Diary of a Married Woman E Sam Ekong 2005-11 After her ten-year marriage begins to crumble, Amber Smith finds satisfaction in the arms of a mysterious Nigerian named Blessing. But when Blessing experiences a renaissance of his own with another woman, Amber must follow a new path. Which direction will she take? The idea that Mike was having an affair didn't bother me that much. It was ironical that his own indiscretion if it was true, would be so close to home as well. It wasn't really that I still loved him because, I didn't. It wasn't also that I was jealous because, I wasn't. It was just that I'd never thought of him as one who would have affair. Could this be true, I kept thinking? My thought went back to Blessing, how I wished he was here to share the moment with me and watch the rain fall. I thought about the way he usually talks to me, look at me and the way he touches me. These thoughts are not strange to me at all because at night, whenever I'm lonely, I often think about him. Whenever I feel disenchanted, which is often these days, I think of him. And most importantly, whenever I needed to remind myself how good a man could make me feel, I think about him.

sailed away on an aging wooden sailboat, finding a new life in the Crewed Charter Industry in the Virgin Islands. The first book, Voyage of the Capricorn Lady, Book One, Lost at Sea with Daniel T., recounts Dan and Judis miraculous escape from almost certain death after a boating accident in the lower Bahamas, and chronicles the challenging and adventurous life they stumbled into that would provide a new career for the next 23 years. After they sold their sailboat, Capricorn, in 1980, they became the new owners of a 71 Trumpy Houseboat, built in 1947. From 1980 until 1999, Dan and Judi Gilman owned and operated Capricorn Lady in the British Virgin Islands, hosting Oscar winners, film directors, royals, and families from around the world. The vessel, and her owners, was featured in many international yachting and travel magazines, and was one of the first motor vessels to do crewed charters in the Virgin Islands. Dan and Judi purchased another smaller Trumpy, Capricorn Mistress in 1985 to join the Lady at her Nanny Cay base, often running the two vessels in tandem to provide accommodations for large family reunions, and corporate charters. Licensed Captain, First Mate, and Master Chef, Judi, a Capricorn Lady, tells all with a sense of humor and obvious love for the life she shared with Captain Dan. Tales of charter guests, charter crews, colorful island characters, beloved friends, and life in the beautiful British Virgins, are spiced with the memories of years of hard work and accomplishment. Judi describes what life was really like, below decks, on her successful charter yacht, as she and her husband strived to provide luxurious cruises for their guests, aboard a classic wooden yacht. Judi embarked on her voyage of love and adventure with Dan in 1964, and during their life together, they shared many tests of their ability to adapt to new circumstances. Never separated, working together 24 hours a day, they were loved and admired by their charter guests, but failed to heal the wounds caused by their abrupt departure from their previous life. Two families suffered the pain of separation, never sailing across distant horizons to

reach the shores of forgiveness. This phase of the Capricorn Ladys journey culminated with Dans death from Lung Cancer in April 2003, after a fierce two-year battle for survival. Travel with Judi from the carefree golden sands of the Caribbean to the Cancer Centers in Oregon where Dan stood his final watch. Judis beloved Captain departed across the bar in Florence, Oregon, leaving her in a world far from the sunny islands of the Caribbean. Learning to cope without her beloved soul mate, while transitioning to a new and interesting life, is her new challenge for the future. Dreams and psychic occurrences during Judis life, and after Dans death, confirm the bonds of love that bind this Capricorn Lady and her Captain, Forever. The Capricorn Ladys Voyage will continue Somewhere Beyond the Sea.

the most important work of literature that was ever published. Tropic of Capricorn paints a dazzling picture of the life of the writer and of New York City between the wars: the skyscrapers and the sewers, the lust and the dejection, the smells and the sounds of a city that is perpetually in motion, threatening to swallow everyone and everything. 'Literature begins and ends with the meaning of what Miller has done' Lawrence Durrell 'The only imaginative prose-writer of the slightest value who has appeared among the English-speaking races for some years past' George Orwell 'The greatest American writer' Bob Dylan Henry Miller (1891-1980) is one of the most important American writers of the 20th century. His best-known novels include Tropic of Cancer (1934), Tropic of Capricorn (1939), and the Rosy Crucifixion trilogy (Sexus, 1949, Plexus, 1953, and Nexus, 1959), all published in France and banned in the US and the UK until 1964. He is widely recognised as an irreverent, risk-taking writer who redefined the novel and made the link between the European avant-garde and the American Beat generation.

