Female Orgasm - Michael Bush 2018-04-10

To satisfy a woman on bed especially for those with a small penis might be quite difficult if you don't understand the basics behind making a woman orgasm. Before writing this masterpiece, I spoke to more than 500 women who have experienced orgasm. The statistics are written below; 51% said that they anticipated the sex so badly that they climaxed few minutes after the man started thrusting. 30% said that the man started out with a fantastic foreplay and hit the right spots when he started thrusting. 19% said that they had no idea what the man did, but the sex was wonderful. The question is where exactly is the right spot? If you know about the G-spot but have no idea how to hit it right during sex, then there is a problem. This book will show you exactly how you can make a woman anticipate sex so bad that you would have a field day getting her to climax The right way to go about foreplay, thrusting, and making her climax, even when you have a small penis. How to satisfy a woman is simple if you can just read this book. Sex positions are not imperative when it comes to pleasing a woman on the bed. It is all in a woman's head!!!

ORGASMIC reveals how to make her: Multi-orgasmic Ejaculate Get the most powerful orgasms of her life Faint (the ultimate bragging right) Appreciate and value you ORGASMIC tells you why: Penis size is irrelevant Knowledge of the pudendal nerve is so important You shouldn't follow the porn film formula Stimulating her mind is essential before stimulating her body ORGASMIC shows where, when, and how to: Spank to push her into orgasm Stimulate the G-spot Use another orifice to give her great pleasure Be a real man in her eyes ORGASMIC also provides guidance on how men and women can become truly happy-by having partners who love and cherish them. ORGASMIC: An Illustrated Guide for Men on Sexually Satisfying Women is the next step in man's evolution to sexual and relational expertise. It will help many men avoid the pitfalls that await them as they enter into new relationships and will help strengthen and save other relationships that are in trouble. ORGASMIC is the first modern sex education book that doesn't feel the need for explicit images and places sex within the context of being part of a marriage or long term relationship. It is deliberately minimalist-no need to fill pages of

text when a short sentence will do. ORGASMIC believes that while sex is crucially important, what is even more so is a loving, respectful, and lasting relationship between a man and a woman. However, in order to have the latter in our modern world, a man must be skilled at the former. ORGASMIC doesn't just help men become better lovers, it helps them become better partners and better husbands. Visit www.orgasmicbooks.com for more information.
