Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

'The literary equivalent of a hug from a wordly big sister when you are at your lowest ebb' - Sunday Times 'A new kind of relationship guide for women' - Arianna Huffington A self-affirming, holistic guide to transforming heartbreak into healing Amy Chan hit rock bottom when she discovered that her boyfriend cheated on her.

She devoted herself to learning various healing modalities from the ancient to the scientific, and dived into the psychology of love. It worked. Fast forward years later, Amy completely transformed her life, her relationships and founded a breakup bootcamp helping countless of women heal their hurt. In Breakup Bootcamp, Amy Chan directs her experience into a practical, thoughtful guide to turning broken hearts into an opportunity to break out of complacency and destructive habits. Dubbed 'the Chief Heart Hacker,' Amy Chan grounds her practical advice and tried and tested methods rooted in cutting-edge psychology and research, helping readers heal and reclaim their self-love. Relatable, life-changing, and backed by sound scientific research, Breakup Bootcamp can help anyone turn their greatest heartbreak into a powerful tool for growth

**Effective Apology - John Kador 2009-05-11**

There's nothing easy about apology. The news is filled with examples of leaders apologizing, needing to apologize, or failing miserably at the attempt. And certainly we all have occasion to apologize ourselves—maybe more often than we realize. But we don't need more apologies, says John Kador—we need better ones. Too many people just go through the motions, missing out on the power of apology to restore strained relationships, create possibilities for growth, and generate better outcomes for all. Effective Apology challenges you to think about the

fundamental value and importance of apology as it delivers detailed advice for making an apology that truly heals and renews. Kador explores the Five Rs of apology: Recognize the wrong and the person harmed; accept moral Responsibility for your actions; express Remorse; provide meaningful Restitution; and offer assurance that the offense will not be Repeated. Making apology work in the real world—when and how to apologize, in what medium, and how to make it stick—is made clear through over seventy examples of good and bad apologies drawn from the news, popular culture, and the experiences of Kador, his clients, and his friends. The willingness to apologize signals strength, character, and integrity. Effective leadership is impossible without effective apology. John Kador shows how to craft and deliver a confident apology that will defuse resentment, reduce litigation, create goodwill, and transform a relationship ruptured by mistrust and disappointment into something stronger and more durable than it ever was before.

## **Confidence, and Improve Communication (Your Step-By-Step Guide To Getting Your Ex Back)** - Alicia Corral

"How to Get Back to your Ex" is a book that helps individuals return to their ex using successful strategies that have been proven to work over time. There are many good reasons to return to an ex. You have already established a good connection with that person in the past, and this connection can be revived again. You legitimately have feelings for your ex still, and there are many good reasons to re-start this relationship once again. Here Is A Preview Of What You'll Learn... · Take A Break and Assess Yourself You've broken up with the love of your life and you want to know how to get your ex back. You might think this is the perfect time to run after them and show them you care as soon as possible because it might be too late. This is a common myth that many stumble on. What you need to do right now is stop calling them, stop emailing them, stop the 'random' visits, and stop the 'accidentally' showing up at places where your ex frequents. There are many reasons why taking a short break and getting yourself together is important. If you try to force you and your relationship back into your ex's life while the wounds and the bad emotions are still fresh, it's more likely that bad things will happen..... · Check Your Emotions. There's nothing that smells worse than the scent of desperation. It might sound harsh, but it's true. If you're still feeling panicked or in despair, then it'll be difficult to reach out to your ex without alienating them. Your ex knows you very well. They'll be able to see if you're contacting them because you feel desperate. This will make them lose respect for you. Instead of seeming more attractive to your ex, it might turn them off. Even though you really want to get back with them, do your best to wait until the most intense emotions have died down..... · Much, much more! Download your copy today!

### Professor Kelli's Guide to Finding a Husband -

M. S. W. Kelli Miller 2010-05-22

I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okarats was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I've been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker ""Professor Kelli"" instills confidence in women, makes them

laugh at their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.
