

How To Get Girl Crush On You

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

50 Sure Ways for a Girl to Stay Single Pim Pauline Overgaard 2012-12-18 If you always dread the second date, follow this hilarious book's sage advice, and you'll never have one again: * Make a list of things he has to change in appearance and behavior before he can be with you. * Tell him you once tried to kill your ex, then start to laugh hysterically. * Bring a book of baby names to your first date and circle the ones you like with a pink marker. 50 Sure Ways for a Girl to Stay Single is a guidebook that's helpful in a number of critical situations. For example, if you want to end that desperate loser's crush on you, employ these shrewd strategies: * Never shave. * Chew with your mouth open. * Chain smoke. If your clueless friend just can't understand why her relationships don't last, slip this book into her bag and hope she recognizes herself in these classic gems: * Never even try to pay the bill. * Use "I don't know" as an answer for everything. * Bring up your ex as often as possible. * Always put men down. If you're fed up with the whole dating scene and need a good laugh about it, have a giggle over these wicked scenarios: * Keep staring at his "package" and then sigh repeatedly as if disappointed. * Give him a detailed description of the sex dream you had about his best friend. * Tape over his porn with Touched by an Angel. Each piece of advice is illustrated with the author's own stylized and sophisticated, but slightly silly artwork, which makes the book even funnier. 50 Sure Ways for a Girl to Stay Single is goofy, yet hip, with great visual and comic appeal.

Lipshtick Gwen Macsai 2009-10-27 Get comfy, pull up a pan of blondies, and settle in for some girlfriend talk. Get the lowdown on who's low and how's down, whose long-standing but unspoken conflict with her mother is contributing to her sexual repression, and whose boyfriend named his penis. A hysterical send-up of everyday life and love with lots of heart, Lipshtick is a quick fix, a good schmooze, a heartfelt sob or two. It will take you on a trip through things universal to all pairs of X chromosomes worth their salt: for coping with social dances in junior high (where the sexes meet like a hormonal high noon) to the joys of plucking out your chin hair like evil weeds; from the natural order of a girl's fantasies (like sweets that don't make you fat, spending that doesn't break the bank, a beautiful nap in the middle of a long day) to why flings with bad boys are the ultimate in dating pleasure (finding the right boy to lust after is a lifelong struggle--eventually you grow to be picky about who rejects you); from getting married (His best quality? He was like family. His worst quality? He was like family.) to the sad state of postnatal breasts. Gwen Macsai cover it all--with a shtick twist. You'll laugh, you'll cry, you'll thank God you're not her. No situation unaccounted for, no mole left unexamined, Macsai captures a woman's life from her first leg-shave to her last dose of hormone replacement therapy. When you finish Lipshtick you'll have added another great girlfriend to your already glittering array. And in this world you can't have enough girlfriends or laughter.
