What Makes a Baby - Cory Silverberg

2013-05-07

Geared to readers from preschool to age eight, *What Makes a Baby* is a book for every kind of family and every kind of kid. It is a twenty-first century children's picture book about conception, gestation, and birth, which reflects the reality of our modern time by being inclusive of all kinds of kids, adults, and families, regardless of how many people were involved, their orientation, gender and other identity, or family composition. Just as important, the story

doesn't gender people or body parts, so most parents and families will find that it leaves room for them to educate their child without having to erase their own experience. Written by a certified sexuality educator, Cory Silverberg, and illustrated by award-winning Canadian artist Fiona Smyth, *What Makes a Baby* is as fun to look at as it is useful to read.

Stop Sweating & Start Talking - Andrea Brand

communication going beyond "The Talk." You want your kids to make healthy choices, especially when it comes to sex. But when the time comes, you find yourself tongue-tied and dodging hard conversations. With this parent's guide to proactive sex education for teens, learn how you can become your kid's go-to resource for accurate sex information--instead of the internet and media. Life coach and public health expert Andrea Brand makes seemingly difficult and uncomfortable topics less intimidating with features like: what you need to know about your child's (lack of) sex education, a "pause, ponder, and proceed" method for productive conversations, parental challenges to get in touch with your values about sex, and tips for organizing a secular sex-education group in your community. Delivered with frankness, wit, and inclusivity, *Stop Sweating & Start Talking* pours support and encouragement on parents to help them explore and overcome what's preventing them from opening up to their kids. Go beyond

"the birds and the bees" to start-and continue--the important conversations your kids need, want, and deserve. "Conversations about sex with our kids are often challenging, but this book makes it so much easier to address this vital topic with grace and humor." -Judy Norsigian, cofounder of Our Bodies, Ourselves *The Focus on the Family® Guide to Talking with Your Kids about Sex* - J. Fitch 2013-10-15 Sexual images saturate today's culture--and children will learn about sex somewhere. But research shows that they want to learn from the parents they trust. Talking about sex doesn't have to be a fear-filled challenge. *The Focus on the Family® Guide to Talking with Your Kids about Sex* shows parents how to talk with confidence to their kids about sex and sexuality. This candid resource is full of the latest information, practical insights, and age-appropriate answers to the questions parents and children ask about sex. Focus on the Family's Physicians Resource Council, along

with research from The Medical Institute for Sexual Health provides parents with the tools and empowering encouragement they need in order to communicate more effectively and biblically about sex, self-control, and self-respect at every stage of a child's development.

How to Talk to Your Child About Sex - Linda Eyre 2007-04-01

Linda and Richard Eyre stress that it's never too soon-or too late-to start discussing sex and values with your children, and they've got proven strategies to make it easier. For parents who want to go beyond the birds and the bees talk, *How to Talk to Your Child About Sex* provides thoughtful, clear, specific guidance on when and, most important, how to help children begin to learn and understand sex, love, and commitment from the most positive viewpoint possible. Preliminary "as needed" talks with three-to eight-year-olds The age eight Big Talk Follow-up talks with eight-to thirteen-year-olds Behavior discussions and guidelines with eleven-

to sixteen-year-olds Discussions of perspective and personal standards with fifteen-to nineteen-year-olds

[It's So Amazing!](#) - Robie H. Harris 2014-09-09

"An outstanding book. . . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for *It's Perfectly Normal*." —Booklist (starred review) How does a baby begin? What makes a baby male or female? How is a baby born? Children have plenty of questions about reproduction and babies—and about sex and sexuality, too. *It's So Amazing!* provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of *It's Perfectly Normal*, this forthright and funny book has been newly updated for its fifteenth anniversary.

What Your Child Needs to Know About Sex -

Dr. Fred Kaeser 2011-09-06

If you start talking early enough, kids will listen. FOR MANY PARENTS, the talk is one of the most dreaded rites of passage in the child-raising experience--but it doesn't have to be. The key is to start early when talking about sex with your child. In Dr. Fred Kaeser's progressive approach, parents become their child's first resource for sexual information (instead of ceding control to peers, the school system, or the media) in order to have a lasting and positive influence over their child's sexual development. As the former director of health in the New York City public schools, there's nothing Dr. Kaeser hasn't been asked by kids, or by parents. And he has seen firsthand the results of our increasingly sexualized youth culture, and how it's making children grow up faster than ever these days. From sexting to cyberbullying, challenges and pressures abound--even for kids in kindergarten. This means that parents must begin laying the groundwork for basic conversations about sex

