranda McAllister turns her back on Santa Fe and takes off with Simon Gutierrez, who promises to help her develop her newly awakened magical powers...even though her logical self warns against acting on impulse so soon after her humiliation at Rafe Castillo's hands. Under Simon's patient guidance, Miranda discovers the astounding depth and breadth of her gifts. Yet too many unanswered questions leave her uneasy, especially when Simon indicates he'd like to move them out of the friend zone. Rafe Castillo still can't figure out what the hell happened the day of his wedding. A powerful spell forced him to spew those spiteful words at Miranda...and whoever cast that spell has covered their tracks so thoroughly, no trace remains — to Rafe's human form, at least. His coyote alter ego can track fainter wisps of magic, magic as dark and hateful as the things he said that fateful day at the church. Intent on finding Miranda no matter what, Rafe relentlessly follows a twisting, turning, increasingly deadly trail. But by the time he learns the truth, the race to save her from an unspeakable evil may already be lost.... *MYSTERIOUS WAYS* A clan caught in an evil web. A witch who must sacrifice everything to save them... Safe in Rafe's arms at last, Miranda thinks the worst of the danger is past. She is dead wrong. The Castillo prima is murdered,

and the clan is trapped by a hex. No one can leave New Mexico — or even send out a distress call. Worse, Simon’s evil magic sends dark spells against the clan, targeting the vulnerable new prima herself. Desperate to keep anyone else from being hurt, Miranda has no other choice. She surrenders to Simon — only to discover his grand plan extends far beyond possessing her body. He covets her powers to summon the darkest demon of them all. As Rafe works feverishly to track Miranda’s location, protect the clan, and find a loophole in Simon’s entrapment spell, Miranda realizes there is only one way to defeat Simon once and for all. Take on more power than she’s ever handled before. Make a deal with the lord of all demons. And risk everything to fulfill a destiny set in motion long before Rafe was a glimmer in her heart.

The Five Love Languages Gary Chapman 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction.
