**A Wild Sheep Chase** Haruki Murakami 2011-10-10 Haruki Murakami's third novel, A Wild Sheep Chase is the mystery hybrid which completes the odyssey begun in Hear the Wind Sing and Pinball, 1973. The man was leading an aimless life, time passing, one big blank. His girlfriend has perfectly formed ears, ears with the power to bewitch, marvels of creation. The man receives a letter from a friend, enclosing a seemingly innocent photograph of sheep, and a request: place the photograph somewhere it will be seen. Then, one September afternoon, the phone rings, and the adventure begins. Welcome to the wild sheep chase. *Capricorn - Mr. Ambition* Tiana Laveen 2018-01-14 PLEASE NOTE: This book contains adult content. Welcome to the "Zodiac Lovers Series" - The 12 Signs of Love. This is a series which features a hunky hero for each zodiac sign of the year! All novels in this series are standalone, so you can purchase any or all of them as you wish, without missing a beat. Each Hero embodies typical characteristics of their zodiac sign, but please bear in mind, this is simply for fun and not intended to mean that men of any sign mentioned will act as described. Each unique tale chronicles the life of

the hero and heroine's quest for love and romance. Some of the heroes are serious and brooding, others capricious and fun-loving. Some of the tales will feel like a modern-day fairytale while others will take a more serious tone. Some of these stories may lie somewhere in between. This series is written from the heart and gathered from the stars. Enjoy! Chancellor Hartmann has no time for fun and games. He is the CEO of "Fountain Lite," a successful company offering special lighting appliances for pools and irrigation systems. Chancellor wakes up at 4:05 a.m. every morning, goes out for his daybreak jog, then gets ready and drives to work with nothing but business on his mind. The employees fear his no-nonsense approach. His callous way of cutting to the chase, and his failure to mince words have given him quite the reputation. When he leaves his office, often in the wee hours of the morning, he returns to an empty house. Women are delightful creatures to regard from afar, and for short periods of time... Chancellor garners female attention wherever he goes with his distinguished looks and sex appeal. Yet, his aloofness keeps them at arm's length, sending a message to any potential lover not to get attached for he has no qualms whatsoever about breaking hearts. Nothing steers him from this path tailored around a vigorous schedule. That is, nothing until Bailey Hawthorn moves into his neighborhood... Bailey is a hands-on type of woman with an infectious laugh and magnetic personality. Her interesting career gives her a touch of whimsy, but she also carries a wisdom about her that exceeds her age. After a chance meeting, Chancellor learns that Bailey is not only drop dead gorgeous, but also single. Though he hates to admit it, she is now on his radar, and his thoughts are consumed with her. For one, she has him truly pegged, down to the bare bones, and this fascinates him. The once most eligible bachelor of the block is now faced with a life test he's never encountered before. The challenge? Living by the seat of his pants, facing the hard truth, experiencing fun and adventure. Chancellor has fallen head over heels for his polar opposite, but can he hold on to her, face unexpected crises, and pass the test of true love? Will he be able to release his stifling dogma and let go of the rules and regulations that have slowed him down once and for all? Read "Mr. Ambition - Capricorn" to find out!

**Pisces Rising** Martha C. Lawrence "Just when you think you've seen everything, something new comes . . . and astounds you."—The Dallas Morning News I moved through the casino in a daze, my senses overloaded by lights, noise, and the discordant vibes of the gamblers. Their emotions—numbness, excitement, anxiety, ecstasy, love, loathing—clashed all around me.... I stopped at a game, and that's when it all started. I began to know things. It's an unpredictable gift, an ability I can't force to come about. Nor can I stop it once it's begun. I knew that the short-haired brunette at the end of the table would lose. In spite of her pretty white smile and positive attitude, I could see her defeat.... As for me, it was as if I'd already played my hands and seen their outcome. Tonight I was destined to win.... After seeing her fiancé gunned down at the end of her last investigation, psychic detective Elizabeth Chase is reluctant to go back to detective work. But when an old friend calls in a favor, Elizabeth finds her unique talents pitted against her most brutal and baffling case yet—the pursuit of a vicious murderer wanted in connection with the scalping of a Native American casino owner. Elizabeth soon learns that the tranquil setting of the Temecuc reservation belies a dangerous undercurrent of political scheming, racism, and pure human greed. As she struggles to figure out who can be trusted, Elizabeth must call upon all of her resources not only to solve the crime, but to restore her own spirit. The first three Elizabeth Chase mysteries have been widely acclaimed by readers, critics, and other writers alike: "With a refreshingly eccentric style, Martha C. Lawrence makes psychic investigator Elizabeth Chase immensely appealing and totally believable," says Diane Mott Davidson. Or, as Harlan Coben puts it, "You don't have to read the stars to see that Martha Lawrence is up there with the likes of Sue Grafton, Sara Paretsky, and Marcia Muller."

*Capricorn 2000* Berkley Staff 1999-08 With the coming of the new millennium, many wonder what lies in store for their personal lives. Super Horoscopes is there to point the way, with the most comprehensive, revealing individual horoscopes available!

Aquarius Descending Martha C. Lawrence Torn McGowan, Elizabeth's cop boyfriend asks her to take on a case that seems to be more in her line of work than in his. The father of Tom's ex-fiancée has come to him in desperation: He fears a mysterious package he's just received means that his daughter, who has disappeared into The Bliss Project, must be dead or in terrible trouble. Although Elizabeth is not too keen on the idea of accepting a case so close to home—she didn't even know Tom had an ex-fiancée, and The Bliss Project's efforts at mind control threaten to wreak havoc on her finely attuned senses—she agrees to investigate. But infiltrating a cult is no easy matter, especially one that seems to have as many secrets as this one, and soon Elizabeth finds herself in a life-and-death battle that will lead to a shocking conclusion. "Just when you think you've seen everything, something new comes . . . and astounds you."—The Dallas Morning News

The Cold Heart of Capricorn Martha C. Lawrence Now Elizabeth Chase returns in a case more dangerous than ever: An increasingly violent rapist has been terrorizing San Diego, but the lack of

physical evidence at the scenes gives the police very little to go on. Skeptical but desperate as the rapist edges ever closer, the cops turn to Elizabeth for paranormal assistance. Her first step is to hypnotize the victims, hoping to unearth clues buried in their subconscious memories. But when her interpretations have devastating results, she tries to back off the case—only to find herself drawing nearer and nearer to the deadly conclusion. *Parties in Congress* Colette Moody 2011-02-01 They say politics makes strange bedfellows... Elated to secure her first paid political staff position, Bijal Rao is eager to focus her efforts on the election of her candidate to U.S. Congress. However, Bijal's first unforeseen obstacle is her profound and unexpected attraction to their opponent—incumbent Congresswoman Colleen O'Bannon—who is outspoken, charismatic, and openly lesbian. An even greater hurdle is the subterfuge and pretense that prevades the climate in Washington, D.C., where small missteps are readily painted as major gaffes, and lies are explained away as "in the public's best interest." During the heated campaign, both Bijal and Colleen struggle not to cross the lines of propriety—and perhaps more importantly, their party lines.
