**The Angry Therapist** - John Kim 2017-04-18

Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls "self-help in a shot glass" is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as The Angry Therapist, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR.

**You Don't Need A Man!** - Lana Otoya 2019-09-24

Are You Single? Good! Professional dating coach and dating advice blogger, Lana Otoya knows that you don't need a man. Your life is perfectly fine just the way it is. You have good friends. You have a good job. You're successful. And most importantly... You don't want a relationship just for the sake of having one. As a modern woman, you need a relationship for more than just the ability to get a credit card. You need a strong man who knows how to take the lead. To have someone take care of you rather than you always taking care of everyone else. But finding a man isn't really a problem for you. There are a lot of men who want to date you. Lots of messages from men on Tinder or Match.com. Weird men talking to you at the bar or hitting on you at the gym. They're everywhere! The problem isn't that you have trouble finding somebody... It's.. That you're having trouble finding somebody good. Somebody who is worth your time. You want a man who is serious. A good communicator. A man who asks you out on a date, arranges the time and place and actually meets you there. And if you can't find him, who cares! You've got a good life going anyway... ..but it would be nice... So what's so hard about finding him? Well.... Swiping on the apps is frustrating and disappointing. It takes up too much time and is emotionally draining. You feel your eyes drooping after reading bad profile after bad profile. Shallow texting conversations take all the humanity

and romance out of dating. You've come to expect the last-minute date cancellations and ghosting but when it happens, it still hurts. You've pretty much given up and left your love life to destiny or chance. If this sounds familiar, you'll be happy to know that - I've been in the professional dating scene for years and it has taught me something very interesting. There really is an easier way. A faster way to get out of the dating scene and into a healthy relationship with a high-quality man. The method takes a little work, it's not magic wand, but with a minimal effort, you'll find the man who checks off all your boxes. In my book you will discover: Science based facts that will make online dating easier and more fun Why staying single is the best thing to do for your romantic relationships. How to read a man's personality so you can divorce-proof your future marriage. The final answer to the question: "Am I being too picky?" What compatibility really means and how to know if you have it with your new man The reason you're overthinking and questioning everything when it comes to men The personality traits that have made you successful in life but unsuccessful at dating The one statistic that will give you the motivation you need to keep swiping The science based reason why men ghost you I am not interested in just hooking you up with some man. I never want you to settle. There IS a man out there who checks off all your boxes, but he's a needle in the haystack. And if you're looking for a needle in a haystack, it doesn't hurt to get better at looking. So, if you're satisfied with your current life but think it would be nice to add a good man to the picture, go ahead and hit the "add to cart" button. You won't be disappointed!

**What Women Want in Men** - Dawson Angel 2022-09-03

Make Every Effort to Become the Man Women Want to Love and Follow. You have to develop yourself into

the kind of guy she can't live without if you want to draw and, more importantly, KEEP a nice woman into your life. This is your duty as a man when it comes to dating and connecting with women. You don't need a ton of pick-up lines, mind tricks, or seduction techniques to make a woman want you. Because, quite frankly, if a woman does not RESPECT you as a guy, no amount of seduction can make her turn on and want you. If a woman does not respect you as a man, she will not trust you. She won't be able to fall or stay if she can't have faith in you. You must develop into the kind of man that a good woman simply cannot live without in order to draw and, more significantly, KEEP her in your life. When it comes to dating and interacting with women, this is the only responsibility a man has. You don't need a ton of pick-up lines, mind tricks, or seduction methods to entice women. Simply put, if a woman does not RESPECT you as a guy, no amount of seduction can ever make her turn on and want you. A woman won't be able to trust you if she doesn't respect you as a guy. She simply cannot fall in love or stay in love if she is unable to put her trust in you.

You will feel the effects immediately and the results will appear very quickly! So it was in my case. You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through this unique, subliminal method combined with positive affirmations. The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being, blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs. Everything is extremely simple! Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self-confidence, tenacity, courage, love, loving relationships, self-control, self-esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective, full of freshness and success. This book helps you step by step, in a natural way, in just 3 minutes a day, to change your misguided way of thinking and to Attract, Seduce and Get Any Female You Want. (NOTE: For good, Nicholas keep the price of the book as lower as he can, even if it is a hard work behind this project. A significant portion of the earnings from the sale of the book are used for these purposes: for charity, volunteer projects, nature restoration, and other inspired ideas to do good where it is needed. If you can not afford to buy the book please contact Nicholas and he will give you a free copy.) You, also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing. You will feel the difference. Yes. The Miracle is possible! Get Your Copy Now!
