The Signature - Daniel R. McArthur 2020-02-26

Chipo moves to Harare, Zimbabwe, with big dreams for her life, and finds them shattered after becoming pregnant. Her hard-hearted father gives the baby away to a couple, Hans and Ingrid; in rebellion, she starts a life of prostitution. When Hans and Ingrid Grundey's vehicle hits a landmine, throwing them into the river, they end up on opposite shores, Hans in Zimbabwe, Ingrid in Zambia; both thinking the other dead, Ingrid finds a village and works as a nurse healing people, while Hans joins the mercenaries looking for the man who laid the landmine that killed his wife. A familiar ribbon intertwines the three characters, Hans, Ingrid, and Chipo, and leads them on a journey to find forgiveness, redemption, and the power of God working in and through their lives, transforming them and leading them closer and closer to finding one another. In the process of their journey, they find the meaning of the signature of God upon their lives; that seal of the Holy Spirit that transforms us and releases us to walk in power and victory against all odds.

A Girl Like You - Maureen Lindley 2013-06-06

Thirteen-year-old Satomi Baker is used to being different. It is 1939 and being half-white, half-Japanese on the west coast of California gets you noticed. When war is declared, Satomi's father Aaron is sent to the base at Pearl Harbor. He never returns. Now the community that has tolerated its foreign residents for decades suddenly turns on them, and along with thousands of other Japanese-American citizens Satomi and her mother are sent to a brutal labour camp in the wilderness. The Girlhood of Shakespeare's Heroines - Mary Cowden Clarke 1851

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from

being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Why She Has Not Fallen for You and How to Quickly Change That - Abel Cruise 2021-06-08

When I was much younger and inexperienced, there was this beautiful girl I did all I could to impress. I would buy her flowers, expensive jewelry, and other gift items just to convince her to be my girlfriend. I did all that because I was desperate to prove that I would make a good boyfriend if only she would say 'yes' to me. Well, it all turned out to be a huge mistake because she ended up falling in love with another guy. The saddest part was that I chased this girl with all my flowers, money, and expensive gift items for good four months before she met this other guy. Yes, I got there first. Even though I did everything to impress her girl for four months without success, the new guy started banging her in just two weeks after meeting her. This was the first time it dawned on me that the dating world is not a fair place for a 'nice guy.' Now, here is the point! The new guy got my 'supposed girlfriend' not because he was more handsome than me, not because he gave her more money or gift items than I did; In fact, I later learned she was the one giving him gifts and money. What then did he do that I didn't do? Here is the answer to that; HE PLAYED HIS GAME ACCORDING TO THE RULES... One thing you must know is that the psychology of ladies is quite different from that of

guys. Even though we think we show commitment when we shower gifts on the girl we intend to date, she sees all that as being desperate. When you shower gifts and money on a girl you intend to date, you make her feel like a precious treasure you are willing to do anything to get, and she would likely not feel any attraction for you because she starts seeing herself as a girl that's too good for you. And if this has been your experience, worry no more; because it's about to come to an end. It's time to stop being a 'nice guy' and start playing according to the rules. I have carefully outlined in this book powerful attraction techniques that work like a love spell that will guarantee rapid success for you in making any lady fall helplessly in love with you without you spending your hard-earned money. This book will lead you by the hand through the rules of attraction that you need to command the affection and respect of any girl you wish to date. Get this book now and become a winner and not a loser in the dating world. Cheers...