when their child is as young as three years old. Parents then build their discussions on this early foundation, introducing more information at developmentally appropriate ages (for example, talking about puberty with your eight-year-old, and discussing safe sex with your ten-year-old). What Your Child Needs to Know About Sex (and When) goes far beyond the birds and the bees to discuss uncomfortable issues with a winning frankness and empowering attitude. It offers families the tools they need for navigating how and when to have positive dialogues about sexuality and helps parents learn to use everyday teachable moments. Open communication about sex with your children isn't necessarily easy, but it can be done; this indispensable book will guide you every step of the way.

Talking to Kids About Sex and Sexuality - at a Glance It's best to start talking with children about sexuality in early childhood - but it's never too late. Talking with children about sex and sexuality may be uncomfortable at first, but it gets easier with time and practice. There are many different ways to start conversations about sex and sexuality. Parents really make a difference when we talk with our kids. In fact, teens often name their parents as the biggest influence in their decisions about sex. And teens who report having good conversations with their parents about sex are more likely to delay sexual activity, have fewer partners, and use condoms and other contraceptives when they do have sex.

on brain development and extensive clinical experience with parents, Dr. Laura Markham's approach is as simple as it is effective. Her message: Fostering emotional connection with your child creates real and lasting change. When you have that vital connection, you don't need to threaten, nag, plead, bribe—or even punish. This remarkable guide will help parents better understand their own emotions—and get them in check—so they can parent with healthy limits, empathy, and clear communication to raise a self-disciplined child. Step-by-step examples give solutions and kid-tested phrasing for parents of toddlers right through the elementary years. If you're tired of power struggles, tantrums, and searching for the right “consequence,” look no further. You're about to discover the practical tools you need to transform your parenting in a positive, proven way.

[Beyond Birds and Bees](#) - Bonnie J. Rough

2018-08-21

A provocative inquiry into how we teach our

children about bodies, sex, relationships and equality -- with revelatory, practical takeaways from the author's research and eye-opening observations from the world-famous Dutch approach Award-winning author Bonnie J. Rough never expected to write a book about sex, but life handed her a revelation too vital to ignore. As an American parent grappling with concerns about raising children in a society steeped in stereotypes and sexual shame, she couldn't quite picture how to teach the facts of life with a fearless, easygoing, positive attitude. Then a job change relocated her family to Amsterdam, where she soon witnessed the relaxed and egalitarian sexual attitudes of the Dutch. There, she discovered, children learn from babyhood that bodies are normal, the world's best sex ed begins in kindergarten, cooties are a foreign concept, puberty is no big surprise, and questions about sex are welcome at the dinner table. In *Beyond Birds and Bees*, Rough reveals how although normalizing human sexuality may

Downloaded from
legacy.opendemocracy.net on 2020-11-16
by guest

sound risky, doing so actually prevents unintended consequences, leads to better health and success for our children, and lays the foundation for a future of gender equality. Exploring how the Dutch example translates to American life, Rough highlights a growing wave of ambitious American parents, educators, and influencers poised to transform sex ed -- and our society -- for the better, and shows how families everywhere can give a modern lift to the birds and bees. Down to earth and up to the minute with our profound new cultural conversations about gender, sex, power, autonomy, diversity, and consent, Rough's careful research and engaging storytelling illuminate a forward path for a groundbreaking generation of Americans who want clear examples and actionable steps for how to support children's sexual development -- and overall wellbeing -- from birth onward at home, in schools, and across our evolving culture.

How to Talk with Your Kids about Sex - Dr.

how-to-talk-to-your-child-sex

John Chirban 2012-06-04

Equips parents to teach their children how to make sexuality a safe, healthy, and sacred part of their lives. How parents address sex—their openness, the context, and their attitudes—will impact how their children view their own sexuality and self-worth. Dr. Chirban helps parents know when, how, and how much, and stresses the vital importance of their role in sex education. He uses humor, compassion, and real-life examples to prepare parents for healthy and ongoing conversations that equips their kids to own their own sexuality and provide an understanding of the larger issues of relationships, love, commitment, and intimacy. In addition, parents discover how helping their children grasp these veiled yet critical keys to a fulfilling life deepens their own connection with their children. With specific helps for children from birth through young adult, Dr. Chirban provides context for what needs to be communicated at each stage of their

development as well as tips for the inevitable surprise questions. In addition, he tackles complicated issues such as pornography, relationships and the Internet, sexting, and homosexuality. Most important is the emphasis on strong family values and spirituality as it relates to sexuality. Previously released in 2007 as *What's Love Got to Do With It?*, this revised book adds new insights from today's culture that make it even more relevant to parents and families.

and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex talk" for the twenty-first century.

