Coloring is a great way for kids to relax and express themselves creatively. Is your child becoming restless and bored with nothing to do for most of the day? Are you looking for a way to keep your child busy as you focus on work? Do you want your toddler to improve their motor skills while cultivating their imagination? You're in the right place! When children have nothing to do, you can expect hell to break loose! Kids are notorious for their high energy levels and their need to stay entertained. If you're busy with work responsibilities, you have to give your kids something fun to do! Studies show that when children are challenged or engaged, they start to pay attention. They also become mesmerized by the wonderful things unfolding in

front of them. There are only a few things that entertain kids for hours and they usually involve iPads and gadgets. However, too much screen time turns children into tiny zombies. BUT don't fret!
