Girls in Trouble with the Law - Laurie Schaffner 2006

Juvenile arrest rates in the United States have declined over the past decade, yet the percentage of girls in trouble with the law increased. Girls now enter the juvenile legal system for violent offenses in addition to minor violations for which previous generations of young women have always been detained. In Girls in Trouble with the Law, sociologist Laurie Schaffner takes us inside female detention centers and explores the worlds of those who are incarcerated. Across the country, she finds t.

Young Men and Domestic Abuse - David Gadd

2015-07-16

Surveys reveal that domestic abuse is more commonplace among teenagers and young adults than older populations, yet surprisingly little is written about young men's involvement in it. Reporting on a three-year study based in the UK, this book explores young men's involvement in domestic abuse, whether as victims, perpetrators or witnesses to violent behaviors between adults. Original survey data, focus group material and in-depth biographical interviews are used to make the case for a more thoroughgoing engagement with the meanings young men come to attribute to violent behavior, include the tendency among many to configure violence within families as "fights" that call for acts of male heroism. The book

also highlights the dearth of services interventions for young men prone to domestic abuse, and the challenges of developing responsive practice in this area. Each section of the book highlights further online resources that those looking to conduct research in this area or apply its insights in practice can draw upon.

guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as:

- *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention.
- *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower.
- *Don't be picky. Approach as many

groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

This guidebook, packed with wisdom, practical advice, resources, and encouragement, explores how moms can equip their sons with what they most need to succeed in life. and money management. Each chapter features relatable stories, handy checklists, and practical advice based on a combination of research, experience, and biblical truth to guide and equip a mom in helping her son achieve his God-given potential. Praise for Boy Mom “In Boy Mom Monica Swanson offers readers practical advice and resounding hope that parenting our sons well through all seasons is not only possible but also enjoyable. This book is like an essential trail guide that I’ll refer to again and again in the beautiful and challenging adventure of motherhood.”—Becky Keife, author of No Better Mom for the Job and mom of three spirited boys “Monica Swanson is the friend we all need in our lives: humble, straightforward, warm, full of wisdom, and short on nonsense—and she knows her stuff like no one else. In Boy Mom she holds the bar high yet is forthcoming about her own struggles and imperfections. Inside these pages you’ll find deeply rooted

biblical and practical advice along with calls to action when you don’t know where to start. The Boy Mom Manifesto at the end will not only inspire you but also make your heart swell.”—Kate Merrick, author of Here, Now: Unearthing Peace and Presence in an Overconnected World “Monica Swanson is the ultimate Boy Mom mentor. While her perspective on parenting is grounded in biblical wisdom, each chapter holds excellent practical tools for how to work out that wisdom on a daily basis in our homes. Of course, we know there aren’t formulas that will ensure we get it all right, but we also know that gleaning wisdom from women who have gone before us (and are still in the trenches with us) is invaluable in the wonderful adventure of helping boys become all God created them to be.”—Jeannie Cunnion, author of Mom Set Free

Beware of the Dog - Jean Houghton 2011-02-10

Nothing I had believed was as it seemed. This was the bottom of the pit for me. I'd endured abuse for twenty years with my first husband only to now have spent another five and a half years of my life being chewed up and spit out by another man who I believed in. The first one exited my life spewing hateful, vulgar, blaming curses as he was sinking into self-loathing and suicidal episodes only to then point the gun at me. Then, again, in my simple quest for love and partnership, my devotion was rewarded with hatred, deceitfulness and

destruction. After twenty years of teaching Family Life Education and experiencing the devastation of abusive relationships, I offer real life tools to enable the reader to recognize real love, avoid the counterfeits and understand God's desire to heal us when we make poor choices.

Unravel - Melissa Lloyd
2021-07-07

Life doesn't always turn out the way we hoped. We walk around every day with our bag of painful memories that we'd rather forget, regrets over our poor decisions, and bad habits that we can't seem to change. Dysfunctional relationships that are on the "wash, rinse, repeat cycle" become the norm. The inability to be our real, authentic selves keeps us hustling and exhausted; and the lies about who we are leave us feeling defeated and unworthy. If you are feeling the weight of past burdens, Unravel will help you change your life. Behind the closed doors of Melissa's childhood home were secrets and painful wounds that festered and

infected all the days that would be laid out in front of her for thirty years. The author, Melissa, shares her story of abuse, a painful divorce, a lost sense of self, and a distorted sense of God. The decision to untangle her past brought clarity to her present, restored her broken marriage, altered the way she raised her children, and put an end to the dysfunction that had been handed down to her through her family.

God deeply loves you, you matter, and you have a purpose that can bring joy and fulfillment to your life and the lives of others. No life is too messy for God to redeem. Are you ready to unpack what happened to you in the past and discover how it is sabotaging your present? Unravel is a combination book + study guide that will lead you step-by-step on your own unique healing journey. If your life isn't all that you want it to be, Unravel will help you: • Understand the painful events of your life and how these

events have shaped you • Learn new, healthy strategies for dealing with shame, fear, anger, guilt, pride, & abuse • Understand why you behave, think, and feel the way you do • Stop the cycle of dysfunction from being passed down to future generations • Unlearn what you know about God and develop a deeper relationship with Him • Find joy and hope, regardless of your circumstances

encouraged women to find their voice and claim back their power. Contending with a host of difficult issues that demand psychological strength - in this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle in 13 steps. Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy offers thoughtful, intelligent advice, practical tips, and specific strategies; combining them with her personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women - and society at large - must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-

doubt stop them from reaching their goals. Insightful, grounded, and extremely timely, **13 THINGS MENTALLY STRONG WOMEN DON'T DO** can help every woman flourish - and Amy will take readers on this journey with her, every step of the way.
