Hawk & the Lady Elizabeth Stevens 2020-07-31 Leah I didn't belong in their world, but I made a good show of pretending I did. Mother and Father expected it. All I wanted to do was get a cosy cottage in the suburbs and live with my million cats. What I got instead was suitor after suitor paraded in front of me and the threat of a looming engagement. So, what else was a girl to do? After bumping into Mrs Fortescue's 'companion' one too many times, I decided he'd do. Mother and Father wanted an engagement? They'd get one. Except I'd be the one having the last laugh because Patrick is the total opposite of what my parents want in a son-in-law - his nickname is Hawk for goodness' sake - and I have no obligations to him in any department. But of course, the best laid plans make fools of us all and it's not long before I want him to hold me accountable only to him in EVERY department. There's just the small problem of him being completely unsuitable and without any inclination to settle down. If there's one thing I know about men, it's that it takes a remarkable woman to tame them. I know I'm a remarkable woman. I only hope it's not too late for this lady to tame her hawk. Patrick If there's one thing that makes a guy reconsider his womanising ways, it's seeing his best mate and his little sister settle down. If there's another, it's a gorgeous woman in a stunning red dress. But she's a part of a world I can only pretend to fit into and she's a damned lady - elegant and sophisticated - and she's totally off-limits to a grunt like me. Every time we meet, there's a look in her eyes that suggests she's far less sophisticated than she'd have me believe. And it's not long before this hawk is close to begging to relinquish his freedom, even just for one night. So, how could I say no when she needed my help? I was expertly qualified to serve, and if I got to be myself for once that was just icing. But the more time I spend with her, the more I want to be around her. The more it feels less like a job and more like something real. There's just the small problem of her being an heiress with obligations that don't include me and the job will only last so long. I don't know a lot about ladies, despite my remarkable ability to play a part. All I know is there's always more underneath the mask, and there's only one lady who can tame this hawk.

Codex of Love 2005 Did you know that long before prophetic men living in the desert changed the course of history of our planet, a living prophetic tradition of women preached about a much older religion of a Goddess that is LIFE itself? Long before Jesus talked about love, Her priestesses did. Long before the Quran declared the Divine to be the Light of the heavens, Her priestesses did. Why should something that happened thousands of years ago matter to you today? It matters because the Goddess' prophetic tradition still lives! Just like debar Yahweh (the word of Yahweh) was heard 3000 years ago, abat Ishtar (the word of Ishtar) still cries for you to hear today. "O seeker, if you ask who is Ishtar, look at the stars, they will tell you My story. If you ask where is Ishtar, look deep within your eyes and you shall see Me. If your mind says I don't believe in Ishtar, dwell on the image of your beloved and you will remember Me. In the heart of every man and woman is a star. Seek it and you shall know Me. I am Ishtar and I love you." If you have read the Bible, the Quran, or the Bhagavad Gita, then you owe it to yourself to read the Codex of Love. It is a book that evokes happiness with every reading, whose words of love fall like gentle rain on parched earth. Read it out loud to yourself and be ready to be amazed by the profound sense of love that surrounds you. You will want to read it again and again because the simplicity of its prose hides intensely deep spiritual teachings. Discover what the Goddess' heavenly teachings have to say about: * Living the spirituality of love even if you have been hurt so many times. * Enjoying a more peaceful life in a world filled with war and news of terror. * Finding that true love you always wanted. * Keeping the fires of love, desire, and passion ablaze in your life. * Experiencing intense sacred sex that illuminates your soul. * Walking touched by the spirit of the Goddess every day of your life. Many books have been written on the Goddess, the old religion and neo paganism. Experts talk from an anthropological perspective and some give you basic rituals and hymns. The Codex of Love leaps out, unique in that it is the living words of the Goddess. For the faithful, it is indeed a joy ride of love that gladdens the heart and uplifts the spirit. For the skeptic, it is a pleasurable and tantalizing journey filled with spiritual nuggets of wisdom. No matter your affiliations, if love is your religion at all, you need to read this book.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Love Book Eyal Schwartz 2013-07-03 An illustrated poetry book. The visual artist Ehud Graf meets author Eyal Schwartz for a co-production of Graphic-Poetry. This is the fourth release in a series of visualized text which takes the reader to a higher level of understanding poetry. The love book is inspired by the comics we found in good old days. Love as we see it nowadays, reflected from our kitchen window into our Ipad screen. The Love we fear is slipping away from our bed yet is to be found in the bathroom. Trying to touch various aspects of love and relationship we serve you this book reminding you how much you love your woman, and how much she loves her man. In the past poems were purchased only by those who consider themselves intellectuals or poetry lovers. Now it is returning to the main stream with a revised edition. Understanding the need for the reader to have further stimulation the text is playing a one-on-one game with the visual. The love book is a gift I wish to give. It is about relationship and love. It makes you laugh a little and also makes you think. It has irony and a bit of wisdom. Reading the book is quickly done but you could re-read it in the future to find other things you haven't seen before. In relationships there are ups and downs and while we are going through hard times we sometimes wonder is it worth it. The love book is a reminder of how much you love each other. You talk a lot and you kiss so many times that you don't know whether you could say anything new to make the other person interested. You make love not knowing whether it still makes your partner feel joy and does it make him or her satisfied. In the evening you want to hug each other and in the morning you wake up for yet another day. So many books were written about love stories and many movies had been filmed. In the love book we take a glimpse at the very essence of relationship in post-modern time. Comics is chosen by the Illustrator Ehud Graf to lighten up the story and help you read it in a joyful way. After all smiling while reading is a much nicer experience. The mutual work with an Illustrator who's also a visual artist is triggering me to come up with new ideas. Words are becoming more meaningful when they are printed on a picture. We both wish people would have a perfect gift they could give someone they love. This gift is something you could give your wife or you could give your husband. The perfect gift is something one can buy for a couple of friends or just for someone you cherish. Sometimes you don't know what to buy and yet you want it to be sweet. Not sweet like candies or chocolate but special and not expensive. Flowers are beautiful but they do not last more than a few days or a week. The love book is something that shall last for years. In the 21st century we have so many products and brands that we basically have enough of everything. We have laptops and tablets many clothes and loads of food. We download movies and delete them once we're done watching. Books are turning to files and are now stored on our Ipad or Kindle or any other device that may display the text for us to read as we go. We tried to imagine a book that is as short as a notebook. We wish it would be light and not too long. We know people have less patience and want instant experiences. Like in youtube or on your music list where you skip to the next track we created a book you can quickly flick through without losing the context. Graphic Poetry is a genre. We have not invented it but we're creating our books in that style. The love book is for people who want to keep on loving and keep smiling as they do it. It is a proof you are not alone in those little conflicts. You are not the only person who gets upset and then forgives. You love so you are willing to go further and leave your ego behind for a second or a minute if you could. What is a perfect gift, we don't really know. But we tried creating one. Enjoy your togetherness wherever you are. Love yourself Schwartz & Graf