21st Century Star Signs Babs Kirby 2012-06-30 Ever wondered how best to win round a stubborn colleague, or why it is you can never settle for just one partner? Babs Kirby's 21st Century Star Signs will tell you everything you ever wanted to know about you, your lover, father, daughter, boss and even today's A-list celebrities, in this, the most modern, in-depth astrological portrait for the 21st century. Taking up where the massive bestseller Linda Goodman's Sun Signs left off, Babs takes a completely contemporary, zeitgeisty approach that's compassionate, intelligent and, above all, revealing. 21st Century Star Signs reflects and embraces today's sensibilities and values looking at the way we function in sexual relationships - whether they're heterosexual, metrosexual, gay (or otherwise-), in work - with all its ever-changing technologies and opportunities and in our homelife in which single parents, serial monogomists and stay-at-home fathers are now the norm. sign, giving an in-depth portrait which will reveal every aspect of the sign including both positive and negative aspects, bringing hidden motivations, sexual proclivities and characteristics to the fore and showing how different signs will thrive under certain circumstance, how to nurture one's positive influences and how best to recognise, relate to and deal with other signs -with all their strengths and weaknesses.

SignMates Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's *SignMates*. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are

given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

lesbians. Jill Dearman is a breakthrough astrologer for our time. No one has approached the stars with her sass and class ever before! Her guide to astrology for lesbians is lively, revealing--and naughty! Sections include: in life, in bed, how to seduce her, doing her and dating her, how to last over the long haul, how to get rid of her, and the three faces of each sign. How to get rid of an Aquarius woman: Ms. Aquarius will pack her bags soon after you start invading her personal space and drowning her in too much nonstop and irrational emotion. Ms. Aquarius hates to feel trapped, so if you slowly take away all her freedoms, you will be watching her walk out the door faster than you can sing "This is the dawning of the..." The Cancer woman is intensely emotiona...and her moods change with the tides. Not that you can every completely figure her out. Would you dare to assume you could understand the sea or fully absorb or comprehend a beautiful piece of music? Or course not, you silly lesbian. So don't patronize this lovely woman. But getting rid of a Cancer woman: Please don't be a cad and pull off the old "I'm going out for a pack of cigarettes (or a bag of Kitty Litter)" and never come back routine. She'll have your mother sitting with her and holding her hand, worrying, before you've made it past the border. And a complete compatibility profile of each astrological combination: Take Aries and Cancer: The best part? They can be fiercely loyal and protective of each other. The worst part? They instinctively know how to hurt each other's feelings and often do, in a most brutal way. Ms. Aries, ruled by fire strikes quickly and forcefully and without thinking. "Don't eat that doughnut! It'll make you fat!" Ms Cancer, ruled by water, knows how to create a mood of subtle emotional torture. "I don't feel like being touched...No, I don't want to be alone. Can't we just sit together in the same room and not talk and not touch and not make such a big deal about it?"

VOYAGE OF THE CAPRICORN LADY BOOK ONE LOST AT SEA

WITH DANIEL T. Voyage of the Capricorn Lady, Book One, Lost at Sea With Daniel T., is a true story about a Caribbean Charter yacht couple. Captain Judith Gilman and her husband, Captain Dan T. Gilman III, sailed away from their life of prestige and social status in Central Florida, after they lost their business and almost all their personal possessions in the mid-1970s. With no advance planning, emotionally struggling to adjust to a totally different kind of life, they made their way through the Bahamas to the Virgin Islands on their aging wooden sailboat, Capricorn, with one daughter and their Himalayan Cat. Book One describes the author's early life, her meeting and marriage to Dan, and the events that cast them adrift to an uncertain future. One moonlit night at Salt Pond Bay in the Exumas, Dan and Judi were thrown out of their rubber dinghy when it hit an obstruction in the water. As the swift current carried them out toward the open sea, the boat turned in a circle, striking Dan in the face with the propeller of the 15 horsepower engine. Their rescue by a "mysterious stranger" was followed by a wild midnight ride in an old flatbed truck to a tiny clinic at Dead Man's Cay. Bahamas Air Sea Rescue flew the couple to Nassau where Dan had surgery, and subsequently healed from his horrific wounds. After he regained his strength, the couple made their way to the Virgin Islands where they were introduced to "crewed chartering" as a way of life. The first book chronicles in detail their cruising live-aboard life, and incredible adventures as they sailed into the culture of many island societies. Dan and Judi rode out several hurricanes on Capricorn, almost sank several times, and lost all their personal belongings when the boat actually did sink on its mooring at Red Hook one black night. Stories of the charter life, guests and crews, and the colorful characters, who were part of the fabric of their lives during this period, are told with sharp detail right down to the fabulous cuisine that was served. Voyage of the Capricorn Lady is not just a book about boats and chartering; it is the story of a personal journey told with honesty.

Two families were forever damaged by the events that cast this couple on their path to a life of love and adventure. Working together, they brought joy to their guests, but failed to heal wounds resulting from their wrenching departure from family and friends. Dreams and Psychic occurrences during the author's life are woven through the tapestry of the book. They reaffirm the author's belief in the afterlife, and the timelessness of her connection to her Captain. The first book ends with the sale of the 40' Newporter Ketch, Capricorn, as the couple leaves the Virgin Islands to search for a new boat to continue their charter career. Book Two is a continuation of the author's voyage, from the decks of the 71' Trumpy charter yacht, Capricorn Lady, to the banks of the Siuslaw River on the Oregon Coast. "Forever", not until "Death Do Us Part", is the theme of this loving memoir of a Captain and His Lady.