Talking about Sex - John Booker 2018-06-16
Getting Your FREE Bonus Download this book, read it to the end and see "BONUS: Your FREE Gift" chapter after the conclusion. Talking About Sex: Lean How to Talk With Your Children On Adult Topics Welcome to Talking To Your Kids about Sex, a book designed to approach your kids about the topic of sex in one of the best ways. A lot of individuals tend to have a hard time talking about sex with their children, but, more importantly, many of them miss talking about some of the most crucial parts about sex. Since this is such a long lasting topic, we'll go over not only how to talk about sex, but also how to prepare your child to properly handle sex with its many risks, dangers, and what they can use to protect themselves. First, we'll cover how to

talk about sex from a point of view not many people realize exist. Instead of the normal "just sit them down and talk" approach, we break the children into the topic and get them used to being able to open up about the topic around you, such as: Watching slightly inappropriate films until they no longer look at you as though you are going to yell at them. The usefulness of getting them used to not seeing sex as completely taboo in the household. Treating them as a person by letting them know you don't know everything but you're willing to find out with them, on the internet. Then we'll go over some of the mass failure programs that teach children the responsibilities of sex and point out where they messed up. We'll provide a new method of how to stress the importance of being safe during sex by covering the points parents have the hardest time dealing with; balancing life and bills. After all, taking care of the child when the materials are ready is generally easy. What makes it difficult are the long hours

*Downloaded from

compiled with the seemingly never ending work that's. The remainder of the book will cover: The different hidden issues that men and women have, separately, that are unique to either a man or a woman. How to protect themselves with contraceptives and condoms. How to determine if they are in a situation that could be potentially dangerous, even though they may be with trusted friends. Why both women and men shouldn't find themselves in situations where they are completely alone with the opposite sex unless they intend to have sex with them. This book tries to cover every aspect that could have an impact on the child's life and give you the helping hand you might need to cover all the areas of information your child needs to know about sex. Download your E book "Talking About Sex: Lean How to Talk With Your Children On Adult Topics" by scrolling up and clicking "Buy Now with 1-Click" button!

How to Talk to Your Muslim Child about Sex - Firoza Osman 2020-10-26

Our children are growing up in a hypersexualized world. It is a subject that most Muslim parents find difficult and awkward to discuss with their children. This book will lessen that discomfort and build your confidence to tackle this sensitive subject. Firoza Osman outlines how an Islamic foundation when talking to your children about sexual matters from preschool (proper vocabulary, boundaries) to adolescence can help shape a healthy Islamic identity and view of sexuality. How to Talk to Your Muslim Child about Sex offers practical suggestions to address building an Islamic understanding of sex and sexuality- Chapter 1 concerns the challenges of raising children in a digital age. The challenges addressed are peer orientation, cultural norms, sex-obsessed culture, gender-specific issues, pornography,

*Downloaded from
legacy.opendemocracy.net on 2020-11-16

dangers of social media, school environment and muslim-specific challenges Chapter 2 covers building communication and connection with your children so they come to you for information. How to build a connection with Allah, the self and the family are outlined. It addresses building a connection with Allah through love over fear so they wish to please Him. Connection with self is about building your child's self-esteem so they can confidently hang on to their faith and resist peer pressure. Connection with the family is where values, morality and beliefs are built. Chapter 3 covers how and when to talk about sex with your children. It covers how and when to explain puberty, physical intimacy, dating and healthy relationships, consent, gender issues, pornography with conversation starters for all topics. There are over 70 references included and a list of useful resources around parenting and sex education. Firoza Osman has over 20 years of teaching experience with youth and

adolescents, working as a Further Education lecturer in the UK, Educational Assistant with a public school board and Afterschool Program Manager for a Canadian Islamic non-profit organization delivering workshops to Muslim youth on Healthy Relationships. She has two adult sons in the UK and resides with her husband in Edmonton, Canada. Follow her at https:
