

How Persephone Get Her Name

Persephone's Orchard - Molly Ringle 2013-06-28
The Greek gods never actually existed. Did they? Sophie Darrow finds she was wrong about that assumption when she's pulled into the spirit realm, complete with an Underworld, on her first day at college. Adrian, the mysterious young man who brought her there, simply wants her to taste a pomegranate. Soon, though she returns to her regular life, her mind begins exploding with dreams and memories of ancient times; of a love between two Greeks named Persephone and Hades. But lethal danger has always surrounded the immortals, and now that she's tainted with the Underworld's magic, that danger is drawing closer to Sophie. Molly Ringle's growing list of other succesful titles include: The Chrysomelia

Stories 1. Persephone's Orchard 2. Underworld's Daughter 3. Immortal's Spring The Goblins of Bellwater All the Better Part of Me Lava Red Feather Blue Sage and King

Persephone - Kaitlin Bevis 2015-04-23

The Daughters of Zeus, Book One "Persephone is a fun, imaginative, smart retelling of my favorite myth, fusing modern culture with a rich world of magic." Amazon Top Reviewer, Molly Ringle, Author of Persephone's Orchard. One day Persephone is an ordinary high school junior working at her mom's flower shop in Athens, Georgia. The next she's fighting off Boreas, the brutal god of Winter, and learning that she's a bonafide goddess--a rare daughter of the now-dead Zeus. Her goddess mom whisks her off to

the Underworld to hide until Spring. There she finds herself under the protection of handsome Hades, the god of the dead, and she's automatically married to him. It's the only way he can keep her safe. Older, wiser, and far more powerful than she, Hades isn't interested in becoming her lover, at least not anytime soon. But every time he rescues her from another of Boreas' schemes, they fall in love a little more. Will Hades ever admit his feelings for her? Can she escape the grasp of the god of Winter's minions? The Underworld is a very nice place, but is it worth giving up her life in the realm of the living? Her goddess powers are developing some serious, kick-butt potential. She's going to fight back. "I enjoyed Hades and Persephone's sweet romantic relationship. Persephone has her flaws, but she is likable and learns along the way. The author's writing is descriptive and entertaining. I am looking forward to the next book." Rebecca Foote @ Paranormal Muse
"Everyone needs to check this book out, I can't

rave enough about it, Bevis is definitely a new talent to keep an eye out for. I give this 5/5." Sarah Brown @ Head Stuck in a Book "I found this book to be a fun and fast-paced adventure through Greek mythology with a modern twist." Stephanie Ward @ A Dream Within a Dream "From the first paragraph, I was enthralled with this story. I read it all in one sitting and enjoyed every minute of it. What a great spin on a Greek myth! Move over Rick Riordan!" Amazon Top Reviewer, Rita Webb, Author of Daughter of the Goddess "This story will completely suck you in . . . This book is the first of a trilogy, and I can't wait to see what's in store for these amazing characters." Amazon Top Reviewer, Melissa Groeling, Author of Beauty Marks Kaitlin Bevis spent her childhood curled up with a book and a pen. If the ending didn't agree with her, she rewrote it. Because she's always wanted to be a writer, she spent high school and college learning everything she could to achieve that goal. After graduating college with a BFA and

Greek Gods & Goddesses - Britannica Educational Publishing 2014-01-01

Giving Western literature and art many of its most enduring themes and archetypes, Greek mythology and the gods and goddesses at its core are a fundamental part of the popular imagination. At the heart of Greek mythology are exciting stories of drama, action, and adventure featuring gods and goddesses, who, while physically superior to humans, share many of their weaknesses. Readers will be introduced to the many figures once believed to populate Mount Olympus as well as related concepts and facts about the Greek mythological tradition.

Persephone and the Pomegranate - Kris Waldherr 1993

Demeter refuses to allow spring to appear until she has been reunited with her daughter Persephone, who has been abducted to the Underworld by Pluto.

Metamorphoses - Ovid 1960

Someone at a Distance - Dorothy Whipple 2008

J. B. Priestly describes Dorothy Whipple as a "Jane Austen of the Twentieth Century."

[The Persephone Theory](#) - Namir Rashid Thompson 2019-05-23

The Persephone Theory By: Namir Thompson

The Persephone Theory is one of the most interesting stories to read and by far one of the best books to mix comedy with horror and history. The Persephone Theory begins with the Greek myth coming to life as the goddess of harvest and fertility, Persephone, daughter of Zeus and Demeter, is taken by her uncle Hades to live in the underworld to become its queen, but is allowed to live amongst the humans possessing the one called Persephone. This Persephone is argnet to those who love and hate her, and make all who stand in her way pay with their own blood. Persephone, mad at existence,

leaves her children behind to face their own demands and are granted everlasting life. The children of Persephone roam on Earth, daring any and everything to stop them or die trying. They leave the message that power is being abused, people are being used as puppets, and that life is an everlasting cycle of rebirth and vengeance.

Persephone - Amie Jane Leavitt 2019
Goddess of springtime, or queen of the underworld-life or death? Empowering, high-interest narrative text tells the dual story of Persephone from Greek mythology. These core legends show Persephone's double personality as she splits her duties between her mother and the god of the dead. Fascinating myths also uncover Persephone's past, detailing her birth and how she fits into the family of deities. Further explore Persephone's role in Greek culture through her signature powers, symbols, and attire. Additional facts and historical information connect the goddess's influence

through popular culture today.

Circe - Madeline Miller 2022-12-23

Di istana Helios, dewa matahari, lahir seorang anak perempuan. Tetapi Circe anak yang aneh—tidak berkuasa seperti ayahnya, juga tidak memikat seperti ibunya. Karena tak punya teman, Circe mencarinya di dunia manusia, dan mengembangkan kemampuannya sebagai penyihir. Zeus, yang merasa terancam, mengasingkannya ke pulau terpencil. Circe mengasah bakatnya dan bertemu banyak tokoh paling termasyhur dalam mitologi, di antaranya Minotaur, Daedalus dan Icarus, Medea, dan Odysseus yang lihai. Tetapi wanita yang hanya sendirian akan menghadapi banyak bahaya, dan Circe tanpa sengaja membangkitkan murka manusia dan dewa-dewa, sehingga mesti berhadapan dengan dewa Olympus yang paling menakutkan dan pendendam. Untuk melindungi apa yang paling dicintainya, Circe harus mengerahkan seluruh kekuatannya dan memilih dengan tegas, apakah hendak berpihak kepada

Roman Gods & Goddesses - Britannica

Educational Publishing 2014-01-01

While the ancient Roman pantheon in many ways resembles that of ancient Greece, there is much that sets apart Roman mythology. Romans also borrowed from the religions of ancient Egypt, Asia Minor, and the Middle East, and legendary figures such as Romulus and Remus, tied closely to the history of Rome, feature prominently in ancient stories. The major and lesser figures of Roman mythology are presented in this vibrant volume with sidebars spotlighting related facts and concepts about Roman

mythology and religion.

The Young Pretenders - Edith Henrietta

Fowler 2007

"A children's book whose sophistication, humour and ironies are nowadays appreciated by both children (aged about 9-13) and adults. Babs lives most contentedly in a large house in the country with her grandmother, her nanny and her brother (their parents are in 'Inja'). Then their grandmother dies and they are sent to live in Kensington with their uncle and his wife. Having run wild in the country, spent hours with the gardener and had a great deal to do and to think about, suddenly they are abandoned in a world of artifice and convention and are expected to behave artificially and conventionally. Babs cannot, of course, stop playing, and the central theme of the book is that she has not learned how to dissemble (as opposed to playing 'let's pretend') but must learn how to do so"--

Persephone, Queen of the Dead - Isadora Marie 2011-10

This is not the myth that has been passed down through the ages where the Greek God Hades abducts and rapes his niece Kore, the daughter of his sister, the Goddess Demeter; dragging her

down to the Underworld to be his consort, thus changing her from the maiden Kore to Persephone, the Goddess of the Underworld. Persephone: Queen of the Dead tells the story of a young Goddess who falls in love and marries a God that she knows her mother does not approve of. It is the story of her life and what she had to sacrifice to be with the only man she loved. This story is told not only through the Goddess' own words, but also her mother, the Goddess Demeter's, for the lives of the two are entwined for eternity. The story begins with Kore as a young maiden, who happens to behold the God Hades as he emerges from the Underworld and falls instantly in love. Part 1 switches between Kore as she tells of her first love and her mother, Demeter as she expresses the betrayal of not only her daughter, but of the other gods as well. It is this betrayal that causes Demeter to withhold her Fertility from the world until most mortal life dies. A compromise is made and Kore, whose new name is Persephone,

is forced to leave her husband for one-half of the year to be with her mother. During this time, Demeter allows the vegetation to once again sprout, but when Persephone returns to the Underworld the Goddess of Fertility once again withholds her gifts. Thus the seasons have been created. Continuing on the story explains the role Persephone assumes as Queen of the Dead, and tells several tales of mortals who risked everything by entering into the Underworld. Orpheus travels for weeks to beg the Goddess of Death to return his wife Eurydice to life; the Laph prince Pirithous, with the help of his companion Theseus, tries to kidnap Persephone and make her his bride, for their foolishness they are turned into statues; four years later when the hero Hercules enters the Underworld as one of his Twelve Labors he is able to free his cousin Theseus Other tales within the story include that of Psyche and Eros, followed by Adonis who was raised by Persephone, and finally the story of how the new God Dionysus

