It's Not Too Late - Joyce Stanley 2018-07-18

Broken relationships are everywhere. If you're not in one, you certainly know someone who is. Most people don't know where their relationship problems started, let alone how to fix them. It's Not Too Late provides biblical answers, but it does so through story'the story of a marriage that dies and is later restored. Sara and Nick seemed like the perfect couple: college sweethearts, a beautiful wedding, good jobs, and twins'a boy and a girl. An unplanned pregnancy and then a miscarriage of their child tests their idyllic marriage. Compounding this, Nick's job necessitates uprooting and moving from one city to another more times than Sara and the twins can count. Resentment builds within the family, and Sara and Nick head for divorce. Sara embarks on a journey to find help for her and her family and discovers buried emotions tied to never-divulged events. She brings her nightmare out of the shadows, and we beg to understand how she can rise above it. Can God really help her and her family let go of the past and forgive? Readers will see themselves in this story and will be transformed by walking with the characters through their process of spiritual change. This book shows the reader how to change, not through dry instruction, but through vivid stories of characters whose lives are healed by God. 'Joyce Stanley has been a spiritual mentor to me for over fifteen years. The Lord brought her into my life to teach me the truths that are found in her book, It's Not Too Late . What a joy to know that others will be set free by the same biblical principles. This is a must read for everyone.' Laura Seifert Founder and Leader, Yes. Ministries

Restoring the Broken Places in an Unforgiving World - Becky Cortino 2021-03-18

The truth is things happen we will never understand. When the unimaginable intrudes into our lives, colliding with our hearts, we are left choosing how to handle it. Forgiveness is not a simple issue. The way to grace is filled with challenges and confusion. Common misconceptions about nurturing healthy relationships and extending forgiveness complicate troubling situations. The world's lies get in the way of forgiving, by promoting popular ineffective strategies like: - Withholding forgiveness as personal power (chains everyone). - Just "forgive and forget" (allows a wrong to remain, fester and grow). - Silence (implies agreement accepting the unacceptable, lack of caring). The Statistics Show: A majority of people value relationships as highest priority. They recognize relational challenges need to be addressed, but their attempts haven't been successful. They would do anything to "fix" their relational

breaks, but are unsure how. The Facts Are: We have to do something to repair our fractured relationships. Restoring relationships takes effort, determination and dedication 24/7. The things we're doing to "fix" a broken relationship aren't working - and never will. The Truth Is: The most effective way to repair relational breaks is by following a tried-and-true model. The steps are time-tested and proven to be effective.

International Speaker-Author Becky Cortino has cast the widest tent possible to plead the case for the necessity of forgiveness to repair relationships and live your best life. In her book *RESTORING THE BROKEN PLACES*, she provides a deep-dive into biblical principles surrounding forgiveness, presents a fresh look at reasons common practices don't work, showing how to move toward restoring broken relationships by: - Understanding what forgiveness is and what it is not. - Realizing when extending grace is required and how to forgive. - Recognizing an Unforgiving Spirit and loving beyond it. By embracing grace, we release painful bondage and regain peace in our lives. Broken relationships can be mended, transforming all!

How to Fix a Broken Heart - Guy Winch 2018-02-13

'HOW TO FIX A BROKEN HEART PROVIDES THE VALIDATION, COMFORT AND HOPE ANYONE WHO IS HEARTBROKEN DESPERATELY NEEDS.' ESTHER PEREL, BESTSELLING AUTHOR OF THE STATE OF AFFAIRS AND MATING IN CAPTIVITY Every one of us has or will have our heart broken at some point in our lives. Heartbreak, whether it comes in the form of romantic love or through loss, is universal, yet we know so little about how to deal with it. Psychologist Dr Guy Winch imagines how different our lives and our society would be if we paid more attention to this unique emotional pain. Heartbreak can last for days, weeks, months and even years. Yet while we wouldn't expect someone to go to work or function well with a broken limb, heartbroken people are expected to function in their lives, despite the emotional pain they feel. How to Fix a Broken Heart argues that if we don't understand how heartbreak works, we won't be able to heal it and we are likely to make it worse, which we do, and regularly. Dr Winch reveals how and why heartbreak impacts our brain and our behaviour in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve and to function. Recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Dr Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on. 'A great read for anyone going through heartbreak, anyone trying to help someone go through heartbreak, or anyone who simply wants to understand humans better' Tim Urban, creator of Wait But Why?