was created. The last part explains how with the beginning of Christianity the Old Gods were demoted into demons and without the daily offerings they became accustomed to, they began to fade. Only the strongest of the gods survived during this period. With the beginning of the new century hope was returned as the Old Religions were beginning to be revived. Isadora Marie is a Wiccan living in the metro Chicago area with her life mate and their canine and feline companions. Isadora grew up studying the Greek myths and as a child was fascinated with all the different Gods, Goddesses and heroes that populated them. When Isadora became a Wiccan it was these same Gods and Goddesses who became important not only in rituals, but in her life. She currently works in a history museum and her work around the artifacts of several different countries only increased her love for mythology. Though Isadora has worked with Gods and Goddess of several different cultures, it was those of Ancient Greece, from

her childhood that she felt the closet connection to and after several decades of studying these myths she felt that it was time to tell a more modern version of one of her favorites, that of the Goddess Persephone. Since her background is in art and design, Isadora has been working on several projects to incorporate this element into her spirituality. A current project is developing a photographic Tarot deck, which included several of the Goddesses of Greece along with those of India and Egypt. All of her artistic projects are not only a work of love, but she hopes that they will inspire others to find the beauty in the old myths.

The Iron Queen - Kaitlin Bevis 2015-06-26

"If you love Greek mythology and young adult books, this series is a perfect choice!" - Jess at Such A Novel Idea "What a powerful whirlwind end to this section of the series! . . . There's so much heartbreak in this book. So much emotion. A great book!" - Reader's Dialogue His love could destroy their world. Life is hell for

Persephone. Zeus will stop at nothing to gain access to the living realm and the Underworld. As the only living god with a right to both, Persephone's in trouble. Captured and tortured beyond the limits of her resolve, Persephone must find the power to stand against Zeus. But will she be strong enough? Meanwhile, Hades contemplates desperate measures to rescue his queen. Persephone never thought of herself as dangerous, but there's a reason gods never marry for love. A being with the power to destroy all of creation shouldn't place more value in one individual than the rest of the planet. But Hades . . . Hades would break the world for her. To save the world and stop both Hades and Zeus, Persephone must make a difficult choice. One that may cost her everything. Kaitlin Bevis spent her childhood curled up with a book and a pen. If the ending didn't agree with her, she rewrote it. Because she's always wanted to be a writer, she spent high school and college learning everything she

A Touch of Darkness - Scarlett St Clair

2021-08-13

"Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger. Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist. After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld

or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows-- a love that is both captivating and forbidden"--
Tempting Hades - Emma Hamm 2020-10-16
He offered her more than a throne. More than the Underworld. He offered her a love that would withstand the test of time. Maiden, Daughter, Goddess of Spring. She has many names and none of them fit. Kore lives her life in a gilded cage, loved by all but understood by none. When Hades appears out of the darkness with promises of midnight and glory on his tongue, he offers her a kingdom. Lays eternity at her feet. Bids her eat and drink from the land of the dead. The ichor tastes bitter, but she's never felt such a thrilling sting. Then he calls her a new name. Persephone. Bringer of Death. But the gods want them separated, and few can trick the Olympians. Of course she eats the pomegranate. He offers it to her with a promise

to lay the world at her feet. But she only wants him... For fans of Circe, Shadow & Bone, and Serpent & Dove, you'll fall head over heels with this twist on the classic myth.

Myths of the Underworld Journey - Radcliffe G. Edmonds, III 2004-09-20

This book was first published in 2004. Plato, Aristophanes and the creators of the 'Orphic' gold tablets employ the traditional tale of a journey to the realm of the dead to redefine, within the mythic narrative, the boundaries of their societies. Rather than being the relics of a faded ritual tradition or the products of Orphic influence, these myths can only reveal their meanings through a close analysis of the specific ways in which each author makes use of the tradition. For these authors, myth is an agonistic

discourse, neither a kind of sacred dogma nor a mere literary diversion, but rather a flexible tool that serves the wide variety of uses to which it is put. The traditional tale of the journey to the Underworld in Greek mythology is neither simple nor single, but each telling reveals a perspective on the cosmos, a reflection of the order of this world through the image of the other.

Hades - George O'Connor 2012-01-31

Retells in graphic novel format how Hades kidnaps Persephone, the daughter of Demeter, and brings her to the Underworld, while a grief stricken Demeter condemns the Earth to an eternal winter until Zeus intervenes.
